**Item 1.01. Entry into a Material Definitive Agreement**

On January 20, 2006, Corn Products Brasil — Ingredientes Industrias Ltda. (“CPO Brazil”), a wholly-owned subsidiary of Corn Products International, Inc., entered into a Natural Gas Purchase and Sale Agreement (the “Agreement”) with Companhia de Gas de Sao Paulo — Comgas (“Comgas”). Pursuant to the terms of the Agreement, Comgas will supply natural gas to the cogeneration facility maintained at CPO Brazil’s Mogi Guacu plant.

The Agreement will expire on March 31, 2023, unless extended or terminated under certain conditions specified in the Agreement. During the term of the Agreement, CPO Brazil is obligated to purchase from Comgas, and Comgas is obligated to provide to CPO Brazil, certain minimum quantities of natural gas that are specified in the Agreement. The price for such quantities of natural gas is determined pursuant to a formula set forth in the Agreement. It is estimated that the total minimum expenditures by CPO Brazil throughout the term of the Agreement would be approximately US\$230,000,000, based on current exchange rates and estimates regarding the application of the formula set forth in the Agreement, spread evenly over the approximately 17-year term of the Agreement.

---

**SIGNATURES**

Pursuant to the requirements of the Securities Exchange Act of 1934, the Registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
