

## Bunge/Corn Products

### Customer and Supplier Talking Points

#### Combining Bunge and Corn Products creates a stronger company and a better supplier and partner

- The transaction creates a larger company with a broader product portfolio, wider geographic coverage and more diverse revenue streams
- Businesses complement and strengthen each other.
  - o Links Bunge expertise in logistics and risk management with Corn Products skills in product development and innovation

#### Combination will create enhanced offerings for customers

- In shared customer groups such as food processors, animal feed, bakery, brewing and others, the combined company will offer a single source for a broad product portfolio of edible oils, milled products, sweeteners, feed additives and higher-value ingredients
- Integrating Bunge and Corn Products product development creates stronger platform for innovation and customer solutions

#### Business as usual in the coming months

- No closures of industrial operations are expected as a direct result of the combination.
- The transaction is expected to close in the fourth quarter of this year.
- In the meantime, regular operations will continue
- No changes to sales and customer service contacts, contracting, deliveries or other activities
- Corn Products will continue to use its name
- We will keep you informed of changes as they happen

#### Continuing a high level of customer service will be a top priority during integration
