Notes to Condensed Consolidated Financial Statements

1. Interim Financial Statements

References to the "Company" are to Corn Products International, Inc. and its consolidated subsidiaries. These statements should be read in conjunction with the consolidated financial statements and the related notes to those statements contained in the Company's Annual Report on Form 10-K for the year ended December 31, 2005.

The unaudited condensed consolidated interim financial statements included herein were prepared by management and reflect all adjustments (consisting solely of normal recurring items) which are, in the opinion of management, necessary to present a fair statement of results of operations and cash flows for the interim periods ended March 31, 2006 and 2005, and the financial position of the Company as of March 31, 2006. The results for the interim periods are not necessarily indicative of the results expected for the full years.

2. Share-based Compensation

The Company adopted Statement of Financial Accounting Standards No. 123R, "Share-Based Payment" ("SFAS 123R") effective January 1, 2006. Among other items, SFAS 123R eliminates the use of APB 25 and the intrinsic value method of accounting, and requires companies to recognize in the financial statements the cost of employee services received in exchange for awards of equity instruments, based on the grant-date fair value of those awards. This cost is to be recognized over the period during which an employee is required to provide service in exchange for the award (typically the vesting period). The Company adopted SFAS 123R using the modified prospective method, which requires that compensation cost be recognized in the financial statements beginning with the effective date, based on the requirements of SFAS 123R for all share-based awards granted or modified after that date, and based on the requirements of SFAS 123 for all unvested awards granted prior to the effective date of SFAS 123R. SFAS 123R also requires that benefits associated with tax deductions in excess of recognized compensation cost be reported as a financing cash inflow, rather than as an operating cash flow as previously required.

The adoption of SFAS 123R resulted in the Company recording compensation expense for employee stock options. The following table shows the effect of adopting SFAS 123R on selected reported items and what those items would have been under previous guidance under APB No. 25.

Table of Contents

Prior to the adoption of SFAS 123R, the Company accounted for stock compensation using the recognition and measurement principles of Accounting Principles Board Opinion No. 25, "Accounting for Stock Issued to Employees," and related Interpretations. Amounts charged to compensation expense for amortization of restricted stock for the three months ended March 31, 2005 was \$0.3 million. However, no compensation cost related to common stock options granted to employees were reflected in net income during that period, as each option granted under the Company's plan had an exercise price equal to the market value of the underlying common stock on the date of grant. The following table illustrates the effect on net income and earnings per common share assuming the Company had applied the fair value based recognition provisions of SFAS 123, "Accounting for Stock-Based Compensation," to all outstanding and unvested awards for the three months ended March 31, 2005. The results for the quarter ended March 31, 2005 have not been restated.

Stock Incentive Plan

The Stock Incentive Plan (SIP) is administered by the Compensation Committee of the Board of Directors of the Company and provides for the grant of incentive stock options, restricted stock and other stock-based awards for certain key employees. A maximum of 8 million shares are currently authorized for awards under the SIP. As of March 31, 2006, 6,617,900 shares were available for future grants under the SIP. Shares covered by awards that expire, terminate or lapse will again be available for the grant of awards under the SIP.

The Company has a stock repurchase program under which it periodically repurchases shares of its common stock. The parameters of the Company's stock repurchase program are not established solely with reference to the dilutive impact of shares issued under the SIP. However, the Company expects that, over time, share repurchases will offset the dilutive impact of shares issued under the SIP.

A summary of information with respect to stock-based compensation is as follows:

(in millions)	For the Three Months Ended March 31,	
	2006	2005
Total stock-based compensation expense included in net income	\$ 2.1	\$.8
Income tax benefit related to stock-based compensation included in net income	.8	.3

Stock Options:

Under the Company's stock incentive plan, stock options are granted at exercise prices that equal the market value of the underlying common stock on the date of grant. The options are exercisable upon vesting, which occurs in 50 percent increments at the one- and two-year anniversary dates of the date of grant, and have a term of 10 years. Compensation expense is recognized on a straight-line basis for awards. Stock option activity for the three months ended March 31, 2006 was as follows:

(dollars and shares in thousands)	Number of Options	Weighted Average Exercise Price	Average Remaining Contractual Term (Years)	Aggregate Intrinsic Value
Outstanding at December 31, 2005	4,642	\$ 17.14		
Granted	1,064	25.87		
Exercised	(201)	16.01		
Cancelled	(21)	25.56		
Outstanding at March 31, 2006	5,484	18.84	6.5	\$57,862
Options exercisable at March 31, 2006	3,939	16.23	5.4	\$51,821

For the three months ended March 31, 2006, cash received from the exercise of stock options was \$3 million and the income tax benefit realized from the exercise of stock options was \$.5 million. As of March 31, 2006, the total remaining unrecognized compensation cost related to non-vested stock options amounted to \$8.0 million, which will be amortized over the weighted-average period of approximately 1.1 years.

The weighted-average fair value of stock options granted for the three months ended March 31, 2006 was \$7.7 million. There were no stock options granted in the three month period ending March 31, 2005. The intrinsic value of stock options exercised were \$2.2 million and \$9.1 million for the three months ended March 31, 2006 and 2005, respectively.

[Table of Contents](#)

The fair value of each option grant was estimated using the Black-Scholes option pricing model, based on the following assumptions:

	March 31, 2006	March 31, 2005
Expected life (in years)	5.3	5.3
Risk-free interest rate	4.2%	3.93%
Expected volatility	27.75%	27%
Expected dividend yield	1.08%	1.2%

The expected life of options represents the weighted average period of time that options granted are expected to be outstanding giving consideration to vesting schedules and the Company's historical exercise patterns. The risk-free interest rate is based on the US Treasury yield curve in effect at the time of the grant for periods corresponding with the expected life of the options. Expected volatility is based on historical volatilities of the Company's common stock. Dividend yields are based on historical dividend payments.

Restricted Shares of Common Stock:

Under the SIP, participants may be granted restricted shares of common stock. The restricted shares issued under this plan are subject to cliff vesting, generally for five years provided the employee remains in the service of the Company. Expense is recognized on a straight line basis over the vesting period taking into account an estimated forfeiture rate. The fair value of the restricted stock is determined based upon the number of shares granted and the quoted price of the Company's stock at the date of the grant. Expense recognized for the three months ended March 31, 2006 and 2005 was \$.2 million and \$.3 million, respectively.

The following table summarizes restricted share activity for the three month period ended March 31, 2006.

(shares in thousands)	Number of Restricted Shares	Weighted Average Fair Value
Non-vested at December 31, 2005	175	\$ 16.04
Granted	51	26.63
Vested	(10)	15.66
Cancelled	(4)	26.05
Non-vested at March 31, 2006	<u>212</u>	<u>18.42</u>

The weighted-average fair value of restricted stock granted during the three months ended March 31, 2006 and 2005 was \$26.63 and \$28.36, respectively. The total fair value of restricted stock vested during the quarter ended March 31, 2006 was \$.2 million. No restricted stock vested during the quarter ended March 31, 2005.

As of March 31, 2006, the total remaining unrecognized compensation cost related to restricted stock amounted to \$2 million, which will be amortized on a weighted-average basis over 2.6 years. This amount is included in additional paid in capital in the Company's Condensed Consolidated Balance Sheet at March 31, 2006.

Restricted Stock Units:

Under the compensation agreement with the Board of Director's at least 50 percent of a director's compensation is awarded based on each director's election to receive such compensation in the form of stock units, which track investment returns to changes in value of the Company's common stock with dividends being reinvested. Stock units under this plan vest immediately. The compensation expense relating to this plan recognized in the Consolidated Statements of Income was not material for the three month periods ending March 31, 2006 and 2005. There have been approximately 146,000 share units issued under this plan at a value of \$3.8 million.

Long-Term Incentive Plans

Equity-Classified Awards

The Company has a long term incentive plan for Officers under which awards thereunder are classified as equity under SFAS 123R. The ultimate payment of the performance shares will be based 50 percent on the Company's stock performance as compared to the stock performance of a peer group and 50 percent on a return of capital employed target percentage. Compensation expense for the stock performance portion of the plan is based on the fair value of the plan that is determined on the day the plan is established. The fair value is calculated using a Monte Carlo simulation model. Compensation expense for the return on capital employed portion of the plan is based on the probability of attaining the goal and is reviewed at the end of each reporting period. The amount recognized in the Consolidated Statement of Income for the three months ended March 31, 2006 was \$.4 million. The total compensation expense for these awards is being amortized over a three year period. As of March 31, 2006 the total remaining unrecognized compensation cost relating to these plans was \$3.6 million which will be amortized over the remaining requisite service period of 2.75 years. This amount will vary each reporting period based on changes in the probability of attaining the goal.

Liability-Classified Awards:

The Company has a long term compensation plan for Officers under which awards thereunder are classified as liabilities under SFAS 123R. The ultimate payment of cash will be based 50 percent on the Company's stock performance as compared to the stock performance of a peer group and 50 percent on a return on capital employed target percentage. Compensation expense for this plan is based on the change in fair value at each reporting date. The amount recognized in the Consolidated Statement of Income for the three months ended March 31, 2006 related to this award, as well the unrecognized portion of the expense as of that date, is not material. The unrecognized portion of the expense will be amortized over the remaining requisite service period of nine months.

As of March 31, 2006, approximately \$2 million in pension contributions had been made to the Canadian pension plan.

6. Elimination of Canadian Anti-Dumping/Countervailing Duties

In September 2005, the Canadian government initiated an anti-dumping and/or countervailing duty (AD/CVD) investigation on grain corn imported from the United States. The investigation related to the alleged effect of United States grain corn related subsidies on the Canadian grain corn market and the alleged dumping of United States grain corn into Canada. In November 2005, the Canadian International Trade Tribunal (CITT) made a preliminary determination of injury and in December 2005 the Canada Border Services Agency (CBSA) imposed a provisional duty on imported United States grain corn of US\$1.65 per bushel.

[Table of Contents](#)

On April 18, 2006, the CITT ruled that grain corn imported from the United States has not injured, and is not threatening to injure, the Canadian grain corn industry. As a result, provisional countervailing and anti-dumping duties imposed in December 2005 have ceased and any such amounts that had been collected by the Canadian government will be refunded.

7. New Credit Agreement

On April 26, 2006, the Company entered into new, five-year \$500 million senior, unsecured revolving credit facilities consisting of a \$470 million US senior revolving credit facility and a \$30 million Canadian revolving credit facility (the "Revolving Credit Agreement"). The Revolving Credit Agreement replaced the Company's previous \$180 million revolving credit facility that would have expired in September 2009. The Canadian revolving credit facility is guaranteed by Corn Products International, Inc. There were no outstanding borrowings under the previous \$180 million revolving credit facility at March 31, 2006.

**ITEM 2
MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS**

Overview

We are a leading regional producer of starches, liquid sweeteners and other ingredients around the world. We are one of the world's largest corn refiners and the leading corn refiner in South America. The corn refining industry is highly competitive. Many of our products are viewed as commodities that compete with virtually identical products manufactured by other companies in the industry. However, we have twenty-seven manufacturing plants located throughout North America, South America and Asia/Africa and we manage and operate our businesses at a local level. We believe this approach provides us with a unique understanding of the cultures and product requirements in each of the geographic markets in which we operate, bringing added value to our customers. Our sweeteners are found in products such as baked goods, candies, chewing gum, dairy products and ice cream, soft drinks and beer. Our starches are a staple of the food, paper, textile and corrugating industries.

First quarter 2006 was a solid quarter for us as net sales, operating income, net income and diluted earnings per share increased significantly from the weaker results of a year ago. The stronger results were driven by significantly improved operating results in our North American region, which more than offset reduced earnings in South America principally attributable to pricing and cost pressures in Brazil and Argentina. Looking forward, we expect that continued significant profitability improvement in the North American region, driven principally from our US operations coupled with growth in Mexico, should more than offset lower South American results and drive diluted earnings per share growth for full year 2006. We anticipate that full year 2006 diluted earnings per share should increase in the range of 16 to 24 percent over the \$1.19 per diluted share we earned in 2005.

We are focused on resolving past operating issues in our US operations and remain on schedule for the start-up of the new coal-fired boiler at our largest facility, Argo, which is located in Bedford Park, Illinois, by the end of third quarter 2006. We completed the tie-in phase of the Argo boiler project in April, expect to carry out the first boiler fire-up in July, and believe that the project will be completed by the end of September. We anticipate the negative impact to operating income from boiler related start-up activities to be in the range of \$10 million to \$12 million, which is included in our guidance above.

Results of Operations

**For The Three Months Ended March 31, 2006
With Comparatives for the Three Months Ended March 31, 2005**

Net Income. Net income for the quarter ended March 31, 2006 increased to \$23.4 million, or \$0.31 per diluted common share, from \$16.5 million, or \$0.22 per diluted common share, in the first quarter of 2005. The increase in net income primarily reflects a 31 percent increase in operating income driven principally by significantly improved North American results, and lower financing costs, which more than offset an increase in our effective income tax rate.

[Table of Contents](#)

Net Sales. First quarter net sales totaled \$615 million, up 9 percent from first quarter 2005 net sales of \$567 million. The increase reflects 3 percent volume growth, 2 percent price/product mix improvement and a 4 percent benefit from foreign currency translation attributable to a weaker US dollar.

North American net sales for first quarter 2006 increased 10 percent to \$376 million, from \$344 million in the same period last year, reflecting price/product mix improvement of 6 percent, volume growth of 3 percent and a 1 percent benefit from currency translation attributable to a stronger Canadian dollar. In South America, first quarter 2006 net sales increased 7 percent to \$151 million, from \$141 million in first quarter 2005, as an 11 percent improvement attributable to stronger South American currencies and 3 percent volume growth, more than offset a 7 percent price/product mix decline. In Asia/Africa, first quarter 2006 net sales increased 6 percent to \$88 million, from \$82 million in the year-ago period, as 7 percent volume growth and a 2 percent increase attributable to stronger Asian currencies, more than offset a 3 percent price/product mix decline.

Cost of Sales and Operating Expenses. Cost of sales of \$522 million for first quarter 2006 was up 6 percent from \$494 million in the prior year period, mainly attributable to an increase in energy costs of approximately 26 percent and higher sales volume. Gross profit margin was 15 percent, up from 13 percent last year, principally reflecting improved profitability and margins in North America.

First quarter 2006 operating expenses increased to \$47.7 million from \$39.3 million last year, primarily reflecting higher compensation-related costs, including the expensing of stock options as well as stronger currencies, primarily in South America. First quarter 2006 operating expenses, as a percentage of net sales, were 7.8 percent, up from 6.9 percent a year ago.

Operating Income. First quarter 2006 operating income increased 31 percent to \$46.2 million from \$35.4 million a year ago, as stronger earnings in North America more than offset earnings declines in South America and Asia/Africa. North America operating income increased to \$24.4 million from \$2.9 million a year ago, as earnings grew throughout the region from the weak results of a year ago. Lower corn costs and higher product selling prices throughout the region, along with volume growth in Mexico, drove the earnings improvement. South America operating income declined 27 percent to \$19.7 million in first quarter 2006 from \$26.9 million a year ago primarily reflecting lower earnings in Brazil and Argentina. Operating income in Brazil was unfavorably impacted by lower product selling prices, a stronger local currency and higher corn and energy costs. The stronger Brazilian Real, coupled with concerns over avian flu and hoof-and-mouth disease, dampened exports in various industries, generating excess starches and animal feed ingredients, including those from tapioca processors and dry-millers. This situation limited the pricing flexibility of our Brazilian operations during the quarter. Operating income in Argentina declined principally due to increased corn and energy costs. Asia/Africa operating income decreased 4 percent to \$13.0 million, from \$13.5 million a year ago. This decrease primarily reflects reduced earnings in South Korea, mainly attributable to lower product selling prices as a result of a soft local economy.

Financing Costs. Financing costs for first quarter 2006 decreased to \$6.6 million from \$9.5 million a year ago. This decrease primarily reflects increases in capitalized interest, interest income and foreign currency transaction gains, which more than offset the effect of higher interest rates.

Provision for Income Taxes. The effective income tax rate for the first quarter of 2006 increased to 38.9 percent from 33.5 percent a year ago, principally due to a change in anticipated income mix.

Minority Interest in Earnings. Minority interest for first quarter 2006 was \$0.8 million, up slightly from \$0.7 million last year.

Comprehensive Income. The Company recorded comprehensive income of \$41 million for the first quarter of 2006, down from \$48 million in the same period last year. The decrease principally reflects losses on cash flow hedges, which more than offset increases in the currency translation adjustment and net income, from the prior year period.

Mexican Tax on Beverages Sweetened with HFCS/Recoverability of Mexican Assets

On January 1, 2002, a discriminatory tax on beverages sweetened with high fructose corn syrup ("HFCS") approved by the Mexican Congress late in 2001, became effective. In response to the enactment of the tax, which at the time effectively ended the use of HFCS for beverages in Mexico, the Company ceased production of HFCS 55 at its San Juan del Rio plant, one of its three plants in Mexico. Over time, the Company resumed production and sales of HFCS to certain beverage customers. These sales increased significantly beginning late in the third quarter of 2004, and in 2005, returned to levels attained prior to the imposition of the tax as a result of certain customers having obtained court rulings exempting them from paying the tax. These sales are continuing in 2006; however, the tax remains in place.

While the Company continues its efforts to gain repeal of the tax, it cannot predict with any certainty the likelihood or timing of such repeal nor can it predict whether the Mexican beverage customers will continue purchasing HFCS at current levels. Failure to repeal the tax and a decline from the current levels of HFCS shipments could have a negative effect on the operating results and cash flows of the Mexican operation.

On October 7, 2005, the World Trade Organization (WTO) issued a Report of the Panel stating that Mexico's tax on beverages sweetened with HFCS violated Mexico's WTO commitments. The report of the Appellate Body was issued on March 6, 2006 and upheld the Panels' conclusion. The process toward conclusion of the matter is expected to continue for several months, and the Company continues to support a permanent resolution to this issue.

Elimination of Canadian Anti-Dumping/Countervailing Duties

In September 2005, the Canadian government initiated an anti-dumping and/or countervailing duty (AD/CVD) investigation on grain corn imported from the United States. The investigation related to the alleged effect of United States grain corn related subsidies on the Canadian grain corn market and the alleged dumping of United States grain corn into Canada. In November 2005, the Canadian International Trade Tribunal (CITT) made a preliminary determination of injury and in December 2005 the Canada Border Services Agency (CBSA) imposed a provisional duty on imported United States grain corn of US\$1.65 per bushel.

[Table of Contents](#)

On April 18, 2006, the CITT ruled that grain corn imported from the United States has not injured, and is not threatening to injure, the Canadian grain corn industry. As a result, provisional countervailing and anti-dumping duties imposed in December 2005 have ceased and any such amounts that had been collected by the Canadian government will be refunded.

Liquidity and Capital Resources

Cash provided by operating activities was \$5 million for first quarter 2006, as compared with \$29 million in the prior year period. The decrease in operating cash flow was driven principally by an increase in working capital, as compared with the prior year period, mainly attributable to an increase in the change in inventories. Capital expenditures of \$37 million for first quarter 2006 are in line with our capital spending plan for the year, which is currently expected to approximate \$150 million for full year 2006. Included in this estimate are expenditures relating to the completion of the previously announced \$100 million capital project at our Argo plant. The project will include the shutdown and replacement of the plant's three current coal-fired boilers with one coal-fired boiler. This project is expected to reduce the plant's emissions as well as provide more efficient, reliable and effective energy production. Construction began in the fourth quarter of 2004 and is currently expected to be completed by the end of the third quarter of 2006.

On April 26, 2006, we entered into new, five-year \$500 million senior, unsecured revolving credit facilities consisting of a \$470 million US senior revolving credit facility and a \$30 million Canadian revolving credit facility (the "Revolving Credit Agreement"). The Revolving Credit Agreement replaced the Company's previous \$180 million revolving credit facility that would have expired in September 2009. The Canadian revolving credit facility is guaranteed by Corn Products International, Inc. There were no outstanding borrowings under the previous \$180 million revolving credit facility at March 31, 2006. In addition, we have a number of short-term credit facilities consisting of operating lines of credit. At March 31, 2006, we had total debt outstanding of \$538 million compared to \$528 million at December 31, 2005. The debt outstanding includes: \$255 million (face amount) of 8.25 percent senior notes due 2007; \$200 million (face amount) of 8.45 percent senior notes due 2009; and \$85 million of consolidated subsidiary debt, consisting of local country borrowings. Approximately \$67 million of the consolidated subsidiary debt represents short-term borrowings. The weighted average interest rate on total Company indebtedness was approximately 7.6 percent for the first three months of 2006, up from 6.7 percent in the comparable prior year period.

On February 1, 2006, we terminated the remaining fixed to floating interest rate swap agreements associated with \$150 million of our \$200 million 8.45 percent senior notes. The swap termination resulted in a gain of approximately \$3 million, which is being amortized as a reduction to financing costs over the remaining term of the underlying debt (through August 2009). At December 31, 2005 the fair value of outstanding interest rate swap agreements approximated \$5 million.

On March 15, 2006, our board of directors declared a quarterly cash dividend of \$0.08 per share of common stock. The cash dividend was paid on April 25, 2006 to stockholders of record at the close of business on March 30, 2006.

We expect that our operating cash flows and borrowing availability under our credit facilities will be more than sufficient to fund our anticipated capital expenditures, acquisitions, dividends and other investing and/or financing strategies for the foreseeable future.

Critical Accounting Policies and Estimates

Our critical accounting policies and estimates are provided in the Management's Discussion and Analysis of Financial Condition and Results of Operations included in our 2005 Annual Report on Form 10-K. There have been no changes to our critical accounting policies and estimates during the three months ended March 31, 2006.

New Accounting Standards

In November 2004, the FASB issued Statement of Financial Accounting Standards ("SFAS") No. 151, "Inventory Costs — an amendment of ARB No. 43, Chapter 4" ("SFAS 151"), which clarifies the accounting for abnormal amounts of idle facility expense, freight, handling costs and spoilage. The standard requires that such costs be excluded from the cost of inventory and expensed when incurred. The adoption of SFAS 151 did not have a material effect on the Company's consolidated financial statements.

In December 2004, the FASB issued SFAS No. 153, "Exchanges of Nonmonetary Assets — an amendment of APB No. 29, Accounting for Nonmonetary Transactions" ("SFAS 153"), which requires that exchanges of productive assets be accounted for at fair value, rather than at carryover basis, unless (1) neither the asset received nor the asset surrendered has a fair value that is determinable within reasonable limits or (2) the transactions lack commercial substance. SFAS 153 is effective for nonmonetary asset exchanges occurring in fiscal periods beginning after June 15, 2005. The adoption of SFAS 153 did not have a material effect on the Company's consolidated financial statements.

In December 2004, the FASB issued SFAS No. 123R, "Share-Based Payment" ("SFAS 123R"), which revises SFAS No. 123, "Accounting for Stock Based Compensation", and supersedes APB 25. Among other items, SFAS 123R eliminates the use of APB 25 and the intrinsic value method of accounting, and requires companies to recognize in the financial statements the cost of employee services received in exchange for awards of equity instruments, based on the grant-date fair value of those awards. This cost is to be recognized over the period during which an employee is required to provide service in exchange for the award (typically the vesting period). SFAS 123R also requires that benefits associated with tax deductions in excess of recognized compensation cost that are recognized by crediting additional paid-in capital be reported as a financing cash inflow, rather than as an operating cash flow as previously required. The Company adopted SFAS 123R effective January 1, 2006 using the modified prospective method, which requires that compensation cost be recognized in the financial statements beginning with the effective date, based on the requirements of SFAS 123R for all share-based awards granted or modified after that date, and based on the requirements of SFAS 123 for all unvested awards granted prior to the effective date of SFAS 123R. See also Note 2 of the Notes to the Condensed Consolidated Financial Statements for additional information.

[Table of Contents](#)

In May 2005, the FASB issued SFAS No. 154, "Accounting Changes and Error Corrections" ("SFAS 154"), which changes the requirements for the accounting for and reporting of a change in accounting principle. The statement requires retrospective application to prior period financial statements of changes in accounting principle, unless impracticable to do so. It also requires that a change in the depreciation, amortization, or depletion method for long-lived non-financial assets be accounted as a change in accounting estimate, effected by a change in accounting principle. Accounting for error corrections and accounting estimate changes will continue under the guidance in APB Opinion 20, "Accounting Changes," as carried forward in this pronouncement. The statement is effective for fiscal years beginning after December 15, 2005. The adoption of SFAS 154 did not have a material effect on the Company's consolidated financial statements.

In November 2005, the FASB issued FSP Nos. FAS 115-1 and 124-1, "The Meaning of Other-Than-Temporary Impairment and Its Application to Certain Investments." This FSP addresses the determination as to when an investment is considered impaired, whether the impairment is 'other-than-temporary', and the measurement of an impairment loss. The investment is impaired if the fair value is less than cost. The impairment is 'other-than-temporary' for equity securities and debt securities that can contractually be prepaid or otherwise settled in such a way that the investor would not recover substantially all of its cost. If 'other-than-temporary', an impairment loss shall be recognized in earnings equal to the difference between the investment's cost and its fair value. The guidance in this FSP is effective in reporting periods beginning after December 15, 2005. The adoption of this FSP did not have a material effect on the Company's consolidated financial statements.

quotas, tariffs, duties, taxes and income tax rates; operating difficulties; boiler reliability; labor disputes; genetic and biotechnology issues; changing consumption preferences and trends; increased competitive and/or customer pressure in the corn-refining industry; the outbreak or continuation of serious communicable disease or hostilities including acts of terrorism; stock market fluctuation and volatility; and our ability to maintain sales levels of HFCS in Mexico. Our forward-looking statements speak only as of the date on which they are made and we do not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of the statement. If we do update or correct one or more of these statements, investors and others should not conclude that we will make additional updates or corrections. ITEM 3 QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

This information is set forth in the Company's Annual Report on Form 10-K for the year ended December 31, 2005, and is incorporated herein by reference. Except for the item referenced below, there have been no material changes to the Company's market risk during the three months ended March 31, 2006.

As described in the "Liquidity and Capital Resources" section of Managements' Discussion and Analysis of Financial Condition and Results of Operations, on February 1, 2006, the Company terminated the remaining fixed to floating interest rate swap agreements associated with \$150 million of its \$200 million 8.45 percent senior notes. The swap termination resulted in a gain of approximately \$3 million, which is being amortized as a reduction to financing costs over the remaining term of the underlying debt (through August 2009).

ITEM 4 CONTROLS AND PROCEDURES

Management of the Company, including the Chief Executive Officer and the Chief Financial Officer, performed an evaluation of the effectiveness of the Company's disclosure controls and procedures as of March 31, 2006. Based on that evaluation, the Chief Executive Officer and Chief Financial Officer concluded that the Company's disclosure controls and procedures are effective in providing reasonable assurance that all material information required to be filed in this report has been recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms. There have been no changes in the Company's internal controls over financial reporting that were identified during the evaluation that occurred during the Company's last fiscal quarter that have materially affected, or are reasonably likely to materially affect, the Company's internal controls over financial reporting.

PART II OTHER INFORMATION**ITEM 1
LEGAL PROCEEDINGS**

On April 4, 2006, the Company was served with a lawsuit that purports to be a class action anti-competition case in the Supreme Court of British Columbia. The lawsuit was filed on June 13, 2005, on behalf of Sun-Rype Products Ltd. and Wendy Weberg against a number of industry participants, including the Company. The complaint seeks unspecified damages for an alleged conspiracy to fix the price of high fructose corn syrup sold in Canada during the period between 1988 and June 1995. In the alternative, the complaint seeks recovery under restitutionary principles. The Company does not believe the allegations contained in this lawsuit have merit and intends to vigorously defend against them.

Section 1.2. Accounting Terms and Determination. Unless otherwise defined or specified herein, all accounting terms used herein shall be interpreted, all accounting determinations hereunder shall be made, and all financial statements required to be delivered hereunder shall be prepared, in accordance with GAAP as in effect from time to time, applied on a basis consistent with the most recent audited consolidated financial statement of the U.S. Borrower delivered pursuant to Section 7.4; provided, that if the U.S. Borrower notifies the Administrative Agent that the Borrower wishes to amend any covenant in Sections 8.6 or 8.7 to eliminate the effect of any change in GAAP on the operation of such covenant (or if the Administrative Agent notifies the U.S. Borrower that the Required Lenders wish to amend any of such sections for such purpose), then the U.S. Borrower’s compliance with such covenant shall be determined on the basis of GAAP in effect immediately before the relevant change in GAAP became effective, until either such notice is withdrawn or such covenant is amended in a manner satisfactory to the U.S. Borrower and the Required Lenders.

Section 1.3. Classifications of Loans and Borrowings. For purposes of this Agreement, Loans may be classified and referred to by Class (e.g. a “Revolving Loan” or “Swing Line Loan”) or by Type (e.g. a “U.S. LIBOR Loan”, “Base Rate Loan” or “Fixed Rate Loan”) or by Class and Type (e.g. “Revolving U.S. LIBOR Loan”). Borrowings also may be classified and referred to by Class (e.g. “Revolving Borrowing”) or by Type (e.g. “U.S. LIBOR Borrowing”) or by Class and Type (e.g. “Revolving U.S. LIBOR Borrowing”).

Section 1.4. Terms Generally. The definitions of terms herein shall apply equally to the singular and plural forms of the terms defined. Whenever the context may require, any pronoun shall include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be deemed to be followed by the phrase “without limitation”. The word “will” shall be construed to have the same meaning and effect as the word “shall”. In the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including” and the word “to” means “to but excluding”. Unless the context requires otherwise (i) any definition of or reference to any agreement, instrument or other document referred to herein shall be construed as referring to such agreement, instrument or other document as it was originally executed or as it may from time to time be amended, restated, supplemented or otherwise modified (subject to any restrictions on such amendments, supplements or modifications set forth herein or therein), (ii) any reference herein to any Person shall be construed to include such Person’s successors and permitted assigns, (iii) the words “hereof”, “herein” and “hereunder” and words of similar import shall be construed to refer to this Agreement as a whole and not to any particular provision hereof, (iv) all references to Articles, Sections, Exhibits and Schedules shall be construed to refer to Articles, Sections, Exhibits and Schedules to this Agreement and (v) all references to a specific time shall be construed to refer to the time in the city and state of the Administrative Agent’s principal office, unless otherwise indicated.

ARTICLE II

AMOUNT AND TERMS OF U.S. CREDIT FACILITY

Section 2.1. General Description of U.S. Credit Facility. Subject to and upon the terms and conditions herein set forth, (a) the U.S. Lenders hereby establish in favor of the U.S. Borrower a revolving credit facility pursuant to which each U.S. Lender severally agrees (to the extent of such U.S. Lender's U.S. Facility Commitment) to make U.S. Revolving Loans to the U.S. Borrower in accordance with Section 2.2, (b) the U.S. Issuing Bank agrees to issue Letters of Credit in accordance with Section 2.5, (c) the U.S. Swing Line Lender agrees to make U.S. Swing Line Loans to the U.S. Borrower in accordance with Section 2.4 and (d) each U.S. Lender agrees to purchase a participation interest in the Letters of Credit issued under the U.S. Facility and U.S. Swing Line Loans in accordance with this Article II; provided, however, that in no event may the aggregate amount of all U.S. Revolving Loans, Letter of Credit Obligations and U.S. Swing Line Exposure outstanding under the U.S. Facility exceed at any time the U.S. Facility Commitment Amount then in effect.

Section 2.2. U.S. Revolving Loans. Subject to and upon the terms and conditions set forth herein, each U.S. Lender severally agrees to make U.S. Revolving Loans, ratably in proportion to its Pro Rata Share of the U.S. Facility Commitment Amount, to the U.S. Borrower, from time to time during the Availability Period, in an aggregate principal amount outstanding at any time that will not result in (a) such U.S. Lender's U.S. Revolving Credit Exposure exceeding such U.S. Lender's U.S. Facility Commitment or (b) the sum of the aggregate U.S. Revolving Credit Exposures of all U.S. Lenders exceeding the U.S. Facility Commitment Amount. During the Availability Period, the U.S. Borrower shall be entitled to borrow, prepay and reborrow U.S. Revolving Loans in accordance with the terms and conditions of this Agreement; provided, that the U.S. Borrower may not borrow or reborrow should there exist a Default or Event of Default.

Section 2.3. Procedure for U.S. Revolving Borrowings. The U.S. Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Borrowing to be made under the U.S. Facility substantially in the form of Exhibit E (a "Notice of U.S. Borrowing") (x) prior to 1:00 p.m. (New York time) on the requested date of each U.S. Base Rate Borrowing and (y) prior to 1:00 p.m. (New York time) three (3) Business Days prior to the requested date of each U.S. LIBOR Borrowing. Each Notice of U.S. Borrowing shall be irrevocable and shall specify: (i) the aggregate principal amount of such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) the Type of such Loan comprising such Borrowing, (iv) the account of the U.S. Borrower to which the proceeds of such Borrowing should be credited and (v) in the case of a U.S. LIBOR Borrowing, the duration of the initial Interest Period applicable thereto (subject to the provisions of the definition of Interest Period). Each Borrowing made under the U.S. Facility shall consist entirely of U.S. Base Rate Advances or U.S. LIBOR Advances, as the U.S. Borrower may request. The aggregate principal amount of each U.S. LIBOR Borrowing shall be not less than \$5,000,000 or a larger multiple of \$1,000,000, and the aggregate principal amount of each U.S. Base Rate Borrowing shall not be less than \$1,000,000 or a larger multiple of \$100,000; provided, that any U.S. Base Rate Borrowing made pursuant to Section 2.4(c) or Section 2.5(e) may be made in

lesser amounts as provided therein. At no time shall the total number of Borrowings outstanding at any time under the U.S. Facility and bearing interest at the Adjusted LIBO Rate exceed twelve. Promptly following the receipt of a Notice of U.S. Borrowing in accordance herewith, the Administrative Agent shall advise each U.S. Lender of the details thereof and the amount of such U.S. Lender's U.S. Revolving Loan to be made as part of the requested Borrowing.

Section 2.4. U.S. Swing Line Commitment.

(a) Subject to the terms and conditions set forth herein, the U.S. Swing Line Lender agrees to make U.S. Swing Line Loans to the U.S. Borrower, from time to time during the Availability Period, in an aggregate principal amount outstanding at any time not to exceed the lesser of (i) the U.S. Swing Line Commitment then in effect and (ii) the U.S. Facility Commitment Amount minus the U.S. Revolving Loans and U.S. L/C Exposure; provided, that the U.S. Swing Line Lender shall not be required to make a U.S. Swing Line Loan to refinance an outstanding U.S. Swing Line Loan. The U.S. Borrower shall be entitled to borrow, repay and reborrow U.S. Swing Line Loans in accordance with the terms and conditions of this Agreement.

(b) The U.S. Borrower shall give the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each U.S. Swing Line Borrowing substantially in the form of Exhibit D attached hereto ("Notice of U.S. Swing Line Borrowing") prior to 1:00 p.m. (New York, New York time) on the requested date of each U.S. Swing Line Borrowing. Each Notice of U.S. Swing Line Borrowing shall be irrevocable and shall specify: (i) the principal amount of such U.S. Swing Line Loan, (ii) the date of such U.S. Swing Line Loan (which shall be a Business Day) and (iii) the account of the U.S. Borrower to which the proceeds of such U.S. Swing Line Loan should be credited. The Administrative Agent will promptly advise the U.S. Swing Line Lender of each Notice of U.S. Swing Line Borrowing. Each U.S. Swing Line Loan shall accrue interest at the U.S. Swing Line Rate and shall have an Interest Period (subject to the definition thereof) as agreed between the U.S. Borrower and the U.S. Swing Line Lender. The aggregate principal amount of each U.S. Swing Line Loan shall be not less than \$100,000 or a larger multiple of \$50,000, or such other minimum amounts agreed to by the U.S. Swing Line Lender and the U.S. Borrower. The U.S. Swing Line Lender will make the proceeds of each U.S. Swing Line Loan available to the U.S. Borrower in U.S. Dollars in immediately available funds at the account specified by the U.S. Borrower in the applicable Notice of U.S. Swing Line Borrowing not later than 3:00 p.m. (New York, New York time) on the requested date of such U.S. Swing Line Loan.

(c) The U.S. Swing Line Lender, at any time and from time to time in its sole discretion, may, on behalf of the U.S. Borrower (which hereby irrevocably authorizes and directs the U.S. Swing Line Lender to act on its behalf), give a Notice of U.S. Borrowing to the Administrative Agent requesting the U.S. Lenders (including the U.S. Swing Line Lender) to make U.S. Base Rate Loans in an amount equal to the unpaid principal amount of any U.S. Swing Line Loan. Each U.S. Lender will make the proceeds of its U.S. Base Rate Loan included in such Borrowing available to the Administrative Agent for the account of the U.S. Swing Line Lender in accordance with Section 4.1, which will be used solely for the repayment of such U.S. Swing Line Loan.

(d) If for any reason a U.S. Base Rate Borrowing may not be (as determined in the sole discretion of the Administrative Agent), or is not, made in accordance with the foregoing provisions, then each U.S. Lender (other than the U.S. Swing Line Lender) shall purchase an undivided participating interest in such U.S. Swing Line Loan in an amount equal to its Pro Rata Share thereof on the date that such U.S. Base Rate Borrowing should have occurred. On the date of such required purchase, each U.S. Lender shall promptly transfer, in immediately available funds, the amount of its participating interest to the Administrative Agent for the account of the U.S. Swing Line Lender. If such U.S. Swing Line Loan bears interest at a rate other than the U.S. Base Rate, such U.S. Swing Line Loan shall automatically become a U.S. Base Rate Loan on the effective date of any such participation and interest shall become payable on demand.

(e) Each U.S. Lender's obligation to make a U.S. Base Rate Loan pursuant to Section 2.4(c) or to purchase the participating interests pursuant to Section 2.4(d) shall be absolute and unconditional and shall not be affected by any circumstance, including without limitation (i) any setoff, counterclaim, recoupment, defense or other right that such Lender or any other Person may have or claim against the U.S. Swing Line Lender, the U.S. Borrower or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of any Lender's U.S. Facility Commitment, (iii) the existence (or alleged existence) of any event or condition which has had or could reasonably be expected to have a Material Adverse Effect, (iv) any breach of this Agreement or any other Loan Document by any Borrower, the Administrative Agent, the Canadian Funding Agent or any Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. If such amount is not in fact made available to the U.S. Swing Line Lender by any U.S. Lender, the U.S. Swing Line Lender shall be entitled to recover such amount on demand from such U.S. Lender, together with accrued interest thereon for each day from the date of demand thereof (i) at the Federal Funds Rate until the second Business Day after such demand and (ii) at the U.S. Base Rate at all times thereafter. Until such time as such U.S. Lender makes its required payment, the U.S. Swing Line Lender shall be deemed to continue to have outstanding U.S. Swing Line Loans in the amount of the unpaid participation for all purposes of the Loan Documents. In addition, such U.S. Lender shall be deemed to have assigned any and all payments made of principal and interest on its Loans and any other amounts due to it hereunder, to the U.S. Swing Line Lender to fund the amount of such Lender's participation interest in such U.S. Swing Line Loans that such Lender failed to fund pursuant to this Section, until such amount has been purchased in full.

Section 2.5. U.S. L/C Commitment.

(a) During the Availability Period, the U.S. Issuing Bank, in reliance upon the agreements of the other U.S. Lenders pursuant to Section 2.5(d), agrees to issue, at the request of the U.S. Borrower, Letters of Credit for the account of the U.S. Borrower on the terms and conditions hereinafter set forth; provided, that (i) each Letter of Credit shall expire on the earlier of (A) the date one year after the date of issuance of such Letter of Credit (or in the case of any renewal or extension thereof, one year after such renewal or extension) and (B) the date that is five (5) Business Days prior to the Revolving Commitment Termination Date; (ii) each Letter of Credit shall be in a stated amount of at least \$100,000; and (iii) the U.S. Borrower may not request any Letter of Credit, if, after giving effect to such issuance (A) the aggregate U.S. L/C Exposure would exceed the U.S. L/C Commitment or (B) the aggregate U.S. Revolving Credit

Exposure of all U.S. Lenders would exceed the U.S. Facility Commitment Amount. Upon the issuance of each Letter of Credit each U.S. Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the U.S. Issuing Bank without recourse a participation in such Letter of Credit equal to such U.S. Lender's Pro Rata Share of the aggregate amount available to be drawn under such Letter of Credit. Each issuance of a Letter of Credit shall be deemed to utilize the U.S. Facility Commitment of each U.S. Lender by an amount equal to the amount of such participation.

(b) To request the issuance of a Letter of Credit under the U.S. Facility (or any amendment, renewal or extension of an outstanding Letter of Credit), the U.S. Borrower shall give the U.S. Issuing Bank and the Administrative Agent irrevocable written notice at least three (3) Business Days prior to the requested date of such issuance specifying the date (which shall be a Business Day) such Letter of Credit is to be issued (or amended, extended or renewed, as the case may be), the expiration date of such Letter of Credit, the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. In addition to the satisfaction of the conditions in Article V, the issuance of such Letter of Credit (or any amendment which increases the amount of such Letter of Credit) will be subject to the further conditions that such Letter of Credit shall be in such form and contain such terms as the U.S. Issuing Bank shall approve and that the U.S. Borrower shall have executed and delivered any additional applications, agreements and instruments relating to such Letter of Credit as the U.S. Issuing Bank shall reasonably require; provided, that in the event of any conflict between such applications, agreements or instruments and this Agreement, the terms of this Agreement shall control.

(c) At least two Business Days prior to the issuance of any Letter of Credit under the U.S. Facility, the U.S. Issuing Bank will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received such notice and if not, the U.S. Issuing Bank will provide the Administrative Agent with a copy thereof. Unless the U.S. Issuing Bank has received notice from the Administrative Agent on or before the Business Day immediately preceding the date the U.S. Issuing Bank is to issue the requested Letter of Credit (1) directing the U.S. Issuing Bank not to issue the Letter of Credit because such issuance is not then permitted hereunder because of the limitations set forth in Section 2.5(a) or (2) that one or more conditions specified in Article V are not then satisfied, then, subject to the terms and conditions hereof, the U.S. Issuing Bank shall, on the requested date, issue such Letter of Credit in accordance with the U.S. Issuing Bank's usual and customary business practices.

(d) The U.S. Issuing Bank shall examine all documents purporting to represent a demand for payment under a Letter of Credit promptly following its receipt thereof. The U.S. Issuing Bank shall notify the U.S. Borrower and the Administrative Agent of such demand for payment and whether the U.S. Issuing Bank has made or will make a U.S. L/C Disbursement thereunder; provided, that any failure to give or delay in giving such notice shall not relieve the U.S. Borrower of its obligation to reimburse the U.S. Issuing Bank and the U.S. Lenders with respect to such U.S. L/C Disbursement. The U.S. Borrower shall be irrevocably and unconditionally obligated to reimburse the U.S. Issuing Bank for any U.S. L/C Disbursements paid by the U.S. Issuing Bank in respect of such drawing, without presentment, demand or other formalities of any kind. Unless the U.S. Borrower shall have notified the U.S.

Issuing Bank and the Administrative Agent prior to 11:00 a.m. (New York, New York time) on the Business Day immediately prior to the date on which such drawing is honored that the U.S. Borrower intends to reimburse the U.S. Issuing Bank for the amount of such drawing in funds other than from the proceeds of U.S. Revolving Loans, the U.S. Borrower shall be deemed to have timely given a Notice of U.S. Borrowing to the Administrative Agent requesting the U.S. Lenders to make a U.S. Base Rate Advance on the date on which such drawing is honored in an exact amount due to the U.S. Issuing Bank; provided, that for purposes solely of such Borrowing, the conditions precedent set forth in Section 5.2 hereof shall not be applicable. The Administrative Agent shall notify the U.S. Lenders of such Borrowing in accordance with Section 2.3, and each U.S. Lender shall make the proceeds of its U.S. Base Rate Advance included in such Borrowing available to the Administrative Agent for the account of the U.S. Issuing Bank in accordance with Section 4.1. The proceeds of such Borrowing shall be applied directly by the Administrative Agent to reimburse the U.S. Issuing Bank for such U.S. L/C Disbursement and any such Borrowing shall constitute timely repayment of such U.S. L/C Disbursement.

(e) If for any reason a U.S. Base Rate Advance may not be (as determined in the sole discretion of the Administrative Agent), or is not, made in accordance with the foregoing provisions, then each U.S. Lender (other than the U.S. Issuing Bank) shall be obligated to fund the participation that such U.S. Lender purchased pursuant to subsection (a) in an amount equal to its Pro Rata Share of such U.S. L/C Disbursement on and as of the date which such U.S. Base Rate Advance should have occurred. Each U.S. Lender's obligation to fund its participation shall be absolute and unconditional and shall not be affected by any circumstance, including without limitation (i) any setoff, counterclaim, recoupment, defense or other right that such Lender or any other Person may have against the U.S. Issuing Bank or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of the Commitments, (iii) any adverse change in the condition (financial or otherwise) of any Borrower or any of its Subsidiaries, (iv) any breach of this Agreement by any Borrower or any other Lender, (v) any amendment, renewal or extension of any Letter of Credit or (vi) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. On the date that such participation is required to be funded, each U.S. Lender shall promptly transfer, in immediately available funds, the amount of its participation to the Administrative Agent for the account of the U.S. Issuing Bank. Whenever, at any time after the U.S. Issuing Bank has received from any such Lender the funds for its participation in a U.S. L/C Disbursement, the U.S. Issuing Bank (or the Administrative Agent on its behalf) receives any payment on account thereof, the Administrative Agent or the U.S. Issuing Bank, as the case may be, will distribute to such U.S. Lender its Pro Rata Share of such payment; provided, that if such payment is required to be returned for any reason to the U.S. Borrower or to a trustee, receiver, liquidator, custodian or similar official in any bankruptcy proceeding, such U.S. Lender will return to the Administrative Agent or the U.S. Issuing Bank any portion thereof previously distributed by the Administrative Agent or the U.S. Issuing Bank to it.

(f) To the extent that any U.S. Lender shall fail to pay any amount required to be paid pursuant to paragraph (d) above on the due date therefor, such U.S. Lender shall pay interest to the U.S. Issuing Bank (through the Administrative Agent) on such amount from such due date to the date such payment is made at a rate per annum equal to the Federal Funds Rate; provided, that if such U.S. Lender shall fail to make such payment to the U.S. Issuing Bank

within three (3) Business Days of such due date, then, retroactively to the due date, such U.S. Lender shall be obligated to pay interest on such amount at the U.S. Base Rate at all times thereafter.

(g) If any Event of Default shall occur and be continuing, within one Business Day after the U.S. Borrower receives notice from the Administrative Agent or the U.S. Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, the U.S. Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the U.S. Issuing Bank and the U.S. Lenders, an amount in cash equal to the U.S. L/C Exposure as of such date plus any accrued and unpaid fees thereon; provided, that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in clause Section 9.1(f). Such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the U.S. Borrower under this Agreement. The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. U.S. Borrower agrees to execute any documents and/or certificates to effectuate the intent of this paragraph. Such deposits shall be invested solely at the election, as well as the risk and expense, of the Borrower, and if so elected shall be invested solely in Permitted Investments by the Administrative Agent. All interest and other returns resulting from such investment shall be deposited in such account and shall be used, if at all, in accordance with the terms of this Section. Moneys in such account shall be applied by the Administrative Agent to reimburse the U.S. Issuing Bank for U.S. L/C Disbursements for which it had not been reimbursed and to the extent so applied, shall be held for the satisfaction of the reimbursement obligations of the U.S. Borrower for the U.S. LC Exposure at such time or, if the maturity of the Loans has been accelerated, with the consent of the U.S. Required Lenders, be applied to satisfy other obligations of the U.S. Borrower under this Agreement and the other Loan Documents. If the U.S. Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not so applied as aforesaid) shall be returned to the U.S. Borrower within three Business Days after all Events of Default have been cured or waived.

(h) Promptly following the end of each calendar quarter, the U.S. Issuing Bank shall deliver (through the Administrative Agent) to each U.S. Lender and the U.S. Borrower a report describing the aggregate Letters of Credit outstanding at the end of such calendar quarter. Upon the request of any U.S. Lender from time to time, the U.S. Issuing Bank shall deliver to such U.S. Lender any other information reasonably requested by such U.S. Lender with respect to each Letter of Credit then outstanding under the U.S. Facility.

(i) The U.S. Borrower's obligation to reimburse U.S. L/C Disbursements hereunder shall be absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under all circumstances whatsoever and irrespective of any of the following circumstances:

(i) Any lack of validity or enforceability of any Letter of Credit or this Agreement;

(ii) The existence of any claim, set-off, defense or other right which any Borrower or any Subsidiary or Affiliate of any Borrower may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons or entities for whom any such beneficiary or transferee may be acting), any Lender (including the U.S. Issuing Bank) or any other Person, whether in connection with this Agreement or the Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(iii) Any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) Payment by the U.S. Issuing Bank under a Letter of Credit against presentation of a draft or other document to the U.S. Issuing Bank that does not comply with the terms of such Letter of Credit;

(v) Any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the U.S. Borrower's obligations hereunder; or

(vi) The existence of a Default or an Event of Default.

Neither the Administrative Agent, the Canadian Funding Agent, the Issuing Banks, the Lenders nor any Related Party of any of the foregoing shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to above), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the U.S. Issuing Bank; provided, that the foregoing shall not be construed to excuse the U.S. Issuing Bank from liability to the U.S. Borrower to the extent of any actual direct damages (as opposed to special, indirect (including claims for lost profits or other consequential damages), or punitive damages, claims in respect of which are hereby waived by the U.S. Borrower to the extent permitted by applicable law) suffered by the U.S. Borrower that are caused by the U.S. Issuing Bank's failure to exercise due care when determining whether drafts or other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree, that in the absence of gross negligence or willful misconduct on the part of the U.S. Issuing Bank (as finally determined by a court of competent jurisdiction), the U.S. Issuing Bank shall be deemed to have exercised due care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the U.S. Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(j) Each Letter of Credit issued under the U.S. Facility shall be subject to the Uniform Customs and Practices for Documentary Credits (1993 Revision), International Chamber of Commerce Publication No. 500, as the same may be amended from time to time, and, to the extent not inconsistent therewith, the governing law of this Agreement set forth in Section 11.5.

Section 2.6. Reductions of U.S. Facility Commitments. Upon at least five (5) days' prior telephonic notice (promptly confirmed in writing) to the Administrative Agent, the U.S. Borrower shall have the right, without premium or penalty, to terminate the U.S. Facility Commitments, in part or in whole, provided that (i) any such termination shall apply to proportionately and permanently reduce the U.S. Facility Commitment of each of the U.S. Lenders in accordance with their respective Pro Rata Shares, (ii) any partial termination pursuant to this Section 2.6 shall be in an amount of at least \$5,000,000 and integral multiples of \$1,000,000, and (iii) no such reduction shall be permitted which would reduce the U.S. Facility Commitments to an amount less than the sum of (1) the Letter of Credit Obligations under the U.S. Facility, (2) the aggregate outstanding principal amount of the U.S. Revolving Loans under the U.S. Facility and (3) the aggregate outstanding principal amount of the U.S. Swing Line Loans.

Section 2.7. Use of Proceeds. The proceeds of the U.S. Revolving Loans and U.S. Swing Line Loans under the U.S. Facility shall be used for the U.S. Borrower's general corporate purposes, including acquisitions and repayment of debt maturities.

ARTICLE III

AMOUNT AND TERMS OF THE CANADIAN CREDIT FACILITY

Section 3.1. Description of Canadian Credit Facility. Subject to and upon the terms and conditions herein set forth, (a) the Canadian Lenders hereby establish in favor of the Canadian Borrower a revolving credit facility pursuant to which each Canadian Lender severally agrees (to the extent of such Canadian Lender's Canadian Facility Commitment) to make Canadian Loans (including Bankers' Acceptances) to the Canadian Borrower in accordance with Section 3.2 and 3.4, (b) the Canadian Issuing Bank agrees to issue Letters of Credit in accordance with Section 3.10, (c) the Canadian Swing Line Lender agrees to make Canadian Swing Line Loans to the Canadian Borrower in accordance with Section 3.13 and (d) each Canadian Lender agrees to purchase a participation interest in the Letters of Credit issued under the Canadian Facility and Canadian Swing Line Loans in accordance with this Article III; provided, however, that in no event may the U.S. Dollar Equivalent of the aggregate principal amount of all Canadian Loans, the Letter of Credit Obligations outstanding under the Canadian Facility and Canadian Swing Line Exposure exceed at any time the Canadian Facility Commitment Amount then in effect.

Section 3.2. Canadian Loans.

(a) Subject to the terms and conditions set forth herein, each Canadian Lender severally agrees to make Canadian Loans, ratably in proportion to its Pro Rata Share of the Canadian Facility Commitment Amount, to the Canadian Borrower, from time to time during the

Availability Period, in an aggregate principal amount outstanding at any time that will not result in the U.S. Dollar Equivalent of (a) such Canadian Lender's Canadian Revolving Credit Exposure exceeding such Canadian Lender's Canadian Facility Commitment or (b) the sum of the aggregate Canadian Revolving Credit Exposures of all Canadian Lenders exceeding the Canadian Facility Commitment Amount. During the Availability Period, the Canadian Borrower shall be entitled to repay and reborrow Canadian Loans in accordance with the terms and conditions of this Agreement; provided that the Canadian Borrower may not borrow or reborrow should there exist a Default or Event of Default. Canadian Loans made to the Canadian Borrower shall be in either Canadian Dollars or U.S. Dollars, at the option of the Canadian Borrower.

Section 3.3. Procedure for Canadian Borrowings. The Canadian Borrower shall give the Administrative Agent and the Canadian Funding Agent written notice (or telephonic notice promptly confirmed in writing) of each Borrowing to be made under the Canadian Facility (other than BA Advances) substantially in the form of Exhibit F (a "Notice of Canadian Borrowing") (x) prior to 11:30 a.m. (New York time) on the requested date of each Canadian Base Rate Advance and (y) prior to 1:00 p.m. (New York time) three (3) Business Days prior to the requested date of each Canadian LIBOR Advance. Each Notice of Canadian Borrowing shall be irrevocable and shall specify: (i) the aggregate principal amount of such Borrowing, (ii) the date of such Borrowing (which shall be a Business Day), (iii) the Type of such Loan comprising such Borrowing, (iv) whether such Loan comprising such Borrowing will be made in U.S. Dollars or Canadian Dollars, (v) the account of the Canadian Borrower to which the proceeds of such Canadian Loan should be credited and (vi) in the case of a Canadian LIBOR Advance, the duration of the initial Interest Period applicable thereto (subject to the provisions of the definition of Interest Period). Each Advance made under the Canadian Facility shall consist entirely of Canadian Base Rate Advances, BA Advances or Canadian LIBOR Advances, as the Canadian Borrower may request. The aggregate principal amount of each Canadian LIBOR Advance shall be not less than \$5,000,000 or the Canadian Dollar Equivalent thereof or a larger multiple of \$1,000,000 or the Canadian Dollar Equivalent thereof, and the aggregate principal amount of each Canadian Base Rate Advance shall not be less than \$1,000,000 or the Canadian Dollar Equivalent thereof or a larger multiple of \$100,000 or the Canadian Dollar Equivalent thereof; provided, that Canadian Base Rate Advances made pursuant to Section 3.10(e) or Section 3.13(c) may be made in lesser amounts as provided therein. At no time shall the total number of Borrowings outstanding at any time under the Canadian Facility and bearing interest at the Canadian LIBOR Rate exceed twelve. Promptly following the receipt of a Notice of Canadian Borrowing in accordance herewith, the Canadian Funding Agent shall advise each Canadian Lender of the details thereof and the amount of such Canadian Lender's Canadian Loan to be made as part of the requested Borrowing.

Section 3.4. Bankers' Acceptances.

(a) At any time during the Availability Period, by notice in writing to the Canadian Funding Agent and Administrative Agent substantially in the form annexed hereto as Exhibit G ("BA Notice") given at least one (1) Business Day prior to the date of the requested Advance (for the purposes of this Section 3.4 called the "Acceptance Date") and before 1:00 p.m. (Toronto, Ontario time), the Canadian Borrower may request that a BA Advance be made, that one or more Advances not borrowed as BA Advances be converted into one or more BA

Advances or that a BA Advance or any part thereof be extended, as the case may be (the “BA Request”). Bankers’ Acceptances shall be issued on each Acceptance Date, in a minimum amount of Cdn.\$2,000,000 or such greater amount which is an integral multiples of Cdn.\$100,000, with respect to each Interest Period, and shall have an Interest Period of one, two, three or six months, or other period of less than twelve months (subject to availability by all Canadian Lenders) and shall, in no event, mature on a date after the Revolving Commitment Termination Date.

(b) BA Request. Prior to making any BA Request, the Canadian Borrower shall deliver:

(i) to the Canadian Lenders, in the name of each Canadian Lender which is a bank that accepts bankers’ acceptances or depository bills (as defined in the Depository Act), bills of exchange or depository bills in form and substance acceptable to the Canadian Funding Agent and the Canadian Lenders; and

(ii) to the Canadian Lenders, in the name of each Canadian Lender which is not a bank or does not accept bankers’ acceptances or depository bills (as defined in the Depository Act), Discount Notes;

completed and executed by its authorized signatories in sufficient quantity for the Advance requested and in appropriate denominations to facilitate the sale of the Bankers’ Acceptances in the financial markets. No Canadian Lender shall be responsible or liable for its failure to accept a Bankers’ Acceptance hereunder if such failure is due, in whole or in part, to the failure of the Canadian Borrower to give appropriate instructions to the Canadian Funding Agent on a timely basis, nor shall the Canadian Funding Agent or any Canadian Lender be liable for any damage, loss or other claim arising by reason of any loss or improper use of any such instrument except a loss or improper use arising by reason of the gross negligence or willful misconduct of the Canadian Funding Agent, such Canadian Lender, or their respective employees. In order to facilitate issuances of Bankers’ Acceptances pursuant hereto, in accordance with the instructions given from time to time by the Canadian Borrower, the Canadian Borrower hereby authorizes each Canadian Lender, and for this purpose appoints each Canadian Lender its lawful attorney, to complete and sign Bankers’ Acceptances on behalf of the Canadian Borrower, in handwritten or facsimile or mechanical signature or otherwise, and once so completed, signed and endorsed, and following acceptance of them as Bankers’ Acceptances, to provide the Available Proceeds (as defined in Section 3.4(c)) to the Canadian Funding Agent in accordance with the provisions hereof. Drafts so completed, signed, endorsed and negotiated on behalf of the Canadian Borrower by any Canadian Lender shall bind the Canadian Borrower as fully and effectively as if so performed by an authorized officer of the Canadian Borrower. Each Canadian Lender shall maintain a record with respect to such instruments (i) received by it hereunder, (ii) voided by it for any reason, (iii) accepted by it hereunder and (iv) cancelled at their respective maturities. Each Canadian Lender agrees to provide such records to the Canadian Borrower promptly upon request and, at the request of the Canadian Borrower, to cancel such instruments which have been so completed and executed and which are held by such Canadian Lender and have not yet been issued hereunder.

(c) Acceptance Procedure. With respect to any BA Advance:

(i) The Canadian Funding Agent shall promptly notify in writing each Canadian Lender of the details of the proposed issue, specifying:

(a) For each Canadian Lender which is a bank that accepts bankers' acceptances or depository bills (as defined in the Depository Act), (i) the principal amount of the Bankers' Acceptances to be accepted by such Canadian Lender, and (ii) the Interest Period of such Bankers' Acceptances; and

(b) For each Canadian Lender which is not a bank or does not accept bankers' acceptances or depository bills (as defined in the Depository Act), (i) the principal amount of the Discount Notes to be issued to such Canadian Lender, and (ii) the Interest Period of such Discount Notes.

(ii) The Canadian Funding Agent shall establish the Bankers' Acceptance Discount Rate at or about 12:00 p.m. (Toronto, Ontario time) on the Acceptance Date, and the Canadian Funding Agent shall promptly determine the amount of the BA Proceeds.

(iii) Forthwith, and in any event not later than 1:30 p.m. (Toronto, Ontario time) on the Acceptance Date, the Canadian Funding Agent shall indicate in writing to each Canadian Lender:

(a) the Bankers' Acceptance Discount Rate;

(b) the amount of the Stamping Fees applicable to those Bankers' Acceptances to be accepted by such Canadian Lender on the Acceptance Date, calculated by multiplying the appropriate percentage set out in the definition of "Applicable Margin" for Stamping Fees by the nominal amount of each Bankers' Acceptance (taking into account the number of days in the Interest Period), any such Canadian Lenders being authorized by the Canadian Borrower to collect the Stamping Fees out of the BA Proceeds of those Bankers' Acceptances;

(c) the BA Proceeds of the Bankers' Acceptances to be purchased by such Canadian Lender on such Acceptance Date; and

(d) the amount obtained (the "Available Proceeds") by subtracting the Stamping Fees from the BA Proceeds;

(iv) Not later than 3:00 p.m. (Toronto, Ontario time) on the Acceptance Date, each Canadian Lender shall make available to the Canadian Funding Agent its Available Proceeds.

(v) Not later than 4:00 p.m. (Toronto, Ontario time) on the Acceptance Date, the Canadian Funding Agent shall transfer the Available Proceeds to the Canadian Borrower and shall notify the Canadian Borrower on such day either by telex, fax or telephone (if by telephone, to be confirmed subsequently in writing) of the details of the issue.

(d) Purchase of Bankers' Acceptances and Discount Notes. Before giving value to the Canadian Borrower, the Canadian Lenders which:

(i) are banks that accept bankers' acceptances or depository bills (as defined in the Depository Act) shall, on the Acceptance Date, accept the Bankers' Acceptances by inserting the appropriate principal amount, Acceptance Date and maturity date in accordance with the BA Request relating thereto and affixing their acceptance stamps thereto, and shall purchase or sell same; and

(ii) are not banks or do not accept bankers' acceptances or depository bills (as defined in the Depository Act) shall, on the Acceptance Date, complete the Discount Notes by inserting the appropriate principal amount, Acceptance Date and maturity date in accordance with the BA Request relating thereto.

(e) Maturity Date of Bankers' Acceptances. Subject to the applicable notice provisions, at or prior to the maturity date of each Bankers' Acceptance, the Canadian Borrower shall:

(i) give to the Canadian Funding Agent a notice in the form of Exhibit G requesting that the Canadian Lenders convert all or any part of the BA Advance then outstanding by way of Bankers' Acceptances which are maturing into another Type of Borrowing; or

(ii) give to the Canadian Funding Agent a notice in the form of Exhibit G requesting that the Canadian Lenders extend all or any part of the BA Advance outstanding by way of Bankers' Acceptances which are maturing into another BA Advance by issuing new Bankers' Acceptances, subject to compliance with the provisions of Section 3.4 with respect to the minimum amounts; or

(iii) no later than 10:00 a.m. (Toronto, Ontario time), one (1) Business Day prior to the end of the Interest Period of each Bankers' Acceptance then outstanding and reaching maturity, notify the Canadian Funding Agent that it intends to deposit in its account for the account of the Canadian Lenders on the last day of such Interest Period an amount equal to the face amount of each such Bankers' Acceptance.

(f) Deemed Conversions on the Maturity Date. If the Canadian Borrower does not deliver to the Canadian Funding Agent one or more of the notices contemplated by Section 3.4 or does not give the notice and make the deposit contemplated by Section 3.4(e)(iii), the Canadian Borrower shall be deemed to have requested that the part of the BA Advance then outstanding which is reaching maturity be converted into a Canadian Base Rate Advance on the Canadian Prime Rate basis.

(g) Conversion and Extension Mechanism.

(i) If under the conditions of Section 3.4(e)(i) and 3.4(f), the Canadian Borrower requests or is deemed to have requested, as the case may be, that the Canadian Funding Agent convert the portion of the BA Advance which is maturing into an Advance other than a BA Advance, the Canadian Lenders shall pay the Bankers' Acceptances which are outstanding and maturing. Such payments by the Canadian Lenders will constitute an Advance within the meaning of this Agreement and the interest thereon shall be calculated and payable as the Canadian Borrower may request or may be deemed to have requested; or

(ii) If under the conditions of Section 3.4(e)(iii), the Canadian Borrower makes a deposit in its account, the Canadian Borrower hereby expressly and irrevocably authorizes the Canadian Funding Agent to make any debits necessary in its account in order to pay the Bankers' Acceptances which are outstanding and maturing.

(h) Prepayment of Bankers' Acceptances. Notwithstanding any provision hereof, the Canadian Borrower may not prepay any Bankers' Acceptance other than on its maturity date; however, this provision shall not prevent the Canadian Borrower from acquiring, in its discretion but subject to the other provisions of this Agreement, any Bankers' Acceptance in circulation from time to time. Alternatively, the Canadian Borrower may provide to the Canadian Funding Agent cash collateral in an amount equal to the face amount of the Bankers' Acceptances that it wishes to prepay, which cash collateral shall be held by the Canadian Funding Agent in an interest bearing account and used to repay same at maturity.

(i) Apportionment Amongst the Canadian Lenders. The Canadian Funding Agent is authorized by the Canadian Borrower and each Canadian Lender to allocate amongst the Canadian Lenders the Bankers' Acceptances to be issued in such manner and amounts as the Canadian Funding Agent may, in its sole discretion, but acting reasonably, consider necessary, so as to ensure that no Canadian Lender is required to accept a Bankers' Acceptance for a fraction of Cdn.\$100,000, and in such event, the Canadian Lenders' respective participations in any such Bankers' Acceptances and repayments thereof shall be altered accordingly. Further, the Canadian Funding Agent is authorized by the Canadian Borrower and each Canadian Lender to cause the proportionate share of one or more Canadian Lender's Advances (calculated based on its Pro Rata Share) to be exceeded by no more than Cdn.\$100,000 each as a result of such allocations provided that the principal amount of outstanding Advances, including Bankers' Acceptances, shall not thereby exceed the maximum amount of the respective Commitment of each Canadian Lender. Any resulting amount by which the requested face amount of any such Bankers' Acceptance shall have been so reduced shall be advanced, converted or continued, as the case may be, as a Canadian Base Rate Advance on the Canadian Prime Rate basis, to be made contemporaneously with the BA Advance.

(j) Days of Grace. The Canadian Borrower shall not claim from the Canadian Lenders any days of grace for the payment at maturity of any Bankers' Acceptances presented and accepted by the Canadian Lenders pursuant to the provisions of this Agreement. Further, the Canadian Borrower waives any defense to payment which might otherwise exist if for any reason

a Bankers' Acceptance shall be held by any Canadian Lender in its own right at the maturity thereof.

(k) **Obligations Absolute.** The obligations of the Canadian Borrower with respect to Bankers' Acceptances shall be unconditional and irrevocable and shall be paid strictly in accordance with the provisions of this Agreement under all circumstances, including the following circumstances:

(i) any lack of validity or enforceability of any draft accepted by any Canadian Lender as a Bankers' Acceptance; or

(ii) the existence of any claim, set-off, defense or other right which the Canadian Borrower may have at any time against the holder of a Bankers' Acceptance, the Canadian Lenders, or any other Person or entity, whether in connection with this Agreement or otherwise.

(l) If at any time or from time to time there no longer exists a market for Bankers' Acceptances, for a selected Canadian Dollar Equivalent or an Interest Period, a Canadian Lender shall so advise the Canadian Funding Agent and the Administrative Agent and such Canadian Lender shall not be obliged to accept drafts of the Canadian Borrower presented to such Canadian Lender pursuant to the provisions of this Agreement nor to honor any notices of borrowing in connection with any BA Advance.

(m) If a notice has been given by the Canadian Funding Agent or the Administrative Agent in accordance with Section 3.4(l), the BA Advance, or any part thereof, shall not be made (whether as an Advance, a conversion or an extension) by the Canadian Lenders and the right of the Canadian Borrower to choose that Advances be made or, once made, be converted or extended into the BA Advance, shall be suspended until such time as the Canadian Funding Agent and Administrative Agent have determined that the circumstances having given rise to such suspension no longer exist, in respect of which determination the Canadian Funding Agent shall advise the Canadian Borrower within a reasonable time period.

(n) Bankers' Acceptances may be issued in the form of a depository bill and deposited with a clearing house, both terms as defined in the Depository Act. The Canadian Funding Agent and the Canadian Borrower shall agree to the procedures to be followed, acting reasonably. The Canadian Lenders are also authorized at such time to issue depository bills as replacements for previously issued Bankers' Acceptances, on the same terms as those replaced, and deposit them with a clearing house against cancellation of the previously issued Bankers' Acceptances.

Section 3.5. Mandatory Prepayments of Canadian Facility Loans. If the U.S. Dollar Equivalent of the aggregate outstanding principal amount of the Loans under the Canadian Facility and the Canadian Lenders' Canadian L/C Exposure exceeds at any time the Canadian Facility Commitment Amount as reduced pursuant to Section 3.6 or otherwise, the Canadian Borrower shall immediately repay the Loans under the Canadian Facility by an amount equal to such excess. Each prepayment shall be applied in the following order: first to Base Rate Advances comprising Canadian Loans to the full extent thereof and second to Canadian LIBOR

Advances comprising Canadian Loans to the full extent thereof. In the event that following such reduction, the sum of all outstanding BA Advances and the Canadian Lenders' Canadian L/C Exposure still exceeds the Canadian Facility Commitment Amount, the Canadian Borrower shall immediately deliver to the Canadian Funding Agent an amount in U.S. Dollars or Canadian Dollars equal to the amount of such excess to be held by the Canadian Funding Agent in a cash collateral account as security for repayment of such outstanding BA Advances and Letters of Credit.

Section 3.6. Reductions of Canadian Facility Commitments. Upon at least three (3) days' prior telephonic notice (promptly confirmed in writing) to the Administrative Agent and Canadian Funding Agent, the Canadian Borrower shall have the right, without premium or penalty, to terminate the Canadian Facility Commitments, in part or in whole, provided that (i) any such termination shall apply to proportionately and permanently reduce the Canadian Facility Commitment of each of the Canadian Lenders in accordance with their respective Pro Rata Shares, (ii) any partial termination pursuant to this Section 3.6 shall be in an amount of at least \$5,000,000 or the Canadian Dollar Equivalent thereof and integral multiples of \$1,000,000 or the Canadian Dollar Equivalent thereof, and (iii) no such reduction shall be permitted which would reduce the Canadian Facility Commitments to an amount less than the aggregate outstanding principal amount of the Loans under the Canadian Facility and the Canadian Lenders' Canadian L/C Exposure plus the Canadian Lenders' Canadian Swing Line Exposure.

Section 3.7. Use of Proceeds Under Canadian Facility. The proceeds of the Canadian Loans and the Canadian Swing Line Loans under the Canadian Facility shall be used for the Canadian Borrower's general corporate purposes.

Section 3.8. Canadian Dollar Provisions.

(a) Each Canadian Lender's Pro Rata Share of each Canadian Dollar Loan shall be determined by reference to its U.S. Dollar Equivalent on the date each such Canadian Dollar Loan is made.

(b) If payment is not made in the Currency due under this Agreement (the "Contractual Currency") or if any court or tribunal shall render a judgment or order for the payment of amounts due hereunder or under the Notes and such judgment is expressed in a Currency other than the Contractual Currency, the relevant Borrower shall indemnify and hold the relevant Lenders harmless against any deficiency incurred by such Lenders with respect to the amount received by such Lenders to the extent the rate of exchange at which the Contractual Currency is convertible into the Currency actually received or the Currency in which the judgment is expressed (the "Received Currency") is not the reciprocal of the rate of exchange at which the Administrative Agent or the Canadian Funding Agent, as the case may be, would be able to purchase the Contractual Currency with the Received Currency, in each case on the Business Day following receipt of the Received Currency in accordance with normal banking procedures. If the court or tribunal has fixed the date on which the rate of exchange is determined for the conversion of the judgment Currency into the Contractual Currency (the "Conversion Date") and if there is a change in the rate of exchange prevailing between the Conversion Date and the date of receipt by the relevant Lenders, then the relevant Borrower will,

notwithstanding such judgment or order, pay such additional amount (if any) as may be necessary to ensure that the amount paid in the Received Currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount then due to the relevant Lenders from such Borrower hereunder in the Contractual Currency.

(c) If a Borrower shall wind up, liquidate, dissolve or become a debtor in bankruptcy while there remains outstanding: (i) any amounts owing to the Lenders hereunder or under the Notes, (ii) any damages owing to the Lenders in respect of a breach of any of the terms hereof, or (iii) any judgment or order rendered in respect of such amounts or damages, such Borrower shall indemnify and hold the Lenders harmless against any deficiency with respect to the Contractual Currency in the amounts received by the Lenders arising or resulting from any variation as between: (i) the rate of exchange at which the Contractual Currency is converted into another currency (the "Liquidation Currency") for purposes of such winding-up, liquidation, dissolution or bankruptcy with regard to the amount in the Contractual Currency due or contingently due hereunder or under the Notes or under any judgment or order to which the relevant obligations hereunder or under the Notes shall have been merged and (ii) the rate of exchange at which Administrative Agent or the Canadian Funding Agent, as the case may be, would, in accordance with normal banking procedures, be able to purchase the Contractual Currency with the Liquidation Currency at the earlier of (A) the date of payment of such amounts or damages and (B) the final date or dates for the filing of proofs of a claim in a winding-up, liquidation, dissolution or bankruptcy. As used in the preceding sentence, the "final date" or dates for the filing of proofs of a claim in a winding-up, liquidation, dissolution or bankruptcy shall be the date fixed by the liquidator under the applicable law as being the last practicable date as of which the liabilities of such Borrower may be ascertained for such winding-up, liquidation, dissolution or bankruptcy before payment by the liquidator or other appropriate Person in respect thereof.

Section 3.9. Exchange Rates.

(a) Not later than 2:00 p.m. (Toronto, Ontario time) on each date of determination, the Administrative Agent or the Canadian Funding Agent, as the case may be, shall (A) determine the Exchange Rate as of such date of determination with respect to Canadian Dollars, and (B) give notice thereof to the Canadian Lenders and the Canadian Borrower. The Exchange Rates so determined shall become effective on the first Business Day immediately following the relevant date of determination (a "Reset Date"), shall remain effective until the next succeeding Reset Date, and shall for all purposes of this Agreement, other than as provided in Section 3.8 (b) or (c), be the Exchange Rates employed in determining the U.S. Dollar Equivalent of any amounts of such Canadian Dollar.

(b) Not later than 5:00 p.m. (Toronto, Ontario time) on each Reset Date and each date of determination, the Administrative Agent or the Canadian Funding Agent, as the case may be, shall (A) determine the U.S. Dollar Equivalent of the aggregate principal amounts of the Canadian Dollar Advances (after giving effect to any Loans and/or Bankers' Acceptances being made, issued, repaid, or cancelled or reduced on such date), and (B) notify the Canadian Lenders, Agents and the Canadian Borrower of the results of such determination.

Section 3.10. Canadian L/C Commitment.

(a) During the Availability Period, the Canadian Issuing Bank, in reliance upon the agreements of the other Canadian Lenders pursuant to Section 3.10(e), agrees to issue, at the request of the Canadian Borrower, Letters of Credit for the account of the Canadian Borrower on the terms and conditions hereinafter set forth; provided, that (i) each Letter of Credit shall expire on the earlier of (A) the date one year after the date of issuance of such Letter of Credit (or in the case of any renewal or extension thereof, one year after such renewal or extension) and (B) the date that is five (5) Business Days prior to the Revolving Commitment Termination Date; (ii) each Letter of Credit shall be in a stated amount of at least Cdn.\$100,000; and (iii) the Canadian Borrower may not request any Letter of Credit, if, after giving effect to such issuance (A) the aggregate U.S. Dollar Equivalent of Canadian L/C Exposure would exceed the Canadian L/C Commitment or (B) the aggregate U.S. Dollar Equivalent of the Canadian Revolving Credit Exposure of all Canadian Lenders would exceed the Canadian Facility Commitment Amount. Upon the issuance of each Letter of Credit each Canadian Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Canadian Issuing Bank without recourse a participation in such Letter of Credit equal to such Canadian Lender's Pro Rata Share of the aggregate amount available to be drawn under such Letter of Credit. Each issuance of a Letter of Credit shall be deemed to utilize the Canadian Facility Commitment of each Canadian Lender by an amount equal to the amount of such participation.

(b) To request the issuance of a Letter of Credit under the Canadian Facility (or any amendment, renewal or extension of an outstanding Letter of Credit), the Canadian Borrower shall give the Canadian Issuing Bank, the Canadian Funding Agent and the Administrative Agent irrevocable written notice at least three (3) Business Days prior to the requested date of such issuance specifying the date (which shall be a Business Day) such Letter of Credit is to be issued (or amended, extended or renewed, as the case may be), the expiration date of such Letter of Credit, the amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. In addition to the satisfaction of the conditions in Article V, the issuance of such Letter of Credit (or any amendment which increases the amount of such Letter of Credit) will be subject to the further conditions that such Letter of Credit shall be in such form and contain such terms as the Canadian Issuing Bank shall approve and that the Canadian Borrower shall have executed and delivered any additional applications, agreements and instruments relating to such Letter of Credit as the Canadian Issuing Bank shall reasonably require; provided, that in the event of any conflict between such applications, agreements or instruments and this Agreement, the terms of this Agreement shall control.

(c) At least two Business Days prior to the issuance of any Letter of Credit under the Canadian Facility, the Canadian Issuing Bank will confirm with the Canadian Funding Agent and the Administrative Agent (by telephone or in writing) that the Canadian Funding Agent and the Administrative Agent have received such notice and if not, the Canadian Issuing Bank will provide the Canadian Funding Agent and the Administrative Agent with a copy thereof. Unless the Canadian Issuing Bank has received notice from either the Canadian Funding Agent or the Administrative Agent on or before the Business Day immediately preceding the date the Canadian Issuing Bank is to issue the requested Letter of Credit (1) directing the Canadian Issuing Bank not to issue the Letter of Credit because such issuance is not then permitted hereunder because of the limitations set forth in Section 3.10(a) or (2) that one or more conditions specified in Article V are not then satisfied, then, subject to the terms and

conditions hereof, the Canadian Issuing Bank shall, on the requested date, issue such Letter of Credit in accordance with the Canadian Issuing Bank's usual and customary business practices.

(d) The Canadian Issuing Bank shall examine all documents purporting to represent a demand for payment under a Letter of Credit issued under the Canadian Facility promptly following its receipt thereof. The Canadian Issuing Bank shall notify the Canadian Borrower, the Canadian Funding Agent and the Administrative Agent of such demand for payment and whether the Canadian Issuing Bank has made or will make a Canadian L/C Disbursement thereunder; provided, that any failure to give or delay in giving such notice shall not relieve the Canadian Borrower of its obligation to reimburse the Canadian Issuing Bank and the Canadian Lenders with respect to such Canadian L/C Disbursement. The Canadian Borrower shall be irrevocably and unconditionally obligated to reimburse the Canadian Issuing Bank for any Canadian L/C Disbursements paid by the Canadian Issuing Bank in respect of such drawing, without presentment, demand or other formalities of any kind. Unless the Canadian Borrower shall have notified the Canadian Issuing Bank, the Canadian Funding Agent and the Administrative Agent prior to 11:00 a.m. (New York, New York time) on the Business Day immediately prior to the date on which such drawing is honored that the Canadian Borrower intends to reimburse the Canadian Issuing Bank for the amount of such drawing in funds other than from the proceeds of Canadian Loans, the Canadian Borrower shall be deemed to have timely given a Notice of Canadian Borrowing to the Canadian Funding Agent requesting the Canadian Lenders to make a Canadian Base Rate Advance (on the Canadian US Base Rate if the relevant Letter of Credit was in U.S. Dollars and otherwise on the Canadian Prime Rate) in the currency of the subject Letter of Credit on the date on which such drawing is honored in an exact amount due to the Canadian Issuing Bank; provided, that for purposes solely of such Borrowing, the conditions precedent set forth in Section 5.2 hereof shall not be applicable. The Canadian Funding Agent shall notify the Canadian Lenders of such Borrowing in accordance with Section 3.3, and each Canadian Lender shall make the proceeds of its Canadian Base Rate Advance included in such Borrowing available to the Canadian Funding Agent for the account of the Canadian Issuing Bank in accordance with Section 4.1. The proceeds of such Borrowing shall be applied directly by the Canadian Funding Agent to reimburse the Canadian Issuing Bank for such Canadian L/C Disbursement and any such Borrowing shall constitute timely repayment of such Canadian L/C Disbursement.

(e) If for any reason a Canadian Base Rate Advance may not be (as determined in the sole discretion of the Canadian Funding Agent), or is not, made in accordance with the foregoing provisions, then each Canadian Lender (other than the Canadian Issuing Bank) shall be obligated to fund the participation that such Canadian Lender purchased pursuant to subsection (a) in an amount equal to its Pro Rata Share of such Canadian L/C Disbursement on and as of the date which such Canadian Base Rate Advance should have occurred. Each Canadian Lender's obligation to fund its participation shall be absolute and unconditional and shall not be affected by any circumstance, including without limitation (i) any setoff, counterclaim, recoupment, defense or other right that such Lender or any other Person may have against the Canadian Issuing Bank or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of the Commitments, (iii) any adverse change in the condition (financial or otherwise) of any Borrower or any of its Subsidiaries, (iv) any breach of this Agreement by any Borrower or any other Lender, (v) any amendment, renewal or extension of any Letter of Credit or (vi) any other circumstance,

happening or event whatsoever, whether or not similar to any of the foregoing. On the date that such participation is required to be funded, each Canadian Lender shall promptly transfer, in immediately available funds in the currency of the subject Letter of Credit, the amount of its participation to the Canadian Funding Agent for the account of the Canadian Issuing Bank. Whenever, at any time after the Canadian Issuing Bank has received from any such Lender the funds for its participation in a Canadian L/C Disbursement, the Canadian Issuing Bank (or the Canadian Funding Agent on its behalf) receives any payment on account thereof, the Canadian Funding Agent or the Canadian Issuing Bank, as the case may be, will distribute to such Canadian Lender its Pro Rata Share of such payment; provided, that if such payment is required to be returned for any reason to the Canadian Borrower or to a trustee, receiver, liquidator, custodian or similar official in any bankruptcy proceeding, such Canadian Lender will return to the Canadian Funding Agent or the Canadian Issuing Bank any portion thereof previously distributed by the Canadian Funding Agent or the Canadian Issuing Bank to it.

(f) To the extent that any Canadian Lender shall fail to pay any amount required to be paid pursuant to paragraph (d) on the due date therefor, such Canadian Lender shall pay interest to the Canadian Issuing Bank (through the Canadian Funding Agent) on such amount from such due date to the date such payment is made at a rate per annum equal to the Federal Funds Rate; provided, that if such Canadian Lender shall fail to make such payment to the Canadian Issuing Bank within three (3) Business Days of such due date, then, retroactively to the due date, such Canadian Lender shall be obligated to pay interest on such amount as set forth in Section 4.7(b).

(g) If any Event of Default shall occur and be continuing, on the Business Day that the Canadian Borrower receives notice from the Canadian Funding Agent or the Canadian Required Lenders demanding the deposit of cash collateral pursuant to this paragraph, the Canadian Borrower shall deposit in an account with the Canadian Funding Agent, in the name of the Canadian Funding Agent and for the benefit of the Canadian Issuing Bank and the Canadian Lenders, an amount in cash equal to the Canadian L/C Exposure as of such date plus any accrued and unpaid fees thereon; provided, that the obligation to deposit such cash collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or notice of any kind, upon the occurrence of any Event of Default with respect to any Borrower described in Section 9.1(f). Such deposit shall be held by the Canadian Funding Agent as collateral for the payment and performance of the obligations of the Canadian Borrower under this Agreement. The Canadian Funding Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Canadian Borrower agrees to execute any documents and/or certificates to effectuate the intent of this paragraph. Such deposits shall be invested solely at the election, as well as the risk and expense, of the Borrower, and if so elected shall be invested solely in Permitted Investments by the Administrative Agent. All interest and other returns resulting from such investment shall be deposited in such account and shall be used, if at all, in accordance with the terms of this Section. Moneys in such account shall be applied by the Canadian Funding Agent to reimburse the Canadian Issuing Bank for Canadian L/C Disbursements for which it had not been reimbursed and to the extent so applied, shall be held for the satisfaction of the reimbursement obligations of the Canadian Borrower for the Canadian L/C Exposure at such time or, if the maturity of the Loans has been accelerated, with the consent of the Canadian Required Lenders, be applied to satisfy other obligations of the Canadian Borrower under this Agreement and the

other Loan Documents. If the Canadian Borrower is required to provide an amount of cash collateral hereunder as a result of the occurrence of an Event of Default, such amount (to the extent not so applied as aforesaid) shall be returned to the Canadian Borrower within three Business Days after all Events of Default have been cured or waived.

(h) Promptly following the end of each calendar quarter, the Canadian Issuing Bank shall deliver (through the Canadian Funding Agent) to each Canadian Lender, the Administrative Agent and the Canadian Borrower a report describing the aggregate Letters of Credit outstanding at the end of such calendar quarter. Upon the request of any Canadian Lender from time to time, the Canadian Issuing Bank shall deliver to such Canadian Lender any other information reasonably requested by such Canadian Lender with respect to each Letter of Credit then outstanding under the Canadian Facility.

(i) The Canadian Borrower's obligation to reimburse Canadian L/C Disbursements hereunder shall be absolute, unconditional and irrevocable and shall be performed strictly in accordance with the terms of this Agreement under all circumstances whatsoever and irrespective of any of the following circumstances:

(i) Any lack of validity or enforceability of any Letter of Credit or this Agreement;

(ii) The existence of any claim, set-off, defense or other right which any Borrower or any Subsidiary or Affiliate of any Borrower may have at any time against a beneficiary or any transferee of any Letter of Credit (or any Persons or entities for whom any such beneficiary or transferee may be acting), any Lender (including the Canadian Issuing Bank) or any other Person, whether in connection with this Agreement or the Letter of Credit or any document related hereto or thereto or any unrelated transaction;

(iii) Any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;

(iv) Payment by the Canadian Issuing Bank under a Letter of Credit against presentation of a draft or other document to the Canadian Issuing Bank that does not comply with the terms of such Letter of Credit;

(v) Any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section, constitute a legal or equitable discharge of, or provide a right of setoff against, the Canadian Borrower's obligations hereunder; or

(vi) The existence of a Default or an Event of Default.

Neither the Administrative Agent, the Canadian Funding Agent, the Issuing Banks, the Lenders nor any Related Party of any of the foregoing shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to above), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or

other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Canadian Issuing Bank; provided, that the foregoing shall not be construed to excuse the Canadian Issuing Bank from liability to the Canadian Borrower to the extent of any actual direct damages (as opposed to special, indirect (including claims for lost profits or other consequential damages), or punitive damages, claims in respect of which are hereby waived by the Canadian Borrower to the extent permitted by applicable law) suffered by the Canadian Borrower that are caused by the Canadian Issuing Bank's failure to exercise due care when determining whether drafts or other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree, that in the absence of gross negligence or willful misconduct on the part of the Canadian Issuing Bank (as finally determined by a court of competent jurisdiction), the Canadian Issuing Bank shall be deemed to have exercised due care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, the Canadian Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

(j) Each Letter of Credit issued under the Canadian Facility shall be subject to the Uniform Customs and Practices for Documentary Credits (1993 Revision), International Chamber of Commerce Publication No. 500, as the same may be amended from time to time, and, to the extent not inconsistent therewith, the governing law of this Agreement set forth in Section 11.5.

Section 3.11. Interest Act. For the purposes of the Interest Act of Canada, any amount of interest or fees calculated on the Canadian Facility using 360, 365 or 366 days per year and expressed as an annual rate is equal to the said rate of interest or fees multiplied by the actual number of days comprised within the calendar year, divided by 360, 365 or 366, as the case may be. The parties agree that all interest under the Canadian Facility in this Agreement will be calculated using the nominal rate method and not the effective rate method, and that the deemed re-investment principle shall not apply to such calculations. In addition, the parties acknowledge that there is a material distinction between the nominal and effective rates of interest and that they are capable of making the calculations necessary to compare such rates.

Section 3.12. Excess Resulting From Exchange Rate Change. Any time that, following one or more fluctuations in the exchange rate of the Dollar against the Canadian Dollar which remains in effect for three (3) days, the sum of:

- (a) the Canadian Dollar Equivalent of Loans in U.S. Dollars; and
- (b) the Loans in Canadian Dollars; and
- (c) the Canadian Lenders' Canadian L/C Exposure in Canadian Dollars.

exceeds the amount then available under the Canadian Facility, the Canadian Borrower shall promptly and, in any case, within ten (10) days thereafter, either (i) make the necessary payments or repayments to the Canadian Funding Agent to reduce the Loans to an amount equal to or less than the available amount under the Canadian Facility or (ii) maintain or cause to be maintained with the Canadian Funding Agent, deposits of Canadian Dollars in an amount equal to or greater than the amount by which the Loans exceed the available amount of the Canadian Facility, such deposits to be maintained in such form and upon such terms as are acceptable to the Canadian Funding Agent. Without in any way limiting the foregoing provisions, the Canadian Funding Agent shall, on the date of each request for an Advance or on the date of any interest payment, make the necessary exchange rate calculations to determine whether any such excess exists on such date and, if there is an excess, it shall so notify the Canadian Borrower.

Section 3.13. Canadian Swing Line Commitment.

(a) Subject to the terms and conditions set forth herein, the Canadian Swing Line Lender agrees to make Canadian Swing Line Loans to the Canadian Borrower, from time to time during the Availability Period, in an aggregate principal amount outstanding at any time not to exceed the lesser of (i) the Canadian Swing Line Commitment then in effect and (ii) the Canadian Facility Commitment Amount minus the Canadian Revolving Loans and Canadian L/C Exposure; provided, that the Canadian Swing Line Lender shall not be required to make a Canadian Swing Line Loan to refinance an outstanding Canadian Swing Line Loan. The Canadian Borrower shall be entitled to borrow, repay and reborrow Canadian Swing Line Loans in accordance with the terms and conditions of this Agreement.

(b) The Canadian Borrower shall give the Canadian Funding Agent and the Administrative Agent written notice (or telephonic notice promptly confirmed in writing) of each Canadian Swing Line Borrowing substantially in the form of Exhibit J attached hereto ("Notice of Canadian Swing Line Borrowing") prior to 1:00 p.m. (Toronto, Canada time) on the requested date of each Canadian Swing Line Borrowing. Each Notice of Canadian Swing Line Borrowing shall be irrevocable and shall specify: (i) the principal amount of such Canadian Swing Line Loan, (ii) the date of such Canadian Swing Line Loan (which shall be a Business Day) and (iii) the account of the Canadian Borrower to which the proceeds of such Canadian Swing Line Loan should be credited. The Canadian Funding Agent will promptly advise the Canadian Swing Line Lender of each Notice of Canadian Swing Line Borrowing. Each Canadian Swing Line Loan shall accrue interest at the Canadian Swing Line Rate and shall have an Interest Period (subject to the definition thereof) as agreed between the Canadian Borrower and the Canadian Swing Line Lender. The aggregate principal amount of each Canadian Swing Line Loan shall be not less than Cdn.\$100,000 or a larger multiple of Cdn.\$50,000, or such other minimum amounts agreed to by the Canadian Swing Line Lender and the Canadian Borrower. The Canadian Swing Line Lender will make the proceeds of each Canadian Swing Line Loan available to the Canadian Borrower in Canadian Dollars in immediately available funds at the account specified by the Canadian Borrower in the applicable Notice of Canadian Swing Line Borrowing not later than 2:00 p.m. (Toronto, Canada time) on the requested date of such Canadian Swing Line Loan.

(c) The Canadian Swing Line Lender, at any time and from time to time in its sole discretion, may, on behalf of the Canadian Borrower (which hereby irrevocably authorizes and directs the Canadian Swing Line Lender to act on its behalf), give a Notice of Canadian

Borrowing to the Canadian Funding Agent and the Administrative Agent requesting the Canadian Lenders (including the Canadian Swing Line Lender) to make Canadian Base Rate Advances in an amount equal to the unpaid principal amount of any Canadian Swing Line Loan. Each Canadian Lender will make the proceeds of its Canadian Base Rate Advance included in such Borrowing available to the Canadian Funding Agent for the account of the Canadian Swing Line Lender in accordance with Section 4.1, which will be used solely for the repayment of such Canadian Swing Line Loan.

(d) If for any reason a Canadian Base Rate Borrowing may not be (as determined in the sole discretion of the Canadian Funding Agent), or is not, made in accordance with the foregoing provisions, then each Canadian Lender (other than the Canadian Swing Line Lender) shall purchase an undivided participating interest in such Canadian Swing Line Loan in an amount equal to its Pro Rata Share thereof on the date that such Canadian Base Rate Borrowing should have occurred. On the date of such required purchase, each Canadian Lender shall promptly transfer, in immediately available funds, the amount of its participating interest to the Canadian Funding Agent for the account of the Canadian Swing Line Lender. If such Canadian Swing Line Loan bears interest at a rate other than the Canadian Prime Rate, such Canadian Swing Line Loan shall automatically become a Canadian Base Rate Loan on the effective date of any such participation and interest shall become payable on demand.

(e) Each Canadian Lender's obligation to make a Canadian Base Rate Loan pursuant to Section 3.13(c) or to purchase the participating interests pursuant to Section 3.13(d) shall be absolute and unconditional and shall not be affected by any circumstance, including without limitation (i) any setoff, counterclaim, recoupment, defense or other right that such Lender or any other Person may have or claim against the Canadian Swing Line Lender, the Canadian Borrower or any other Person for any reason whatsoever, (ii) the existence of a Default or an Event of Default or the termination of any Lender's Canadian Facility Commitment, (iii) the existence (or alleged existence) of any event or condition which has had or could reasonably be expected to have a Material Adverse Effect, (iv) any breach of this Agreement or any other Loan Document by any Borrower, the Administrative Agent, the Canadian Funding Agent or any Lender or (v) any other circumstance, happening or event whatsoever, whether or not similar to any of the foregoing. If such amount is not in fact made available to the Canadian Swing Line Lender by any Canadian Lender, the Canadian Swing Line Lender shall be entitled to recover such amount on demand from such Canadian Lender, together with accrued interest thereon for each day from the date of demand thereof at the Canadian Prime Rate. Until such time as such Canadian Lender makes its required payment, the Canadian Swing Line Lender shall be deemed to continue to have outstanding Canadian Swing Line Loans in the amount of the unpaid participation for all purposes of the Loan Documents. In addition, such Canadian Lender shall be deemed to have assigned any and all payments made of principal and interest on its Loans and any other amounts due to it hereunder, to the Canadian Swing Line Lender to fund the amount of such Lender's participation interest in such Canadian Swing Line Loans that such Lender failed to fund pursuant to this Section, until such amount has been purchased in full.

ARTICLE IV
GENERAL PAYMENT PROVISIONS

Section 4.1. Funding of Borrowings.

(a) Each Lender will make available each Loan to be made by it hereunder on the proposed date thereof by wire transfer in immediately available funds by 3:00 p.m. (New York time) to the Administrative Agent or the Canadian Funding Agent, as applicable, at such Agent's Payment Office; provided, that the Swing Line Loans will be made as set forth in Section 2.4 and 3.13, as applicable. The Administrative Agent or the Canadian Funding Agent, as applicable, will make such Loans available to the applicable Borrower by promptly crediting the amounts that it receives, in like funds by the close of business on such proposed date, to an account maintained by the applicable Borrower with the Administrative Agent or the Canadian Funding Agent, as applicable, or at such Borrower's option, by effecting a wire transfer of such amounts to an account designated by such to the Administrative Agent or the Canadian Funding Agent, as applicable.

(b) Unless the Administrative Agent or the Canadian Funding Agent, as applicable, shall have been notified by any Lender prior to 5:00 p.m. (New York time) one (1) Business Day prior to the date of a Borrowing in which such Lender is to participate that such Lender will not make available to the Administrative Agent or the Canadian Funding Agent, as applicable, such Lender's share of such Borrowing, the Administrative Agent or the Canadian Funding Agent, as applicable, may assume that such Lender has made such amount available to the Administrative Agent or the Canadian Funding Agent, as the case may be, on such date, and the Administrative Agent or the Canadian Funding Agent, as the case may be, in reliance on such assumption, may make available to the relevant Borrower on such date a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent or the Canadian Funding Agent, as applicable, by such Lender on the date of such Borrowing, the Administrative Agent or the Canadian Funding Agent, as applicable, shall be entitled to recover such corresponding amount on demand from such Lender together with interest at the Federal Funds Rate until the second Business Day after such demand and thereafter at the U.S. Base Rate. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's or the Canadian Funding Agent's, as applicable, demand therefor, the Administrative Agent or the Canadian Funding Agent, as applicable, shall promptly notify the relevant Borrower, and the relevant Borrower shall immediately pay such corresponding amount to the Administrative Agent or the Canadian Funding Agent, as applicable, together with interest at the rate specified for such Borrowing. Nothing in this subsection shall be deemed to relieve any Lender from its obligation to fund its Pro Rata Share of any Borrowing hereunder or to prejudice any rights which any Borrower may have against any Lender as a result of any default by such Lender hereunder.

(c) All Borrowings shall be made by the Lenders on the basis of their respective Pro Rata Shares. No Lender shall be responsible for any default by any other Lender in its obligations hereunder, and each Lender shall be obligated to make its Loans provided to be made by it hereunder, regardless of the failure of any other Lender to make its Loans hereunder.

Section 4.2. Interest Elections.

(a) Each Borrowing initially shall be of the Type specified in the applicable Notice of Borrowing, and in the case of a LIBOR Advance, shall have an initial Interest Period as specified in such Notice of Borrowing. Thereafter, the applicable Borrower may elect to convert such Borrowing into a different Type or to continue such Borrowing, and in the case of a LIBOR Advance, may elect Interest Periods therefor, all as provided in this Section. The applicable Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing. This Section shall NOT apply to Swing Line Borrowings, which may not be converted or continued.

(b) To make an election pursuant to this Section, the applicable Borrower shall give the Administrative Agent or the Canadian Funding Agent, as applicable, prior written notice (or telephonic notice promptly confirmed in writing) of each Borrowing substantially in the form of Exhibit H attached hereto (a "Notice of Conversion/Continuation") that is to be converted or continued, as the case may be, (x) prior to 11:30 a.m. (New York time) on the requested date of a conversion into a Borrowing consisting of Base Rate Advances and (y) prior to 1:00 p.m. (New York time) three (3) Business Days prior to a continuation of or conversion into a Borrowing consisting of LIBOR Advances. Each such Notice of Conversion/Continuation shall be irrevocable and shall specify (i) the Borrowing to which such Notice of Continuation/Conversion applies and if different options are being elected with respect to different portions thereof, the portions thereof that are to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) shall be specified for each resulting Borrowing); (ii) the effective date of the election made pursuant to such Notice of Continuation/Conversion, which shall be a Business Day; (iii) whether the resulting Borrowing is to be a Base Rate Advance or a LIBOR Advance; and (iv) if the resulting Borrowing is to be a LIBOR Advance, the Interest Period applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of "Interest Period". If any such Notice of Continuation/Conversion requests a LIBOR Advance but does not specify an Interest Period, the applicable Borrower shall be deemed to have selected an Interest Period of one month. The principal amount of any resulting Borrowing shall satisfy the minimum borrowing amount for LIBOR Borrowings and Base Rate Borrowings set forth in Section 2.3 or Section 3.3, as applicable.

(c) If, on the expiration of any Interest Period in respect of any LIBOR Advance, the relevant Borrower shall have failed to deliver a Notice of Conversion/ Continuation, then, unless such Borrowing is repaid as provided herein, such Borrower shall be deemed to have elected to convert such Borrowing to a Base Rate Advance (on the Canadian Prime Rate basis, in the case of the Canadian Borrower). No Borrowing may be converted into, or continued as, a LIBOR Advance if a Default or an Event of Default exists, unless the Administrative Agent, the Canadian Funding Agent and each of the Lenders shall have otherwise consented in writing. No conversion of any Eurodollar Loans shall be permitted except on the last day of the Interest Period in respect thereof.

(d) Upon receipt of any Notice of Conversion/Continuation, the Administrative Agent or the Canadian Funding Agent, as applicable, shall promptly notify each relevant Lender and the other Agent of the details thereof and of such Lender's portion of each resulting Borrowing.

Section 4.3. Optional Termination of Commitments.

(a) Unless previously terminated, all Commitments shall terminate on the Revolving Commitment Termination Date.

(b) Upon at least three (3) Business Days' prior written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent (which notice shall be irrevocable), the Borrowers may terminate the Commitments in whole provided that at the time of such termination all amounts due to the Lenders shall have been repaid.

Section 4.4. Repayment of Loans.

(a) The outstanding principal amount of all Loans shall be due and payable (together with accrued and unpaid interest thereon) on the Revolving Commitment Termination Date.

(b) The principal amount of each Swing Line Loan shall be due and payable (together with accrued and unpaid interest thereon) on the earlier of (i) the last day of the Interest Period applicable to such Borrowing and (ii) the Revolving Commitment Termination Date.

Section 4.5. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice appropriate records evidencing the Debt of any Borrower to such Lender resulting from each Loan made by such Lender from time to time, including the amounts of principal and interest payable thereon and paid to such Lender from time to time under this Agreement. The Administrative Agent and the Canadian Funding Agent, as applicable, shall maintain appropriate records in which shall be recorded (i) the Commitment of each Lender, (ii) the amount of each Loan made hereunder by each Lender, the Type thereof and the Interest Period applicable thereto, (iii) the date of each continuation thereof pursuant to Section 4.2 or 3.4(e) or (f), (iv) the date of each conversion of all or a portion thereof to another Type pursuant to Section 4.2 or 3.4(e) or (f), (v) the date and amount of any principal or interest due and payable or to become due and payable from such Borrower to each Lender hereunder in respect of such Loans and (vi) both the date and amount of any sum received by the Administrative Agent or the Canadian Funding Agent, as applicable, hereunder from the Borrowers in respect of the Loans and each Lender's Pro Rata Share thereof. The entries made in such records shall be *prima facie* evidence of the existence and amounts of the obligations of the Borrowers therein recorded; provided, that the failure or delay of any Lender, the Canadian Funding Agent or the Administrative Agent in maintaining or making entries into any such record or any error therein shall not in any manner affect the obligation of the Borrowers to repay the Loans (both principal and unpaid accrued interest) of such Lender in accordance with the terms of this Agreement.

(b) At the request of any Lender (including any Swing Line Lender) at any time, each Borrower agrees that it will execute and deliver to such Lender a Note payable to the order of such Lender.

Section 4.6. Optional Prepayments. Each Borrower shall have the right at any time and from time to time to prepay any Borrowing, in whole or in part, without premium or penalty, by giving irrevocable written notice (or telephonic notice promptly confirmed in writing) to the Administrative Agent or the Canadian Funding Agent, as applicable, no later than (i) in the case of prepayment of any LIBOR Advances or BA Advance, 1:00 p.m. (New York time) not less than three (3) Business Days prior to any such prepayment, (ii) in the case of any prepayment of any Base Rate Advance, not less than one Business Day prior to the date of such prepayment, and (iii) in the case of Swing Line Loans, prior to 1:00 p.m. (New York time) on the date of such prepayment. Each such notice shall be irrevocable and shall specify the proposed date of such prepayment and the principal amount of each Borrowing or portion thereof to be prepaid. Upon receipt of any such notice, the Administrative Agent or the Canadian Funding Agent, as applicable, shall promptly notify each affected Lender of the contents thereof and of such Lender's Pro Rata Share of any such prepayment. If such notice is given, the aggregate amount specified in such notice shall be due and payable on the date designated in such notice, together with accrued interest to such date on the amount so prepaid in accordance with Section 4.7; provided, that if a LIBOR Advance is prepaid on a date other than the last day of an Interest Period applicable thereto, the applicable Borrower shall also pay all amounts required pursuant to Section 4.13. Each partial prepayment of any Loan (other than a Swing Line Loan) shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type pursuant to Section 2.3 or Section 3.3, as applicable, or in the case of a Swing Line Loan pursuant to Section 2.4 or Section 3.13, as applicable. Each prepayment of a Borrowing shall be applied ratably to the Loans comprising such Borrowing.

Section 4.7. Interest on Loans.

(a) Subject to subsection (d) below, each Borrower agrees to pay interest in respect of all unpaid principal amounts of the Loans from the respective dates such principal amounts were advanced to maturity (whether by acceleration, notice of prepayment or otherwise) at rates per annum equal to the applicable rates indicated below:

- (i) For a Base Rate Advance—The Base Rate in effect from time to time;
- (ii) For a U.S. LIBOR Advance—The relevant Adjusted LIBO Rate plus the Applicable Margin; and
- (iii) For a Canadian LIBOR Advance—The Canadian LIBOR Rate plus the Applicable Margin.

Subject to subsection (c) below, U.S. Borrower agrees to pay interest in respect of all unpaid principal amounts of the U.S. Swing Line Loans made to U.S. Borrower from the respective dates such principal amounts were advanced to maturity (whether by acceleration, notice of prepayment or otherwise) at the U.S. Swing Line Rate in effect from time to time. Subject to subsection (c) below, Canadian Borrower agrees to pay interest in respect of all unpaid principal amounts of the Canadian Swing Line Loans made to Canadian Borrower from the respective dates such principal amounts were advanced to maturity (whether by acceleration, notice of prepayment or otherwise) at the Canadian Swing Line Rate in effect from time to time.

(b) If any Event of Default has occurred and is continuing, each Borrower agrees to pay interest in respect of all its Loans, and all other amounts owing hereunder, at the following rates per annum:

(i) in the case of all Loans outstanding as Fixed Rate Advances, at the rate applicable for the then-current Interest Period plus an additional two percent (2.0%) per annum and, following the termination of such Interest Period, at the rate in effect for Base Rate Advances plus an additional two percent (2.0%) per annum; and

(ii) in the case of all Loans outstanding as Base Rate Advances and all other Obligations hereunder (other than Loans), at the rate in effect for Base Rate Advances plus an additional two percent (2.0%) per annum.

(c) Interest on the principal amount of each Loan shall accrue from and including the date such Loan is made to but excluding the date of any repayment thereof; provided that, if the principal amount of any Loan is repaid on the same day made, one day's interest shall be paid on such principal. Interest on all outstanding Base Rate Advances and Swing Line Advances shall be payable quarterly in arrears on the last day of each calendar quarter, commencing on June 30, 2006. Interest on all outstanding Fixed Rate Advances shall be payable on the last day of each Interest Period applicable thereto, and, in the case of Advances (other than BA Advances) having an Interest Period in excess of three months, on each day which occurs every three months after the initial date of such Interest Period. Interest on all Loans shall be payable on any conversion of any Advance comprising such Loans into an Advance of another Type, prepayment (on the amount prepaid), at maturity (whether by acceleration, notice of prepayment or otherwise) and, after maturity, on demand.

(d) The Administrative Agent, upon determining the Adjusted LIBO Rate for any Interest Period, shall promptly notify by telephone (confirmed in writing) or in writing the U.S. Borrower and the U.S. Lenders. Any such determination shall, absent manifest error, be final, conclusive and binding for all purposes.

(e) The Canadian Funding Agent, upon determining the Canadian LIBOR Rate for any Interest Period, shall promptly notify by telephone (confirmed in writing) or in writing the Canadian Borrower and the Canadian Lenders. Any such determination shall, absent manifest error, be final, conclusive and binding for all purposes.

Section 4.8. Fees.

(a) The U.S. Borrower shall pay to the Administrative Agent for its own account fees in the amounts and at the times previously agreed upon in writing by the U.S. Borrower and the Administrative Agent.

(b) The U.S. Borrower shall pay to the Administrative Agent, for the ratable benefit of each U.S. Lender based upon its respective Pro Rata Share of the U.S. Facility Commitments, quarterly in arrears on the last day of each calendar quarter, commencing on June 30, 2006, on the Revolving Commitment Termination Date and on any other date on which the U.S. Facility Commitments are terminated pursuant to Section 4.3(b), a facility fee (the "U.S. Revolving Loan Facility Fee") and, together with the Canadian Revolving Loan Facility Fee, the

“Revolving Loan Facility Fees”) equal to (i) the Applicable Percentage for the Revolving Loan Commitments then in effect *multiplied by* (ii) the daily average U.S. Facility Commitments outstanding during such quarter or during the period ending on the Revolving Commitment Termination Date; provided, that if any U.S. Lender continues to have any U.S. Revolving Credit Exposure after the Revolving Loan Termination Date, then the facility fee shall continue to accrue on the daily amount of such U.S. Revolving Credit Exposure from and after the Revolving Loan Termination Date to the date that all of such Lender’s Revolving Credit Exposure has been paid in full.

(c) The Canadian Borrower shall pay in U.S. Dollars to the Canadian Funding Agent, for the ratable benefit of each Canadian Lender based upon its respective Pro Rata Share of the Canadian Facility Commitments, quarterly in arrears on the last day of each calendar quarter, commencing on June 30, 2006 and on the Revolving Commitment Termination Date and on any other date on which the Canadian Facility Commitments are terminated pursuant to Section 4.3(b), a facility fee (the “Canadian Revolving Loan Facility Fee” equal to (i) the Applicable Percentage for the Revolving Loan Commitments then in effect *multiplied by* (ii) the daily average Canadian Facility Commitments outstanding during such quarter or during the period ending on the Revolving Commitment Termination Date; provided, that if any Canadian Lender continues to have any Canadian Revolving Credit Exposure after the Revolving Loan Termination Date, then the facility fee shall continue to accrue on the daily amount of such Revolving Credit Exposure from and after the Revolving Loan Termination Date to the date that all of such Lender’s Revolving Credit Exposure has been paid in full.

(d) U.S. Borrower shall pay to the Administrative Agent for the ratable benefit of each U.S. Lender based upon its respective Pro Rata Share of the U.S. Facility Commitments quarterly in arrears on the last day of each calendar quarter, commencing on June 30, 2006 and on the Revolving Loan Termination Date, a letter of credit fee (the “U.S. Letter of Credit Fee”) equal to (i) the Applicable Margin for U.S. LIBOR Advances outstanding under the Revolving Loan Commitments then in effect *multiplied by* (ii) the daily average Letter of Credit Obligations outstanding under the U.S. Facility during such quarter or during the period ending on the Revolving Loan Termination Date, if any; provided, however, that if an Event of Default has occurred and is continuing, for purposes of computing the U.S. Letter of Credit Fee, the Applicable Margin for U.S. LIBOR Advances outstanding under the Revolving Loan Commitments shall be increased by two percentage points.

(e) Canadian Borrower shall pay to the Canadian Funding Agent for the ratable benefit of each Canadian Lender based upon its respective Pro Rata Share of the Canadian Facility Commitments quarterly in arrears on the last day of each calendar quarter, commencing on June 30, 2006 and on the Revolving Loan Termination Date, a letter of credit fee (the “Canadian Letter of Credit Fee”) equal to (i) the Applicable Margin for Canadian LIBOR Advances outstanding under the Revolving Loan Commitments then in effect *multiplied by* (ii) the daily average Letter of Credit Obligations outstanding under the Canadian Facility during such quarter or during the period ending on the Revolving Loan Termination Date, if any; provided, however, that if an Event of Default has occurred and is continuing, for purposes of computing the Canadian Letter of Credit Fee, the Applicable Margin for Canadian LIBOR Advances outstanding under the Revolving Loan Commitments shall be increased by two percentage points.

(f) U.S. Borrower shall pay to the U.S. Issuing Bank for its own account, on the date of issuance of any Letter of Credit issued under the U.S. Facility, a one time issuance fee (the "U.S. Facing Fee") equal to 0.10% of the face amount of such Letter of Credit plus other customary administrative charges.

(g) Canadian Borrower shall pay to the Canadian Issuing Bank for its own account, on the date of issuance of any Letter of Credit issued under the Canadian Facility, a one time issuance fee (the "Canadian Facing Fee") equal to 0.10% of the face amount of such Letter of Credit plus other customary administrative charges.

(h) The Canadian Borrower agrees to pay to Canadian Lenders, for their own account, Stamping Fees in accordance with Section 3.4 hereof.

Section 4.9. Computation of Interest and Fees. All computations of interest on Fixed Rate Advances (other than BA Advances) shall be made on the basis of a year of 360 days for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest is payable (to the extent computed on the basis of days elapsed), and all computations of interest on Base Rate Advances, Fees or other Obligations shall be made on the basis of a year of 365 days (or 366 days in any leap year) for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest or fees are payable (to the extent computed on the basis of days elapsed). Interest on Base Rate Advances shall be calculated daily based on the Base Rate, from and including the date of such Advance to but excluding the date of the repayment or conversion thereof. Interest on Fixed Rate Advances shall be calculated daily as to each Interest Period from and including the first day thereof to but excluding the last day thereof. Each determination by the Administrative Agent or the Canadian Funding Agent of an interest rate or fee hereunder shall be made in good faith and, except for manifest error, shall be final, conclusive and binding for all purposes.

Section 4.10. Inability to Determine Interest Rates. If prior to the commencement of any Interest Period for any LIBOR Advance,

(i) the Administrative Agent or the Canadian Funding Agent, as applicable, shall have determined (which determination shall be conclusive and binding upon the Borrowers) that, by reason of circumstances affecting the relevant interbank market, adequate means do not exist for ascertaining the Adjusted LIBO Rate or the Canadian LIBOR Rate for such Interest Period, or

(ii) the Administrative Agent or the Canadian Funding Agent shall have received notice from the Required Lenders, the Required Canadian Lenders or the Required U.S. Lenders that the Adjusted LIBO Rate or the Canadian LIBOR Rate does not adequately and fairly reflect the cost to such Lenders (or Lender, as the case may be) of making, funding or maintaining their (or its, as the case may be) LIBOR Advances for such Interest Period,

the Administrative Agent or the Canadian Funding Agent, as the case may be, shall give written notice (or telephonic notice, promptly confirmed in writing) to the applicable Borrower and to the applicable Lenders as soon as practicable thereafter. In the case of LIBOR Advances, until the Administrative Agent or the Canadian Funding Agent, as the case may be, shall notify the applicable Borrower and the affected Lenders that the circumstances giving rise to such notice no longer exist, (i) the obligations of the affected Lenders to make LIBOR Advances or to continue or convert outstanding Loans as or into LIBOR Advances shall be suspended and (ii) all such affected Loans shall be converted into Base Rate Advances on the last day of the then current Interest Period applicable thereto unless the applicable Borrower prepays such Loans in accordance with this Agreement. Unless the Borrowers notify the Administrative Agent and the Canadian Funding Agent, if applicable, at least one Business Day before the date of any LIBOR Advance for which a Notice of Borrowing has previously been given that it elects not to borrow on such date, then such Borrowing shall be made as a Base Rate Advance.

Section 4.11. Illegality. If any Change in Law shall make it unlawful or impossible for any Lender to make, maintain or fund any LIBOR Advance or BA Advance and such Lender shall so notify the Administrative Agent or the Canadian Funding Agent, as applicable, the Administrative Agent or the Canadian Funding Agent, as applicable, shall promptly give notice thereof to the relevant Borrower and the other relevant Lenders, whereupon until such Lender notifies the Administrative Agent or the Canadian Funding Agent, as applicable and the relevant Borrower that the circumstances giving rise to such suspension no longer exist, the obligation of such Lender to make LIBOR Advances or BA Advances, or to continue or convert outstanding Loans as or into LIBOR Advances or BA Advances, shall be suspended. In the case of the making of a LIBOR Advances or BA Advances, such Lender's Loan shall be made as a Base Rate Advance as part of the same Revolving Borrowing for the same Interest Period and if the affected LIBOR Advances or BA Advances is then outstanding, such Loan shall be converted to a Base Rate Advance either (i) on the last day of the then current Interest Period applicable to such LIBOR Advances or BA Advances if such Lender may lawfully continue to maintain such Loan to such date or (ii) immediately if such Lender shall determine that it may not lawfully continue to maintain such LIBOR Advance or BA Advance to such date. Notwithstanding the foregoing, the affected Lender shall, prior to giving such notice to the Administrative Agent or the Canadian Funding Agent, as applicable, designate a different Applicable Lending Office if such designation would avoid the need for giving such notice and if such designation would not otherwise be disadvantageous to such Lender in the good faith exercise of its discretion.

Section 4.12. Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit or similar requirement that is not otherwise included in the determination of the Adjusted LIBO Rate or the Canadian LIBOR Rate hereunder against assets of, deposits with or for the account of, or credit extended by, any Lender (except any such reserve requirement reflected in the Adjusted LIBO Rate or the Canadian LIBOR Rate) or any Issuing Bank; or

(ii) impose on any Lender or on any Issuing Bank or the eurodollar interbank market any other condition affecting this Agreement or any LIBOR Advances made by such Lender or any Letter of Credit or any participation therein;

and the result of either of the foregoing is to increase the cost to such Lender of making, converting into, continuing or maintaining a LIBOR Advances or to increase the cost to such Lender or such Issuing Bank of participating in or issuing any Letter of Credit or to reduce the amount received or receivable by such Lender or such Issuing Bank hereunder (whether of principal, interest or any other amount), then the applicable Borrower shall promptly pay, upon written notice from and demand by such Lender on such Borrower (with a copy of such notice and demand to the Administrative Agent or the Canadian Funding Agent, as applicable), to the Administrative Agent or the Canadian Funding Agent, as applicable, for the account of such Lender, within five Business Days after the date of such notice and demand, additional amount or amounts sufficient to compensate such Lender or such Issuing Bank, as the case may be, for such additional costs incurred or reduction suffered.

(b) If any Lender or any Issuing Bank shall have determined that on or after the date of this Agreement any Change in Law regarding capital requirements has or would have the effect of reducing the rate of return on such Lender's or such Issuing Bank's capital (or on the capital of such Lender's or such Issuing Bank's parent corporation) as a consequence of its obligations hereunder or under or in respect of any Letter of Credit to a level below that which such Lender or such Issuing Bank or such Lender's or such Issuing Bank's parent corporation could have achieved but for such Change in Law (taking into consideration such Lender's or such Issuing Bank's policies or the policies of such Lender's or such Issuing Bank's parent corporation with respect to capital adequacy) by an amount deemed by such Lender to be material, then, from time to time, within five (5) Business Days after receipt by the applicable Borrower of written demand by such Lender (with a copy thereof to the Administrative Agent and the Canadian Funding Agent, as applicable), the relevant Borrower shall pay to such Lender such additional amounts as will compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's parent corporation for any such reduction suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or such Issuing Bank or such Lender's or such Issuing Bank's parent corporation, as the case may be, specified in paragraph (a) or (b) of this Section shall be delivered to the applicable Borrower (with a copy to the Administrative Agent or the Canadian Funding Agent, as applicable) and shall be conclusive, absent manifest error. The applicable Borrower shall pay any such Lender or such Issuing Bank, as the case may be, such amount or amounts within 10 days after receipt thereof.

(d) Failure or delay on the part of any Lender or any Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or such Issuing Bank's right to demand such compensation; provided, that no Borrower shall be required to compensate a Lender or a Issuing Bank under this Section for any increased costs or reductions incurred more than six (6) months prior to the date that such Lender or such Issuing Bank notifies such Borrower of such increased costs or reductions and of such Lender's or such Issuing Bank's intention to claim compensation therefor; provided further, that if the Change in

Law giving rise to such increased costs or reductions is retroactive, then such six-month period shall be extended to include the period of such retroactive effect.

Section 4.13. Funding Indemnity. In the event of (a) the payment of any principal of a Fixed Rate Advance other than on the last day of the Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion or continuation of a Fixed Rate Advance other than on the last day of the Interest Period applicable thereto or (c) the failure by any Borrower to borrow, prepay, convert or continue any Fixed Rate Advance on the date specified in any applicable notice (regardless of whether such notice is withdrawn or revoked), then, in any such event, the U.S. Borrower shall compensate each U.S. Lender or the Canadian Borrower shall compensate each Canadian Lender, within five (5) Business Days after written demand from such Lender, for any loss, cost or expense attributable to such event. In the case of a Fixed Rate Advance, such loss, cost or expense shall be deemed to include an amount determined by such Lender to be the excess, if any, of (A) the amount of interest that would have accrued on the principal amount of such Fixed Rate Advance if such event had not occurred at the Adjusted LIBO Rate or Canadian LIBOR Rate, as the case may be, applicable to such Fixed Rate Advance for the period from the date of such event to the last day of the then current Interest Period therefor (or in the case of a failure to borrow, convert or continue, for the period that would have been the Interest Period for such Fixed Rate Advance) over (B) the amount of interest that would accrue on the principal amount of such Fixed Rate Advance for the same period if the Adjusted LIBO Rate or the Canadian LIBOR Rate, as the case may be, were set on the date such Fixed Rate Advance was prepaid or converted or the date on which the applicable Borrower failed to borrow, convert or continue such Fixed Rate Advance. A certificate as to any additional amount payable under this Section 4.14 submitted to the applicable Borrower by any Lender (with a copy to the Administrative Agent and the Canadian Funding Agent, if applicable) shall be conclusive, absent manifest error.

Section 4.14. Residency of Canadian Lenders and Canadian Funding Agent

(a) Each Canadian Lender represents and warrants to the Canadian Borrower, the Administrative Agent, and the Canadian Funding Agent that it is (i) resident in Canada for purposes of the ITA or (ii) deemed to be resident in Canada for purposes of Part XIII of the ITA in respect of any amounts paid or credited to it under this Agreement. Each Canadian Lender further represents and warrants to the Canadian Borrower, the Administrative Agent, and the Canadian Funding Agent that in respect of any amounts paid or credited to it under this Agreement, such Canadian Lender will be entitled to receive such amount free and clear of, and without any obligation on the part of the Canadian Borrower to make any withholding or deduction for or on account of any taxes imposed by Canada or any subdivision or taxing authority thereof. Each Canadian Lender covenants and agrees to promptly advise the Canadian Borrower, the Administrative Agent, and the Canadian Funding Agent if either representation becomes incorrect in any material respect, and to cooperate with the Borrower and to provide information necessary to determine the amount of any deduction or withholding of taxes in respect of payments made to such Canadian Lender as contemplated in Section 4.15 of this Agreement. A Canadian Lender shall no longer be entitled to receive any payment under Section 4.15 if it ceases to be (i) resident in Canada for purposes of the ITA or (ii) deemed to be resident in Canada for purposes of Part XIII of the ITA in respect of any amounts paid or credited to it under this Agreement.

(b) The Canadian Funding Agent represents and warrants to the Canadian Borrower and the Administrative Agent that it is (i) resident in Canada for purposes of the ITA or (ii) deemed to be resident in Canada for purposes of Part XIII of the ITA in respect of any amounts paid or credited to it under this Agreement. The Canadian Funding Agent further represents and warrants to the Canadian Borrower and the Administrative Agent that in respect of any amounts paid or credited to it under this Agreement, the Canadian Funding Agent will be entitled to receive such amount free and clear of, and without any obligation on the part of the Canadian Borrower to make any withholding or deduction for or on account of any taxes imposed by Canada or any subdivision or taxing authority thereof. The Canadian Funding Agent covenants and agrees to promptly advise the Canadian Borrower and the Administrative Agent if either representation becomes incorrect in any material respect, and to cooperate with the Canadian Borrower and to provide information necessary to determine the amount of any deduction or withholding of taxes in respect of payments made to such Canadian Lender as contemplated in Section 4.15 of this Agreement. The Canadian Funding Agent shall no longer be entitled to receive any payment under Section 4.15 if it ceases to be (i) resident in Canada for purposes of the ITA or (ii) deemed to be resident in Canada for purposes of Part XIII of the ITA in respect of any amounts paid or credited to it under this Agreement.

Section 4.15. Taxes.

(a) Any and all payments by or on account of any obligation of any Borrower hereunder shall be made free and clear of and without deduction for any Indemnified Taxes or Other Taxes; provided, that if any Borrower shall be required to deduct any Indemnified Taxes or Other Taxes from such payments, then, except as otherwise provided in Sections 4.14 and 11.4, (i) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section) the Administrative Agent, the Canadian Funding Agent, any Lender or any Issuing Bank (as the case may be) shall receive an amount equal to the sum it would have received had no such deductions been made, (ii) such Borrower shall make such deductions and (iii) such Borrower shall pay the full amount deducted to the relevant governmental authority in accordance with applicable law.

(b) In addition, except as otherwise provided in Sections 4.14 and 11.4, the Borrowers shall pay any Other Taxes to the relevant governmental authority in accordance with applicable law.

(c) Except as otherwise provided in Section 11.4, the U.S. Borrower shall indemnify the Administrative Agent, each U.S. Lender and the U.S. Issuing Bank, within five (5) Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent, such U.S. Lender or the U.S. Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrowers hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant governmental authority. A certificate as to the amount of such payment or liability delivered to the U.S. Borrower by a U.S. Lender or the U.S. Issuing Bank, or by the Administrative Agent on its own

behalf or on behalf of a U.S. Lender or the U.S. Issuing Bank, shall be conclusive absent manifest error.

(d) Except as otherwise provided in Sections 4.14 and 11.4, the Canadian Borrower shall indemnify the Canadian Funding Agent, each Canadian Lender and the Canadian Issuing Bank, within five (5) Business Days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Canadian Funding Agent, such Canadian Lender or the Canadian Issuing Bank, as the case may be, on or with respect to any payment by or on account of any obligation of the Borrowers hereunder (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section) and any penalties, interest and reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant governmental authority. A certificate as to the amount of such payment or liability delivered to the Canadian Borrower by a Canadian Lender or the Canadian Issuing Bank, or by the Canadian Funding Agent on its own behalf or on behalf of a Canadian Lender or the Canadian Issuing Bank, shall be conclusive absent manifest error.

(e) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by the Borrowers to a governmental authority, the Borrowers shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such governmental authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent and the Canadian Funding Agent.

(f) Any Foreign Lender that is entitled to an exemption from or reduction of withholding tax under the Code or any treaty to which the United States is a party, with respect to payments under this Agreement shall deliver to the U.S. Borrower (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the U.S. Borrower as will permit such payments to be made without withholding or at a reduced rate. Without limiting the generality of the foregoing, each Foreign Lender agrees that it will deliver to the Administrative Agent and the U.S. Borrower (or in the case of a Participant, to the U.S. Lender from which the related participation shall have been purchased), as appropriate, two (2) duly completed copies of (i) Internal Revenue Service Form W-8 ECI, or any successor form thereto, certifying that the payments received from the U.S. Borrower hereunder are effectively connected with such Foreign Lender's conduct of a trade or business in the United States; or (ii) Internal Revenue Service Form W-8 BEN, or any successor form thereto, certifying that such Foreign Lender is entitled to benefits under an income tax treaty to which the United States is a party which reduces the rate of withholding tax on payments of interest; or (iii) Internal Revenue Service Form W-8 BEN, or any successor form prescribed by the Internal Revenue Service, together with a certificate (A) establishing that the payment to the Foreign Lender qualifies as "portfolio interest" exempt from U.S. withholding tax under Code section 871(h) or 881(c), and (B) stating that (1) the Foreign Lender is not a bank for purposes of Code section 881(c)(3)(A), or the obligation of the U.S. Borrower hereunder is not, with respect to such Foreign Lender, a loan agreement entered into in the ordinary course of its trade or business, within the meaning of that section; (2) the Foreign Lender is not a 10% shareholder of the U.S. Borrower within the meaning of Code section 871(h)(3) or 881(c)(3)(B); and (3) the Foreign Lender is not a

controlled foreign corporation that is related to the U.S. Borrower within the meaning of Code section 881(c)(3)(C); or (iv) such other Internal Revenue Service forms as may be applicable to the Foreign Lender, including Forms W-8 IMY or W-8 EXP. Each such Foreign Lender shall deliver to the U.S. Borrower and the Administrative Agent such forms on or before the date that it becomes a party to this Agreement (or in the case of a Participant, on or before the date such Participant purchases the related participation). In addition, each such Foreign Lender shall deliver such forms promptly upon the obsolescence or invalidity of any form previously delivered by such Foreign Lender. Each such Foreign Lender shall promptly notify the U.S. Borrower and the Administrative Agent at any time that it determines that it is no longer in a position to provide any previously delivered certificate to the U.S. Borrower (or any other form of certification adopted by the Internal Revenue Service for such purpose).

Section 4.16. Payments Generally; Pro Rata Treatment; Sharing of Set-offs.

(a) The Borrowers shall make each payment required to be made by them hereunder (whether of principal, interest, fees or reimbursement of L/C Disbursements, or of amounts payable under Sections 4.12, 4.13 or 4.15, or otherwise) prior to 12:00 noon (New York, New York time) on the date when due, in immediately available funds, free and clear of any defenses, rights of set-off, counterclaim, or withholding or deduction of taxes, subject to Sections 4.14 and 4.15. Any amounts received after such time on any date may, in the discretion of the Administrative Agent or the Canadian Funding Agent, as applicable, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to the Administrative Agent or the Canadian Funding Agent, as applicable, at its respective Payment Office, except payments to be made directly to any Issuing Bank or any Swing Line Lender as expressly provided herein and except that payments pursuant to Sections 4.12, 4.13, 4.15 and 11.3 shall be made directly to the Persons entitled thereto. The Administrative Agent or the Canadian Funding Agent, as applicable, shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment hereunder shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day, and, in the case of any payment accruing interest, interest thereon shall be made payable for the period of such extension. All payments hereunder shall be made in U.S. Dollars, except for Advances funded in Canadian Dollars, which shall be repaid, including interest thereon, in Canadian Dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent or the Canadian Funding Agent, as applicable, to pay fully all amounts of principal, unreimbursed L/C Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of interest and fees then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of interest and fees then due to such parties, and (ii) second, towards payment of principal and unreimbursed L/C Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed L/C Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of set-off or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans or participations in L/C Disbursements or Swing Line Loans that would result in such Lender

receiving payment of a greater proportion of the aggregate amount of its Loans and participations in L/C Disbursements and Swing Line Loans and accrued interest thereon than the proportion received by any other Lender, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans and participations in L/C Disbursements and Swing Line Loans of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans and participations in L/C Disbursements and Swing Line Loans; provided, that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest, and (ii) the provisions of this paragraph shall not be construed to apply to any payment made by the Borrowers pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Disbursements or Swing Line Loans to any assignee or participant, other than to any Borrower or any Subsidiary or Affiliate thereof (as to which the provisions of this paragraph shall apply). Each Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against such Borrower rights of set-off and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of such Borrower in the amount of such participation.

(d) Unless the Administrative Agent or the Canadian Funding Agent, as applicable, shall have received notice from the applicable Borrower prior to the date on which any payment is due to the Administrative Agent or the Canadian Funding Agent, as applicable, for the account of the applicable Lenders or the applicable Issuing Bank hereunder that such Borrower will not make such payment, the Administrative Agent or the Canadian Funding Agent, as applicable, may assume that such Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption, distribute to the applicable Lenders or the applicable Issuing Bank, as the case may be, the amount or amounts due. In such event, if the relevant Borrower has not in fact made such payment, then each of the applicable Lenders or the applicable Issuing Bank, as the case may be, severally agrees to repay to the Administrative Agent or the Canadian Funding Agent, as applicable, forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent or the Canadian Funding Agent, as applicable, at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent or the Canadian Funding Agent, as applicable, in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.4, 2.5, 3.11, 3.13 or 11.3(d), then the Administrative Agent or the Canadian Funding Agent, as applicable, may, in its discretion (notwithstanding any contrary provision hereof), apply any amounts thereafter received by the Administrative Agent or the Canadian Funding Agent, as applicable, for the account of such Lender to satisfy such Lender's obligations under such Sections until all such unsatisfied obligations are fully paid.

Section 4.17. Extension of Revolving Commitment Termination Date. (a) At least 45 days but not more than 60 days prior to any Anniversary Date, the Borrowers, by written

notice to the Administrative Agent, may request an extension of the Revolving Commitment Termination Date in effect at such time by one calendar year from the then scheduled Revolving Commitment Termination Date. The Administrative Agent shall promptly notify each Lender and the Canadian Funding Agent of such request, and each Lender shall in turn, in its sole discretion, at least 20 days but not more than 30 days prior to the applicable Anniversary Date, notify the Borrowers and the Administrative Agent in writing as to whether such Lender will consent to such extension. If any Lender shall fail to notify the Administrative Agent and the Borrowers in writing of its consent to any such request for extension of the Revolving Commitment Termination Date by the 20th day prior to the applicable Anniversary Date, such Lender shall be deemed to be a Non-Consenting Lender with respect to such request. The Administrative Agent shall notify the Borrowers not later than the 20th day prior to such Anniversary Date of the decision of the Lenders regarding the Borrowers' request for an extension of the Revolving Commitment Termination Date.

(b) If all of the Lenders consent in writing to any such request in accordance with subsection (a) of this [Section 4.17](#), the Revolving Commitment Termination Date shall, effective as at such next Anniversary Date (the "[Extension Date](#)"), be extended for one calendar year from the then scheduled Revolving Commitment Termination Date; provided that on each Extension Date, no Default or Event of Default shall have occurred and be continuing, or shall occur as a consequence thereof. If Lenders holding at least a majority in interest of the aggregate Commitments at such time consent in writing to any such request in accordance with subsection (a) of this [Section 4.17](#), the Revolving Commitment Termination Date in effect at such time shall, effective as at the applicable Extension Date, be extended as to those Lenders that so have consented (each a "[Consenting Lender](#)") but shall not be extended as to any other Lender (each a "[Non-Consenting Lender](#)"). To the extent that the Revolving Commitment Termination Date is not extended as to any Lender pursuant to this [Section 4.17](#) and the Commitments of such Lender are not assumed in accordance with subsection (c) of this [Section 4.17](#) on or prior to the applicable Extension Date, (i) the Commitments of such Non-Consenting Lender shall automatically terminate in whole on such unextended Revolving Commitment Termination Date without any further notice or other action by the Borrowers, such Lender or any other Person; (ii) such Non-Consenting Lender shall have received from the applicable Borrower the aggregate principal amount of, and any interest accrued and unpaid to the effective date of the such extension on, the outstanding Advances, if any, of such Non-Consenting Lender *plus* any accrued but unpaid facility fees owing to such Non-Consenting Lender as of such date and all other amounts payable hereunder to such Non-Consenting Lender and (iii) such Non-Consenting Lender's rights under [Sections 4.12, 4.13, 4.15, 11.3](#) and its obligations under [Section 11.5](#), shall survive the Revolving Commitment Termination Date for such Lender as to matters occurring prior to such date. It is understood and agreed that no Lender shall have any obligation whatsoever to agree to any request made by the Borrowers for any requested extension of the Revolving Commitment Termination Date.

(c) If Lenders holding at least 51% of the aggregate Commitments at any time consent to any such request pursuant to subsection (a) of this [Section 4.17](#), the Borrowers may arrange for one or more Consenting Lenders or, to the extent that the Consenting Lenders decline to assume any Non-Consenting Lender's Commitment, other Eligible Assignees (each such Eligible Assignee that accepts an offer to assume a Non-Consenting Lender's Commitment as of the applicable Extension Date and each Eligible Assignee that accepts an offer to participate in a

requested Commitment Increase in accordance with Section 4.18(c) being an “Assuming Lender”) to assume, effective as of the Extension Date, any Non-Consenting Lender’s Commitment and all of the obligations of such Non-Consenting Lender under this Agreement thereafter arising, without recourse to or warranty by, or expense to, such Non-Consenting Lender; provided, however, that if the Borrowers make an offer to any Consenting Lender to assume any Non-Consenting Lender’s Commitment, they shall make such offer to all Consenting Lenders on a pro rata basis based on their respective Commitments and such Non-Consenting Lender’s Commitment shall be allocated among those Consenting Lenders which accept such offer on a pro rata basis based on their respective Commitments, provided further however, that the amount of the Commitment of any such Assuming Lender as a result of such substitution shall in no event be less than \$5,000,000 unless the amount of the Commitment of such Non-Consenting Lender is less than \$5,000,000, in which case such Assuming Lender shall assume all of such lesser amount; and provided further that:

(i) any such Consenting Lender or Assuming Lender shall have paid to such Non-Consenting Lender (A) the aggregate principal amount of, and any interest accrued and unpaid to the effective date of the assignment on, the outstanding Advances, if any, of such Non-Consenting Lender *plus* (B) any accrued but unpaid facility fees owing to such Non-Consenting Lender as of the effective date of such assignment;

(ii) all additional costs reimbursements, expense reimbursements and indemnities payable to such Non-Consenting Lender, and all other accrued and unpaid amounts owing to such Non-Consenting Lender hereunder, as of the effective date of such assignment shall have been paid to such Non-Consenting Lender; and

(iii) with respect to any such Assuming Lender, the applicable processing and recordation fee required under Section 11.4 for such assignment shall have been paid;

provided further that such Non-Consenting Lender’s rights under Sections 4.12, 4.13, 4.15, 11.3 and its obligations under Section 11.5, shall survive such substitution as to matters occurring prior to the date of substitution. At least three Business Days prior to any Extension Date, (A) each such Assuming Lender, if any, shall have delivered to the Borrowers and the Administrative Agent or the Canadian Funding Agent, as applicable, an assumption agreement, in form and substance satisfactory to the Borrowers and the Administrative Agent with respect to any assumption under the U.S. Facility and the Canadian Funding Agent with respect to any assumption under the Canadian Facility (an “Assumption Agreement”), duly executed by such Assuming Lender, such Non-Consenting Lender, applicable Borrower and the Administrative Agent or the Canadian Funding Agent, as applicable, (B) any such Consenting Lender shall have delivered confirmation in writing satisfactory to the applicable Borrower and the Administrative Agent or the Canadian Funding Agent, as applicable, as to the increase in the amount of its Commitment, (C) each Non-Consenting Lender being replaced pursuant to this Section 4.17 shall have delivered to the Administrative Agent or the Canadian Funding Agent, as applicable any Note or Notes held by such Non-Consenting Lender and (D) the applicable Borrower shall have delivered to the Administrative Agent or the Canadian Funding Agent, as the case may be, a new Note payable to the order of each Assuming Lender in a principal amount equal to the amount of Commitment assumed by such Assuming Lender. Upon the payment or prepayment of all amounts referred to in clauses (A), (B) and (C) of the immediately preceding sentence,

each such Consenting Lender or Assuming Lender, as of the Extension Date, will be substituted for such Non-Consenting Lender under this Agreement and shall be a Lender for all purposes of this Agreement, without any further acknowledgment by or the consent of the other Lenders, and the obligations of each such Non-Consenting Lender hereunder shall, by the provisions hereof, be released and discharged.

(d) If all of the Lenders (after giving effect to any assignments pursuant to subsection (b) of this [Section 4.17](#)) consent in writing to a requested extension (whether by execution or delivery of an Assumption Agreement or otherwise) not later than one Business Day prior to such Extension Date, the Administrative Agent shall so notify the Borrowers, and, so long as no Default or Event of Default shall have occurred and be continuing as of such Extension Date, or shall occur as a consequence thereof, the Revolving Commitment Termination Date then in effect shall be extended for the additional one year period described in subsection (a) of this [Section 4.17](#), and all references in this Agreement and in the other Loan Documents, if any, to the “Revolving Commitment Termination Date” shall, with respect to each Consenting Lender and each Assuming Lender for such Extension Date, refer to the Revolving Commitment Termination Date as so extended. Promptly following each Extension Date, the Administrative Agent shall notify the Lenders (including, without limitation, each Assuming Lender) and the Canadian Funding Agent of the extension of the scheduled Revolving Commitment Termination Date in effect immediately prior thereto.

Section 4.18. Increase in the Aggregate Commitments. (a) The Borrowers may not more than once in any calendar year prior to the Revolving Commitment Termination Date and provided that the Borrowers have not elected to reduce the Commitments during such calendar year pursuant to [Section 2.6](#) or [Section 3.6](#), by notice to the Administrative Agent and the Canadian Funding Agent, request that the aggregate amount of the Commitments be increased (each a “[Commitment Increase](#)”) to be effective as of a date that is at least 90 days prior to the scheduled Revolving Commitment Termination Date then in effect (the “[Increase Date](#)”) as specified in the related notice to the Administrative Agent and the Canadian Funding; provided, however, that (i) in no event shall the aggregate U.S. Dollar Equivalent amount of the Commitments at any time exceed \$550,000,000 and (ii) no Default or Event of Default shall have occurred and be continuing as of the date of such request or as of the applicable Increase Date, or shall occur as a result of such Commitment Increase.

(b) The Administrative Agent shall promptly notify the Lenders of a request by the Borrowers for a Commitment Increase, which notice shall include (i) the proposed amount of such requested Commitment Increase, (ii) the proposed Increase Date, (iii) the amount of the U.S. Facility to be increased, if any, (iv) the amount of the Canadian Facility to be increased, if any, and (v) the date by which Lenders wishing to participate in the Commitment Increase must commit to an increase in the amount of their respective Commitments (the “[Commitment Date](#)”). Each Lender that is willing to participate in such requested Commitment Increase (each an “[Increasing Lender](#)”) shall give written notice to the Administrative Agent and the Canadian Funding Agent on or prior to the Commitment Date of the amount by which it is willing to increase its Commitment. If the Lenders notify the Administrative Agent and the Canadian Funding Agent that they are willing to increase the amount of their respective Commitments by an aggregate amount that exceeds the amount of the requested Commitment Increase, the requested Commitment Increase shall be allocated among the Lenders willing to participate

therein based on a ratio of each existing Lender's proposed Commitment increase, if any, to the aggregate of all of the existing Lenders' proposed Commitment increases.

(c) Promptly following each Commitment Date, the Administrative Agent shall notify the Borrowers as to the amount, if any, by which the Lenders are willing to participate in the requested Commitment Increase. If the aggregate amount by which the Lenders are willing to participate in any requested Commitment Increase on any such Commitment Date is less than the requested Commitment Increase, then the Borrowers may extend offers to one or more Eligible Assignees to participate in any portion of the requested Commitment Increase that has not been committed to by the Lenders as of the applicable Commitment Date.

(d) On each Increase Date, each Eligible Assignee that accepts an offer to participate in a requested Commitment Increase in accordance with Section 4.18(c) as an Assuming Lender shall become a Lender party to this Agreement as of such Increase Date and the Commitment of each Increasing Lender for such requested Commitment Increase shall be so increased by such amount (or by the amount allocated to such Lender pursuant to the last sentence of Section 4.18(b)) as of such Increase Date; provided, however, that the Administrative Agent shall have received on or before such Increase Date the following, each dated such date:

(i) (A) certified copies of an Authorized Financial Officer of each Borrower, approving the Commitment Increase and the corresponding modifications to this Agreement and (B) an opinion of counsel for each Borrower (which may be in-house counsel), in form and substance satisfactory to the Agents;

(ii) an Assumption Agreement from each Assuming Lender, if any, in form and substance satisfactory to the Borrowers, the Canadian Funding Agent and the Administrative Agent, duly executed by such Eligible Assignee, the Administrative Agent, the Canadian Funding Agent and the Borrowers; and

(iii) confirmation from each Increasing Lender of the increase in the amount of its Commitment in writing satisfactory to the Borrowers, the Administrative Agent and the Canadian Funding Agent.

On each Increase Date, upon fulfillment of the conditions set forth in the immediately preceding sentence of this Section 4.18(d), the Administrative Agent shall notify the Lenders (including, without limitation, each Assuming Lender), the Canadian Funding Agent and the Borrowers, on or before 1:00 p.m. (New York City time), by facsimile, of the occurrence of the Commitment Increase to be effected on such Increase Date.

(e) Upon any increase in the aggregate amount of the Commitments pursuant to this Section 4.18 that is not pro rata among all Lenders, (x) within five Business Days, in the case of any Base Rate Advances then outstanding, and at the end of the then current Interest Period with respect thereto, in the case of any LIBOR Advances then outstanding, the applicable Borrower shall prepay such Loans in their entirety and, to the extent the applicable Borrower elects to do so and subject to the conditions specified in Article V, the applicable Borrower shall reborrow

(c) Any Borrower shall fail to perform or observe any term, covenant or agreement required to be performed or observed by it contained in Section 7.3, 7.4(e), 7.6 or Article VIII; or

(d) Any Borrower shall fail to perform or observe any other term, covenant or agreement contained in this Agreement on its part to be performed or observed if such failure shall remain unremedied for 30 days after written notice thereof shall have been given to any Borrower by the Administrative Agent, the Canadian Funding Agent or any Lender; or

(e) Any Borrower or any of its Subsidiaries shall fail to pay any principal of or premium or interest on any Debt which is outstanding in a principal amount, or shall fail to make any payments in respect of Hedge Agreements having a notional amount of at least \$50,000,000 (or its equivalent in another currency) in the aggregate (but, excluding Debt evidenced by the Notes or otherwise arising under this Agreement), in each case when the same becomes due and payable (whether by scheduled maturity, required prepayment, acceleration, demand or otherwise), and such failure shall continue after the applicable grace period, if any, specified in the agreement or instrument relating to such Debt or Hedge Agreement; or any other event shall occur or condition shall exist under any agreement or instrument relating to any such Debt or Hedge Agreement and shall continue after the applicable grace period, if any, specified in such agreement or instrument, if the effect of such event or condition is to accelerate, or to permit the acceleration of, the maturity of such Debt or Hedge Agreement; or any such Debt shall be declared to be due and payable, or required to be prepaid (other than by a regularly scheduled required prepayment), redeemed, purchased or defeased, or an offer to prepay, redeem, purchase or defease such Debt shall be required to be made, in each case prior to the stated maturity thereof; or

(f) Any Borrower or any of its Subsidiaries shall generally not pay its debts as such debts become due, or shall admit in writing its inability to pay its debts generally, or shall make a general assignment for the benefit of creditors; or any proceeding shall be instituted by or

against such Borrower or any of its Subsidiaries seeking to adjudicate it a bankrupt or insolvent, or seeking liquidation, winding up, reorganization, arrangement, adjustment, protection, relief, or composition of it or its debts under any law relating to bankruptcy, insolvency or reorganization or relief of debtors, or seeking the entry of an order for relief or the appointment of a receiver, trustee, custodian or other similar official for it or for any substantial part of its property, provided, that if any such proceeding is instituted involuntarily against the Borrower or any of its Subsidiaries, such proceeding has remained undismissed for a period of 60 days; or such Person or any of its Subsidiaries shall take any corporate action to authorize any of the actions set forth above in this subsection (e); or

(g) Any judgment or order for the payment of money in excess of \$50,000,000 (or its equivalent in another currency) shall be rendered against any Borrower or any of its Subsidiaries and either (i) enforcement proceedings shall have been commenced by any creditor upon such judgment or order or (ii) there shall be any period of 30 consecutive days during which a stay of enforcement of such judgment or order, by reason of a pending appeal or otherwise, shall not be in effect; or

(h) (i) Any Person or two or more Persons acting in concert shall have acquired beneficial ownership (within the meaning of Rule 13d-3 of the Securities and Exchange Commission under the Securities Exchange Act of 1934), directly or indirectly, of Voting Stock of the U.S. Borrower (or other securities convertible into such Voting Stock) representing 30% or more of the combined voting power of all Voting Stock of the U.S. Borrower; or (ii) during any period of up to 24 consecutive months, commencing after the date of this Agreement, individuals who at the beginning of such 24-month period were directors of the U.S. Borrower shall cease for any reason (other than due to death or disability) to constitute a majority of the board of directors of the U.S. Borrower (except to the extent that individuals who at the beginning of such 24-month period were replaced by individuals (x) elected by 66-2/3% of the remaining members of the board of directors of the U.S. Borrower or (y) nominated for election by a majority of the remaining members of the board of directors of the U.S. Borrower and thereafter elected as directors by the shareholders of the U.S. Borrower); (iii) any Person or two or more Persons acting in concert shall have acquired by contract or otherwise, or shall have entered into a contract or arrangement that, upon consummation, will result in its or their acquisition of, the power to exercise, directly or indirectly, a controlling influence over the management or policies of the U.S. Borrower, or (iv) the U.S. Borrower shall fail to own, directly or indirectly, a majority of the voting and economic interest of the Canadian Borrower; or

(i) an ERISA Event shall have occurred that, in the opinion of the Required Lenders, when taken together with other ERISA Events that have occurred, could reasonably be expected to result in a Material Adverse Effect;

then, and in any such event, the Administrative Agent (i) shall at the request, or may with the consent of the Required Lenders, by notice to the U.S. Borrower, declare the obligation of each Lender to make Advances and of the Issuing Banks to issue Letters of Credit to be terminated, whereupon the same shall forthwith terminate, and (ii) shall at the request or, may with the consent, of the Required Lenders, by notice to the U.S. Borrower, declare the Notes and all Advances then outstanding, all interest thereon and all other amounts payable under this

Agreement to be forthwith due and payable, whereupon the Notes and all Advances then outstanding, all such interest and all such amounts shall become and be forthwith due and payable, without presentment, demand, protest or further notice of any kind, all of which are hereby expressly waived by each Borrower; provided, however, that in the event of an actual or deemed entry of an order for relief with respect to the U.S. Borrower or any of its Subsidiaries under the Federal Bankruptcy Code, (A) the obligation of each Lender to make Advances and of the Issuing Banks to issue Letters of Credit shall automatically be terminated and (B) the Notes and all such Advances then outstanding, all such interest and all such amounts shall automatically become and be due and payable, without presentment, demand, protest or any notice of any kind, all of which are hereby expressly waived by each Borrower. Upon any acceleration of the Advances outstanding hereunder, all outstanding Letters of Credit shall be deemed to have been fully drawn and the Borrowers shall immediately be required to deposit cash collateral in accordance with the provisions of Section 2.5 or Section 3.10, as the case may be.

Section 9.2. Allocation of Payments after Event of Default. Notwithstanding any other provisions of this Agreement, after the occurrence and during the continuance of an Event of Default, all amounts collected or received by the Agents or the Lenders or any participant of any Lender or any of them on account of amounts outstanding under any of the Loan Documents shall be paid over or delivered as follows:

FIRST, to the payment of all reasonable out-of-pocket costs and expenses (including reasonable legal fees and disbursements) of the Agents or any of them in connection with enforcing the rights of the Agents and the Lenders under the Loan Documents or any of them;

SECOND, to the payment of any outstanding and unpaid fees owed to any of the Agents, any Swing Line Lender or any of the Issuing Banks;

THIRD, (a) with respect to any amount collected or received from the Canadian Borrower, pro rata in direct proportion to the Revolving Credit Exposure of each Canadian Lender and (b) with respect to any amount collected or received from the U.S. Borrower or any other guarantor of the Obligations, pro rata in direct proportion to the Revolving Credit Exposure of each Lender; and

FOURTH, to the payment of the surplus, if any, to whomever may be lawfully entitled thereto.

ARTICLE X

THE AGENTS

Section 10.1. Appointment of Administrative Agent and Canadian Funding Agent.

(a) Each Lender irrevocably appoints SunTrust Bank as the Administrative Agent and authorizes it to take such actions on its behalf and to exercise such powers as are delegated to the Administrative Agent under this Agreement and the other Loan Documents,

together with all such actions and powers that are reasonably incidental thereto. The Administrative Agent may perform any of its duties hereunder or under the other Loan Documents by or through any one or more sub-agents or attorneys-in-fact appointed by the Administrative Agent. The Administrative Agent and any such sub-agent or attorney-in-fact may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions set forth in this Article shall apply to any such sub-agent or attorney-in-fact and the Related Parties of the Administrative Agent, any such sub-agent and any such attorney-in-fact and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

(b) Each Lender irrevocably appoints Bank of Montreal as the Canadian Funding Agent and authorizes it to take such actions on its behalf and to exercise such powers as are delegated to the Canadian Funding Agent under this Agreement and the other Loan Documents, together with all such actions and powers that are reasonably incidental thereto. The Canadian Funding Agent may perform any of its duties hereunder or under the other Loan Documents by or through any one or more sub-agents or attorneys-in-fact appointed by the Canadian Funding Agent. The Canadian Funding Agent and any such sub-agent or attorney-in-fact may perform any and all of its duties and exercise its rights and powers through their respective Related Parties. The exculpatory provisions set forth in this Article shall apply to any such sub-agent or attorney-in-fact and the Related Parties of the Canadian Funding Agent, any such sub-agent and any such attorney-in-fact and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Canadian Funding Agent.

(c) Each Issuing Bank shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith until such time and except for so long as the Administrative Agent may agree at the request of the Required Lenders to act for the Issuing Bank with respect thereto; provided, that each Issuing Bank shall have all the benefits and immunities (i) provided to the Administrative Agent in this Article VIII with respect to any acts taken or omissions suffered by such Issuing Bank in connection with Letters of Credit issued by it or proposed to be issued by it and the application and agreements for letters of credit pertaining to the Letters of Credit as fully as if the term "Administrative Agent" as used in this Article VIII included such Issuing Bank with respect to such acts or omissions and (ii) as additionally provided in this Agreement with respect to such Issuing Bank.

Section 10.2. Nature of Duties of the Agents. The Agents shall not have any duties or obligations except those expressly set forth in this Agreement and the other Loan Documents. Without limiting the generality of the foregoing, (a) the Agents shall not be subject to any fiduciary or other implied duties, regardless of whether a Default or an Event of Default has occurred and is continuing, (b) the Agents shall not have any duty to take any discretionary action or exercise any discretionary powers, except those discretionary rights and powers expressly contemplated by the Loan Documents that the Agents are required to exercise in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.2), and (c) except as expressly set forth in the Loan Documents, the Agents shall not have any duty to disclose, and shall not be liable for the failure to disclose, any information relating to any Borrower or any of its

Subsidiaries that is communicated to or obtained by the Agents or any of their Affiliates in any capacity. No Agent shall be liable for any action taken or not taken by it, its sub-agents or attorneys-in-fact with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 11.2) or in the absence of its own gross negligence or willful misconduct. No Agent shall be responsible for the negligence or misconduct of any sub-agents or attorneys-in-fact selected by it with reasonable care. No Agent shall be deemed to have knowledge of any Default or Event of Default unless and until written notice thereof (which notice shall include an express reference to such event being a “Default” or “Event of Default” hereunder) is given to such Agent by a Borrower or any Lender, and no Agent shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith, (iii) the performance or observance of any of the covenants, agreements, or other terms and conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, or (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent. The Agents may consult with legal counsel (including counsel for the Borrowers) concerning all matters pertaining to such duties.

Section 10.3. Lack of Reliance on the Agents. Each of the Lenders, the Swing Line Lenders and the Issuing Banks acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each of the Lenders, the Swing Line Lenders and the Issuing Bank also acknowledges that it will, independently and without reliance upon the any Agent or any other Lender and based on such documents and information as it has deemed appropriate, continue to make its own decisions in taking or not taking of any action under or based on this Agreement, any related agreement or any document furnished hereunder or thereunder.

Section 10.4. Certain Rights of the Agents. If any Agent shall request instructions from the Required Lenders with respect to any action or actions (including the failure to act) in connection with this Agreement, such Agent shall be entitled to refrain from such act or taking such act, unless and until it shall have received instructions from such Lenders; and such Agent shall not incur liability to any Person by reason of so refraining. Without limiting the foregoing, no Lender shall have any right of action whatsoever against any Agent as a result of such Agent acting or refraining from acting hereunder in accordance with the instructions of the Required Lenders where required by the terms of this Agreement.

Section 10.5. Reliance by the Agents. The Agents shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing believed by it to be genuine and to have been signed, sent or made by the proper Person. The Agents may also rely upon any statement made to it orally or by telephone and believed by them to be made by the proper Person and shall not incur any liability for relying thereon. The Agents may consult with legal counsel (including counsel for the Borrowers), independent public accountants and other experts selected by them

and shall not be liable for any action taken or not taken by them in accordance with the advice of such counsel, accountants or experts.

Section 10.6. The Agents in their Individual Capacity. The bank serving as the Administrative Agent or the Canadian Agent, as the case may be, shall have the same rights and powers under this Agreement and any other Loan Document in its capacity as a Lender as any other Lender and may exercise or refrain from exercising the same as though it were not an Agent; and the terms “Lenders”, “Required Lenders”, “Required U.S. Lenders”, “Required Canadian Lenders”, “holders of Notes”, or any similar terms shall, unless the context clearly otherwise indicates, include each Agent in its individual capacity. The bank acting as the Administrative Agent or the Canadian Agent, as the case may be, and its Affiliates may accept deposits from, lend money to, and generally engage in any kind of business with the Borrowers or any Subsidiary or Affiliate of the Borrowers as if it were not an Agent hereunder.

Section 10.7. Successor Administrative Agent.

(a) The Administrative Agent may resign at any time by giving notice thereof to the Lenders, the Canadian Funding Agent and the U.S. Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent, subject to the approval by the Borrowers provided that no Default or Event of Default shall exist at such time. If no successor Administrative Agent shall have been so appointed, and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of resignation, then the retiring Administrative Agent may, on behalf of the Lenders, the Canadian Funding Agent and the Issuing Banks, appoint a successor Administrative Agent, which shall be a commercial bank organized under the laws of the United States of America or any state thereof or a bank which maintains an office in the United States, having a combined capital and surplus of at least \$1,000,000,000.

(b) Upon the acceptance of its appointment as the Administrative Agent hereunder by a successor, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. If within 45 days after written notice is given of the retiring Administrative Agent’s resignation under this Section 10.7 no successor Administrative Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (i) the retiring Administrative Agent’s resignation shall become effective, (ii) the retiring Administrative Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (iii) the Required Lenders shall thereafter perform all duties of the retiring Administrative Agent under the Loan Documents until such time as the Required Lenders appoint a successor Administrative Agent as provided above. After any retiring Administrative Agent’s resignation hereunder, the provisions of this Article X shall continue in effect for the benefit of such retiring Administrative Agent and its representatives and agents in respect of any actions taken or not taken by any of them while it was serving as the Administrative Agent.

Section 10.8. Successor Canadian Funding Agent.

(a) The Canadian Funding Agent may resign at any time by giving notice thereof to the Lenders, the Administrative Agent and the U.S. Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Canadian Funding Agent, subject to (i) the last sentence of this subsection (a) and (ii) the approval by the Borrowers provided that no Default or Event of Default shall exist at such time. If no successor Canadian Funding Agent shall have been so appointed, and shall have accepted such appointment within 30 days after the retiring Canadian Funding Agent gives notice of resignation, then the retiring Canadian Funding Agent may, on behalf of the Lenders, the Administrative Agent and the Issuing Bank, appoint a successor Canadian Funding Agent, which shall be a commercial bank organized under the laws of Canada, having a combined capital and surplus of at least \$1,000,000,000. Any successor Canadian Funding Agent must be a person resident of Canada for purposes of the ITA, or be a person deemed to be resident in Canada for purposes of Part XIII of the ITA in respect of any amounts paid or credited to it under this Agreement.

(b) Upon the acceptance of its appointment as the Canadian Funding Agent hereunder by a successor, such successor Canadian Funding Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Canadian Funding Agent, and the retiring Canadian Funding Agent shall be discharged from its duties and obligations under this Agreement and the other Loan Documents. If within 45 days after written notice is given of the retiring Canadian Funding Agent's resignation under this Section 10.8 no successor Canadian Funding Agent shall have been appointed and shall have accepted such appointment, then on such 45th day (i) the retiring Canadian Funding Agent's resignation shall become effective, (ii) the retiring Canadian Funding Agent shall thereupon be discharged from its duties and obligations under the Loan Documents and (iii) the Required Lenders shall thereafter perform all duties of the retiring Canadian Funding Agent under the Loan Documents until such time as the Required Lenders appoint a successor Canadian Funding Agent as provided above. After any retiring Canadian Funding Agent's resignation hereunder, the provisions of this Article X shall continue in effect for the benefit of such retiring Canadian Funding Agent and its representatives and agents in respect of any actions taken or not taken by any of them while it was serving as the Canadian Funding Agent.

Section 10.9. Authorization to Execute other Loan Documents. Each Lender hereby authorizes the Administrative Agent and the Canadian Funding Agent to execute on behalf of all Lenders all Loan Documents other than this Agreement.

Section 10.10. Co-Documentation Agents; Syndication Agent. Each Lender hereby designates Harris N.A. as Syndication Agent and agrees that the Syndication Agent shall have no duties or obligations under any Loan Documents to any Lender or any Loan Party. Each Lender hereby designates Coöperatieve Centrale Raiffeisen Boerenleenbank B.A., "Rabobank International" New York Branch, ING Capital LLC, and AgFirst Farm Credit Bank as Co-Documentation Agents and agrees that the Co-Documentation Agents shall have no duties or obligations under any Loan Documents to any Lender or any Loan Party.

Any party hereto may change its address or telecopy number for notices and other communications hereunder by notice to the other parties hereto. All such notices and other communications shall, when transmitted by overnight delivery, or faxed, be effective when delivered for overnight (next-day) delivery, or transmitted in legible form by facsimile machine, respectively, or if mailed, upon the third Business Day after the date deposited into the mail or if delivered, upon delivery; provided, that notices delivered to the U.S. Borrower, the Administrative Agent, the Canadian Funding Agent, any Issuing Bank or any Swing Line Lender shall not be effective until actually received by such Person at its address specified in this [Section 11.1](#).

Any agreement of the Agents and the Lenders herein to receive certain notices by telephone or facsimile is solely for the convenience and at the request of the Borrowers. The Agents and the Lenders shall be entitled to rely on the authority of any Person purporting to be a Person authorized by any Borrower to give such notice and the Agents and Lenders shall not have any liability to any Borrower or other Person on account of any action taken or not taken by the Agents or the Lenders in reliance upon such telephonic or facsimile notice. The obligation of the Borrowers to repay the Loans and all other Obligations hereunder shall not be affected in any way or to any extent by any failure of the Agents and the Lenders to receive written confirmation of any telephonic or facsimile notice or the receipt by the Agents and the Lenders of a confirmation which is at variance with the terms understood by the Agents and the Lenders to be contained in any such telephonic or facsimile notice.

Section 11.2. Waiver; Amendments.

(a) No failure or delay by the Administrative Agent, the Canadian Funding Agent, any Issuing Bank or any Lender in exercising any right or power hereunder or any other Loan Document, and no course of dealing between any Borrower and the Administrative Agent, the Canadian Funding Agent or any Lender, shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power or any abandonment or discontinuance of steps to enforce such right or power, preclude any other or further exercise thereof or the exercise of any other right or power hereunder or thereunder. The rights and remedies of the Administrative Agent, the Canadian Funding Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies provided by law. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by any Borrower therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance of a Letter of Credit shall not be construed as a waiver of any Default or Event of Default, regardless of whether the Administrative Agent, the Canadian Funding Agent, any Lender or any Issuing Bank may have had notice or knowledge of such Default or Event of Default at the time.

(b) No amendment or waiver of any provision of this Agreement or the other Loan Documents, nor consent to any departure by any Borrower therefrom, shall in any event be effective unless the same shall be in writing and signed by the Borrowers and the Required Lenders or the Borrowers and the Administrative Agent and the Canadian Funding Agent with the consent of the Required Lenders and then such waiver or consent shall be effective only in

the specific instance and for the specific purpose for which given; provided, that no amendment or waiver shall: (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or L/C Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, (iii) postpone the date fixed for any payment of any principal of, or interest on, any Loan or L/C Disbursement or interest thereon or any fees hereunder or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date for the termination or reduction of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 4.16 (b) or (c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change Section 2.6 or 3.6 in a manner that would alter the pro rata reduction of Commitments required thereby, without the written consent of each Lender adversely affected thereby, (vi) change any of the provisions of this Section or the definition of "Required Lenders", "Required U.S. Lenders", "Required Canadian Lenders" or any other provision hereof specifying the number or percentage of Lenders which are required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the consent of each Lender; (vii) release any guarantor or limit the liability of any such guarantor under any guaranty agreement, without the written consent of each Lender; or (viii) release all or substantially all collateral (if any) securing any of the Obligations, without the written consent of each Lender; provided further, that no such agreement shall amend, modify or otherwise affect the rights, duties or obligations of the Administrative Agent, the Canadian Funding Agent, any Swing Line Lender or any Issuing Bank without the prior written consent of such Person. Notwithstanding the foregoing, any provision of this Agreement may be amended by an agreement in writing entered into by the Borrowers, the Required Lenders and the Administrative Agent (and, if their rights, duties or obligations are affected thereby, the Issuing Banks, the Canadian Funding Agent and the Swing Line Lenders) if (i) by the terms of such agreement the Commitment of each Lender not consenting to the amendment provided for therein shall terminate (but such Lender shall continue to be entitled to the benefits of Sections 4.12, 4.13, 4.15 and 11.3) upon the effectiveness of such amendment and (ii) at the time such amendment becomes effective, each Lender not consenting thereto receives payment in full principal of and interest accrued on each Loan made by it and all other amounts owing to it or accrued for its account under this Agreement and is released from its obligations hereunder.

Section 11.3. Expenses; Indemnification.

(a) The U.S. Borrower shall pay (i) all reasonable, out-of-pocket costs and expenses of the Administrative Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and its Affiliates, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers thereof (whether or not the transactions contemplated in this Agreement or any other Loan Document shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the U.S. Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit issued under the U.S. Facility or any demand for payment thereunder and (iii) all out-of-pocket costs and expenses (including, without limitation, the reasonable fees, charges and disbursements of outside counsel) incurred by the Administrative Agent, the U.S. Issuing Bank or any U.S. Lender in connection with the enforcement or protection of its rights in connection with this

Agreement, including its rights under this Section, or in connection with the Loans made or any Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit. The Canadian Borrower shall pay (i) all reasonable, out-of-pocket costs and expenses of the Canadian Funding Agent and its Affiliates, including the reasonable fees, charges and disbursements of counsel for the Canadian Funding Agent and its Affiliates, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents and any amendments, modifications or waivers thereof (whether or not the transactions contemplated in this Agreement or any other Loan Document shall be consummated), (ii) all reasonable out-of-pocket expenses incurred by the Canadian Issuing Bank in connection with the issuance, amendment, renewal or extension of any Letter of Credit issued under the Canadian Facility or any demand for payment thereunder and (iii) all out-of-pocket costs and expenses (including, without limitation, the reasonable fees, charges and disbursements of outside counsel) incurred by the Canadian Funding Agent, the Canadian Issuing Bank or any Canadian Lender in connection with the enforcement or protection of its rights in connection with this Agreement, including its rights under this Section, or in connection with the Loans made or any Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit.

(b) The U.S. Borrower shall indemnify the Administrative Agent (and any sub-agent thereof), each U.S. Lender and the U.S. Issuing Bank, and each Related Party of any of the foregoing Persons (each such Person being called a “U.S. Indemnitee”) against, and hold each U.S. Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any outside counsel for any U.S. Indemnitee), incurred by any U.S. Indemnitee or asserted against any U.S. Indemnitee by any third party or by any Borrower or any of its Subsidiaries arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to such Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any of its Subsidiaries, and regardless of whether any U.S. Indemnitee is a party thereto, provided that such indemnity shall not, as to any U.S. Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such U.S. Indemnitee or (y) result from a claim brought by any Borrower or any of its Subsidiaries against a U.S. Indemnitee for breach in bad faith of such U.S. Indemnitee’s obligations hereunder or under any other Loan Document, if such Borrower or such Subsidiary has obtained a final and

nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(c) The Canadian Borrower shall indemnify the Canadian Funding Agent (and any sub-agent thereof), each Canadian Lender and the Canadian Issuing Bank, and each Related Party of any of the foregoing Persons (each such Person being called a “Canadian Indemnatee”) against, and hold each Canadian Indemnatee harmless from, any and all losses, claims, damages, liabilities and related expenses (including the fees, charges and disbursements of any outside counsel for any Canadian Indemnatee), incurred by any Canadian Indemnatee or asserted against any Canadian Indemnatee by any third party or by any Borrower or any of its Subsidiaries arising out of, in connection with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) any actual or alleged presence or release of Hazardous Materials on or from any property owned or operated by any Borrower or any of its Subsidiaries, or any Environmental Liability related in any way to such Borrower or any of its Subsidiaries, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by any Borrower or any of its Subsidiaries, and regardless of whether any Canadian Indemnatee is a party thereto, provided that such indemnity shall not, as to any Canadian Indemnatee, be available to the extent that such losses, claims, damages, liabilities or related expenses (x) are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Canadian Indemnatee or (y) result from a claim brought by any Borrower or any of its Subsidiaries against a Canadian Indemnatee for breach in bad faith of such Canadian Indemnatee’s obligations hereunder or under any other Loan Document, if such Borrower or such Subsidiary has obtained a final and nonappealable judgment in its favor on such claim as determined by a court of competent jurisdiction.

(d) The Borrowers shall pay, and hold the Administrative Agent, the Canadian Funding Agent and each of the Lenders harmless from and against, any and all present and future stamp, documentary, and other similar taxes with respect to this Agreement and any other Loan Documents, any collateral described therein, or any payments due thereunder, and save the Administrative Agent, the Canadian Funding Agent and each Lender harmless from and against any and all liabilities with respect to or resulting from any delay or omission to pay such taxes; provided, however, that any such amounts payable to any Person pursuant to this Section 11.3(c) shall be without duplication of amounts to which such Person is entitled pursuant to Section 4.15 and shall exclude Excluded Taxes.

(e) To the extent that the Borrowers fail to pay any amount required to be paid to the Administrative Agent, the Canadian Funding Agent, any Issuing Bank or any Swing Line Lender under clauses (a), (b), (c) or (d) hereof, each Lender severally agrees to pay to the Administrative Agent, the Canadian Funding Agent, such Issuing Bank or such Swing Line Lender, as the case may be, such Lender’s Pro Rata Share (determined as of the time that the

unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided, that the unreimbursed expense or indemnified payment, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, the Canadian Funding Agent, such Issuing Bank or such Swing Line Lender in its capacity as such.

(f) To the extent permitted by applicable law, the Borrowers shall not assert, and hereby waive, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to actual or direct damages) arising out of, in connection with or as a result of, this Agreement or any agreement or instrument contemplated hereby, the transactions contemplated therein, any Loan or any Letter of Credit or the use of proceeds thereof.

(g) All amounts due under this Section shall be payable promptly after written demand therefor.

Section 11.4. Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that no Borrower may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by any Borrower without such consent shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Canadian Funding Agent and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) Any Lender may assign to one or more Eligible Assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it); provided that (i) except in the case of an assignment of the entire remaining amount of the assigning Lender's Commitment and the Loans at the time owing to it or in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund with respect to a Lender, the aggregate amount of the Commitment (which for this purpose includes Loans outstanding thereunder) of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent with respect to an assignment under the U.S. Facility or the Canadian Funding Agent with respect to an assignment under the Canadian Facility) shall not be less than \$5,000,000 or the Canadian Dollar Equivalent, in the case of any assignment of a Revolving Loan or reimbursement obligation of outstanding Letters of Credit, unless each of the Administrative Agent with respect to an assignment under the U.S. Facility or the Canadian Funding Agent with respect to an assignment under the Canadian Facility, and, so long as no Event of Default has occurred and is continuing, the U.S. Borrower with respect to an assignment under the U.S. Facility and the Canadian Borrower with respect to an assignment under the Canadian Facility otherwise consent (each such consent not to be unreasonably withheld or delayed), (ii) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement with

respect to the Loan or the Commitment assigned and (iii) the parties to each assignment shall execute and deliver to the Administrative Agent or the Canadian Funding Agent, as applicable, an Assignment and Acceptance, together with a processing and recordation fee of \$3,000, and the Eligible Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent or the Canadian Funding Agent, as applicable, an Administrative Questionnaire. Upon (i) the execution and delivery of the Assignment and Acceptance by the assigning Lender and assignee Lender, (ii) acceptance and recording thereof by the Administrative Agent or the Canadian Funding Agent, as applicable, pursuant to paragraph (c) of this Section, (iii) consent thereof from the Borrowers to the extent required pursuant to this clause (b) and (iv) if such assignee is under the U.S. Facility and such Lender is a Foreign Lender, compliance by such Person with Section 4.15(f), from and after the effective date specified in each Assignment and Acceptance, the Eligible Assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 4.12, 4.13, 4.15 and 11.3). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this paragraph shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (d) of this Section.

(c) The Administrative Agent, acting solely for this purpose as an agent of the U.S. Borrower, shall maintain at one of its offices in Atlanta, Georgia a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the U.S. Lenders, and the Commitments under the U.S. Facility of, and principal amount of the Loans owing to, each U.S. Lender pursuant to the terms hereof from time to time (the "U.S. Register"). The Canadian Funding Agent, acting solely for this purpose as an agent of the Canadian Borrower, shall maintain at one of its offices in Toronto a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Canadian Lenders, and the Commitments under the Canadian Facility of, and principal amount of the Loans owing to, each Canadian Lender pursuant to the terms hereof from time to time (the "Canadian Register"; together with the U.S. Register, the "Registers"). The entries in the Registers shall be conclusive, and the Borrowers, the Administrative Agent, the Canadian Funding Agent and the Lenders may treat each Person whose name is recorded in the Registers pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary.

(d) Any Lender may, without the consent of, or notice to, the Borrowers, the Administrative Agent, the Canadian Funding Agent, any Swing Line Lender or any Issuing Bank sell participations to one or more banks or other entities (a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans owing to it); provided that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrowers, the Administrative Agent, the Canadian Funding Agent, the Swing Line Lenders, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such

Lender's rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver with respect to the following to the extent affecting such Participant: (i) increase the Commitment of any Lender without the written consent of such Lender, (ii) reduce the principal amount of any Loan or L/C Disbursement or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender affected thereby, (iii) postpone the date fixed for any payment of any principal of, or interest on, any Loan or L/C Disbursement or interest thereon or any fees hereunder or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date for the termination or reduction of any Commitment, without the written consent of each Lender affected thereby, (iv) change Section 4.16(b) or (c) in a manner that would alter the pro rata sharing of payments required thereby, without the written consent of each Lender, (v) change any of the provisions of this Section or the definition of "Required Lenders", "Required U.S. Lenders" or "Required Canadian Lenders" or any other provision hereof specifying the number or percentage of Lenders which are required to waive, amend or modify any rights hereunder or make any determination or grant any consent hereunder, without the consent of each Lender; (vi) release any guarantor or limit the liability of any such guarantor under any guaranty agreement without the written consent of each Lender except to the extent such release is expressly provided under the terms of the Guaranty Agreement; or (vii) release all or substantially all collateral (if any) securing any of the Obligations. Subject to paragraph (e) of this Section, the Borrowers agree that each Participant shall be entitled to the benefits of Sections 4.12, 4.13 and 4.15 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.7 as though it were a Lender, provided such Participant agrees to be subject to Section 11.7 as though it were a Lender.

(e) A Participant shall not be entitled to receive any greater payment under Section 4.13 and Section 4.15 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made by a U.S. Lender with the U.S. Borrower's prior written consent. For greater certainty, a Participant acquiring a participation from a Canadian Lender shall only be entitled to receive any payment under Section 4.15 if such Participant is either (i) resident in Canada for purposes of the ITA, (ii) a Canadian partnership within the meaning of the ITA, or (iii) deemed to be resident in Canada for purposes of Part XIII of the ITA in respect of any amounts paid or credited to it under this Agreement. A Participant that would be a Foreign Lender if it were a U.S. Lender shall not be entitled to the benefits of Section 4.15 unless the U.S. Borrower is notified of the participation sold to such Participant and such Participant agrees, for the benefit of the U.S. Borrower, to comply with Section 4.15(f) as though it were a Lender.

(f) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including without limitation any pledge or assignment to secure obligations to a Federal Reserve Bank; provided that no such pledge or assignment of a security interest shall release a Lender from any

of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

Section 11.5. Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement and the other Loan Documents shall be construed in accordance with and be governed by the law (without giving effect to the conflict of law principles thereof) of the State of New York.

(b) Each Borrower hereby irrevocably and unconditionally submits, for itself and its property, to the non-exclusive jurisdiction of the United States District Court of the Southern District of New York, and of any state court of the State of New York sitting in New York county and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York state court or, to the extent permitted by applicable law, such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement or any other Loan Document shall affect any right that the Administrative Agent, the Canadian Funding Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or any other Loan Document against any Borrower or its properties in the courts of any jurisdiction.

(c) Each Borrower irrevocably and unconditionally waives any objection which it may now or hereafter have to the laying of venue of any such suit, action or proceeding described in paragraph (b) of this Section and brought in any court referred to in paragraph (b) of this Section. Each of the parties hereto irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to the service of process in the manner provided for notices in Section 11.1. Nothing in this Agreement or in any other Loan Document will affect the right of any party hereto to serve process in any other manner permitted by law.

(e) The Canadian Borrower hereby appoints the U.S. Borrower as its agent for service of process in any action or proceeding arising out of or relating to this Agreement or any other Loan Document or the transactions contemplated hereby or thereby, or for recognition or enforcement of any judgment.

Section 11.6. WAIVER OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY

OR THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

Section 11.7. Right of Setoff. In addition to any rights now or hereafter granted under applicable law and not by way of limitation of any such rights, each Lender and each Issuing Bank shall have the right, at any time or from time to time upon the occurrence and during the continuance of an Event of Default, without prior notice to any Borrower, any such notice being expressly waived by each Borrower to the extent permitted by applicable law, to set off and apply against all deposits (general or special, time or demand, provisional or final) of such Borrower at any time held or other obligations at any time owing by such Lender and such Issuing Bank or any of their respective Affiliates to or for the credit or the account of such Borrower against any and all Obligations held by such Lender or such Issuing Bank or any of their respective Affiliates, as the case may be, irrespective of whether such Lender or such Issuing Bank shall have made demand hereunder and although such Obligations may be unmatured. Each Lender and each Issuing Bank agree promptly to notify the Administrative Agent, the Canadian Funding Agent and the U.S. Borrower after any such set-off and any application made by such Lender and such Issuing Bank, as the case may be; provided, that the failure to give such notice shall not affect the validity of such set-off and application.

Section 11.8. Counterparts; Integration. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. This Agreement, the Fee Letter, the other Loan Documents, and any separate letter agreement(s) relating to any fees payable to the Administrative Agent and the Canadian Funding Agent constitute the entire agreement among the parties hereto and thereto regarding the subject matters hereof and thereof and supersede all prior agreements and understandings, oral or written, regarding such subject matters.

Section 11.9. Survival. All covenants, agreements, representations and warranties made by the Borrowers herein and in the certificates or other instruments delivered in connection with or pursuant to this Agreement shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of this Agreement and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, the Canadian Funding Agent, any Issuing Bank or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding and so long as the Commitments have not expired or terminated. The provisions of Sections 4.12, 4.13, 4.15, and 11.3 and Article X shall survive

and remain in full force and effect regardless of the consummation of the transactions contemplated hereby, the repayment of the Loans, the expiration or termination of the Letters of Credit and the Commitments or the termination of this Agreement or any provision hereof. All representations and warranties made herein, in the certificates, reports, notices, and other documents delivered pursuant to this Agreement shall survive the execution and delivery of this Agreement and the other Loan Documents, and the making of the Loans and the issuance of the Letters of Credit.

Section 11.10. Severability. Any provision of this Agreement or any other Loan Document held to be illegal, invalid or unenforceable in any jurisdiction, shall, as to such jurisdiction, be ineffective to the extent of such illegality, invalidity or unenforceability without affecting the legality, validity or enforceability of the remaining provisions hereof or thereof; and the illegality, invalidity or unenforceability of a particular provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 11.11. Confidentiality. Each of the Administrative Agent, the Canadian Funding Agent, each Issuing Bank and each Lender agrees to take normal and reasonable precautions to maintain the confidentiality of any information designated in writing as confidential and provided to it by the Borrowers or any Subsidiary, except that such information may be disclosed (i) to any Related Party of the Administrative Agent, the Canadian Funding Agent, any Issuing Bank or any such Lender, including without limitation accountants, legal counsel and other advisors, (ii) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (iii) to the extent requested by any regulatory agency or authority, (iv) to the extent that such information becomes publicly available other than as a result of a breach of this Section, or which becomes available to the Administrative Agent, the Canadian Funding Agent, any Issuing Bank, any Lender or any Related Party of any of the foregoing on a non-confidential basis from a source other than the Borrowers, (v) in connection with the exercise of any remedy hereunder or any suit, action or proceeding relating to this Agreement or the enforcement of rights hereunder, and (ix) subject to provisions substantially similar to this Section 11.11, to any actual or prospective assignee or Participant, or (vi) with the consent of the Borrowers. Any Person required to maintain the confidentiality of any information as provided for in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such information as such Person would accord its own confidential information.

Section 11.12. Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which may be treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate of interest (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by a Lender holding such Loan in accordance with applicable law, the rate of interest payable in respect of such Loan hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan but were not payable as a result of the operation of this Section shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together

with interest thereon at the Federal Funds Rate to the date of repayment, shall have been received by such Lender.

Section 11.13. Waiver of Effect of Corporate Seal. Each Borrower represents and warrants that neither it nor any other Loan Party is required to affix its corporate seal to this Agreement or any other Loan Document pursuant to any requirement of law or regulation, agrees that this Agreement is delivered such Borrower under seal and waives any shortening of the statute of limitations that may result from not affixing the corporate seal to this Agreement or such other Loan Documents.
