

Ingredion Named to Fortune Magazine's World's Most Admired Companies List for 13th Consecutive Year

02/02/22

WESTCHESTER, Ill., Feb. 02, 2022 (GLOBE NEWSWIRE) -- [Ingredion Incorporated](#) (NYSE: INGR), a leading global provider of ingredient solutions to the food and beverage industry, today was named one of the "[World's Most Admired Companies](#)" in the food production industry by Fortune magazine for the 13th consecutive year.

"We are truly honored to once again be recognized as one of the world's most admired companies in our industry," said [Jim Zallie](#), Ingredion's president and chief executive officer. "Most importantly, we credit this recognition to our talented, diverse employees who bring the potential of people, nature, and technology to make life better for our customers, suppliers and shareholders. At Ingredion, we are guided by our purpose-led and people-centric culture, which helps fulfill our commitment to deliver innovative ingredient solutions that make a difference for consumers around the world."

This honor highlights the Company's enduring reputation as a purpose and values-driven employer, a preferred global supplier, and a responsible corporate citizen in the communities where it operates.

FORTUNE's "World's Most Admired Companies" list is the definitive report card on corporate reputation and is developed by FORTUNE and Korn Ferry. The 2022 list ranked companies in 52 major industries on nine criteria — from investment value, innovation, and quality of management and products, to social responsibility and ability to attract talent. The ranking included 640 companies in 28 countries and was based on executives who work at the companies in that group.

The complete list appears in Fortune magazine's February/March 2022 print issue and can be viewed [online](#).
