**PROXY STATEMENT**

**General Information**

You have received this proxy statement because the Board of Directors of Corn Products International, Inc. (the "Company") is asking for your proxy to vote your shares at the 2004 annual meeting of stockholders that is scheduled to be held on Wednesday, May 19, 2004 (the "Annual Meeting"). This proxy statement and the accompanying 2003 annual report to stockholders of the Company are being mailed commencing on or about April 2, 2004. On March 22, 2004, the record date for the Annual Meeting, 36,304,289 shares of common stock were issued and outstanding.

In accordance with Rule 14a-3(e)(1) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), only one copy of this proxy statement and the annual report is being delivered to multiple stockholders sharing an address unless the Company has received contrary instructions from one or more of those stockholders. Upon written or oral request, the Company will deliver promptly a separate copy of this proxy statement and the annual report to a stockholder at a shared address to which a single copy of the documents was delivered. Any stockholder who wishes to receive a separate copy of this proxy statement or the annual report can do so by telephoning Marcia E. Doane, Corporate Secretary of the Company, at 708-551-2600 or by mailing the request to the Corporate Secretary at the Company's principal executive office, which address is Corn Products International, Inc., 5 Westbrook Corporate Center, Westchester, Illinois 60154.

In addition, any stockholder sharing an address with other stockholders of the Company can request delivery of only a single copy of future annual reports and proxy statements by telephoning Marcia E. Doane, Corporate Secretary of the Company, at 708-551-2600 or by mailing the request to the Corporate Secretary at the Company's principal executive office, which address is Corn Products International, Inc., 5 Westbrook Corporate Center, Westchester, Illinois 60154. Please also keep in mind that this proxy statement and the accompanying 2003 annual report to stockholders will be published and available for viewing and copying in the "Investors" section of the Company's web site at <http://www.cornproducts.com>.

Please note that the information on our website is not incorporated by reference in this Proxy Statement. The Company would also like to remind you that any stockholder having computerized access to the Internet may consent at any time to receive electronic notification of these documents by following the enrollment instructions available at <http://www.cornproducts.com>.

**Who May Vote**

You may vote at the Annual Meeting if you were a stockholder of record of the Company's common stock at the close of business on March 22, 2004. You are entitled to one vote for each share of common stock of the Company that you owned as of the record date. If you are a participant in the Corn Products International Stock Fund of the Company's Retirement Savings Plans or the Company's automatic dividend reinvestment plan, your proxy card includes the number of shares in your Plan account as well as any other shares of Company common stock held of record in your name as of March 22, 2004.

**How To Vote**

You may vote by proxy at the Annual Meeting or in person. If you vote by proxy, please sign and date the enclosed proxy card and return it to us in the envelope provided. Specify your choices on the proxy card. If you return a signed and dated proxy card but do not specify your choices on it, your shares will be voted in favor of the proposals stated.

## Table of Contents

If you are a registered stockholder, you may also vote either by telephone or electronically through the Internet by following the instructions included with your proxy card. The deadline for voting by the telephone or electronically through the Internet is 11:59 p.m. Eastern Time on May 18, 2004. You may revoke your proxy at any time before it is voted by (i) notifying the Company's Corporate Secretary in writing, (ii) returning a later-dated, signed proxy card or voting instruction form, (iii) submitting a later-dated proxy electronically through the Internet or by telephone, or (iv) voting in person at the Annual Meeting. Any written notice revoking a proxy should be sent to Marcia E. Doane, Corporate Secretary, Corn Products International, Inc., 5 Westbrook Corporate Center, Westchester, Illinois 60154.

If your shares are held through a bank, broker or other holder of record, please check your voting instruction form or contact your broker or nominee to determine whether you will be able to vote by telephone or electronically through the Internet.

### **Required Votes**

To carry on the business of the Annual Meeting, a quorum of the stockholders is required. This means that at least a majority of the outstanding shares eligible to vote must be represented at the Annual Meeting, either by proxy or in person. If a quorum is present, the director nominees receiving the most votes will be elected. If you withhold your vote for any or all nominees, your vote will not count either "for" or "against" the nominee. Other proposals require the favorable vote of a majority of the votes present at the meeting in person or by proxy and entitled to vote. A vote to "abstain" (or to withhold your vote) on any other proposal will be counted as present for quorum purposes, but it will not be counted as a vote cast "for" such proposal.

If you hold your shares of Company common stock through a bank, broker or other holder of record and have not returned a signed proxy card, your broker will have authority to vote your shares but only on those proposals that are considered discretionary under the applicable New York Stock Exchange rules. If your broker does not have such discretion on any proposals (broker non-votes), your shares will be counted as being present at the Annual Meeting for quorum purposes, but they will not be counted as votes cast on such proposals.

### **Solicitation of Proxies**

The Company will pay all costs of soliciting proxies and will reimburse brokers, banks and other custodians and nominees for their reasonable expenses for forwarding proxy materials to beneficial owners and obtaining their voting instructions. In addition to this mailing, directors, officers and other employees of the Company may solicit proxies electronically, personally or by mail or telephone.

### **Board of Directors**

The business and affairs of the Company are conducted under the direction of its Board of Directors (the "Board"). The Board presently consists of eleven members, nine of whom have been determined to be independent under the rules of the New York Stock Exchange. Please see the section titled "Independence of the Board Members" below for more information. The Board is divided into three classes, with one class elected each year for a three-year term.

### **Director Attendance**

In addition to the various committee meetings referred to below, the Board held six meetings in 2003. Each director attended at least 75 percent of the meetings of the Board and the committees of the Board on which he or she served during 2003. As a group, the directors' meeting attendance averaged 95.56 percent for the year.

The Company encourages its Directors to attend the annual meeting of stockholders. Last year, ten out of eleven of our Directors attended the annual meeting of stockholders.

## **Independence of the Board Members**

Under the rules of the New York Stock Exchange, a Director is not considered to be independent unless the Board has affirmatively determined that the Director has no material relationship with the Company or any of its subsidiaries (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company or any of its subsidiaries). In addition, the New York Stock Exchange rules stipulate that certain relationships preclude a Director from being considered to be independent. The Board has determined that each Director and nominee for Director, except for Samuel C. Scott, the Company's Chief Executive Officer, and Luis Aranguren, are independent. In making such determinations, the Board considered the facts underlying the relationships described below and determined that none of such relationships was a material relationship that would impair the independence from management of any such individuals.

Mr. Kastory serves as a member of the Advisory Board of Bimbo Bakeries USA, the United States division of Grupo Bimbo, S.A. de C.V., Mexico's largest baking company. In 2003, the Company's Mexican subsidiary had sales to Grupo Bimbo of approximately US\$13,800,000. Mr. Kastory receives a nominal fee for each of the two meetings per year, plus travel expenses, for serving on the Advisory Board. The Advisory Board is a consultative body that meets twice each year with the Chairman of Bimbo Bakeries to discuss strategic, business and marketing matters, and is not a governance body. None of Mr. Kastory's compensation is tied to the business or relationship between Bimbo Bakeries and the Company. In addition, prior to his retirement in 2001, Mr. Kastory was an executive officer of Bestfoods, the parent of the Company prior to the spin-off of the Company at the end of 1997. Mr. Storms was an executive officer of Bestfoods prior to his retirement in 1997. Mr. Ringler is a director of Dow Chemical Company, from which the Company made purchases of US\$1,976,000 during 2003. Ms. Klein is an executive officer of CDW Corporation, from which the Company made purchases of US\$140,000 during 2003.

Executive sessions are held in conjunction with each regularly scheduled meeting of the Board. Non-management Directors meet regularly in executive sessions without management. "Non-management" Directors are all those who are not Company officers and may include Directors who are not "independent" by virtue of the existence of a material relationship with the Company. The "independent" Directors meet in executive session at least once a year. One of the Chairpersons of the Board Committees, all of whom are "independent," presides over executive sessions of the Board on a rotating basis; the "independent" Directors decide which Chairperson will preside over each executive session.

## **Communication with the Board**

Information regarding the manner in which security holders may communicate with the Board and the manner in which those communications will be forwarded to Board members can be found in the "Governance" section of the Company's website at <http://www.comproducts.com>.

## **Committees of the Board**

The Board currently has four standing committees, the Audit Committee, the Compensation Committee, the Corporate Governance and Nominating Committee and the Finance Committee. Each of these committees operates pursuant to a written charter adopted by the Board. These charters are available in the "Governance" section of the Company's web site at <http://www.comproducts.com>. Please note that the information on our web site is not incorporated by reference in this Proxy Statement.

### *Audit Committee*

The **Audit Committee** is composed of at least three directors, each of whom is independent and financially literate as such terms are defined under the rules of the New York Stock Exchange. The Board has determined that the Company has more than one member of the Audit Committee who meets the legal requirements of an audit committee financial expert, one of whom is James M. Ringler.

## Table of Contents

The Audit Committee is a separately-designated standing committee established in accordance with the Exchange Act. Pursuant to the provisions of its written charter as adopted by the Board, a copy of which is included as Appendix A, this committee assists the Board in fulfilling its oversight responsibilities in the areas related to the financial reporting process and the systems of financial control. The independent auditors are accountable to and meet privately with this committee on a regular basis.

Members of the Audit Committee are G. E. Greiner (Chairman), W. S. Norman, J. M. Ringler and C. B. Storms. This committee held twelve meetings during 2003 and has furnished the following report.

### **Audit Committee Report**

The following "Audit Committee Report" shall not be deemed filed or incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act of 1933, as amended (the "Securities Act"), or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Audit Committee of the Board of Directors (the "Committee") reports that it has: (i) reviewed and discussed with management the audited financial statements of the Company for the fiscal year ended December 31, 2003; (ii) discussed with KPMG LLP, the independent accountants and auditors of the Company, the matters required to be discussed by Statement on Auditing Standards No. 61; and (iii) received the written disclosures and the letter from KPMG LLP required by the Independence Standards Board Standard No. 1 and discussed with KPMG LLP their independence. Based on such review and discussions, the Committee recommended to the Board that the audited financial statements of the Company for the fiscal year ended December 31, 2003 be included in the Company's Annual Report on Form 10-K for 2003 for filing with the Securities and Exchange Commission.

### **Audit Committee**

**G. E. Greiner, Chairman**

**W. S. Norman**

**J. M. Ringler**

**C. B. Storms**

### *Compensation Committee*

The **Compensation Committee** is composed entirely of independent directors as "independence" is defined under the rules of the New York Stock Exchange. Each of the members of this committee is also a "non-employee director" as such term is defined under Exchange Act Rule 16b-3 and an "outside director" as such term is defined in Treasury Regulation § 1.162-27(3).

Pursuant to the provisions of its written charter, this committee discharges the Board's responsibilities relating to compensation of the Company's executives, employee benefit plans and the compensation of directors.

Members of the Compensation Committee are R. M. Gross (Chairman), R. J. Almeida and K. L. Hendricks. This committee held four meetings during 2003.

### *Corporate Governance and Nominating Committee*

The **Corporate Governance and Nominating Committee** is composed entirely of independent directors as "independence" is defined under the rules of the New York Stock Exchange.

Pursuant to the provisions of its written charter as adopted by the Board, this committee oversees the general areas of corporate governance and selected Company policies as well as the selection of directors.

The Company retains a professional third-party search firm to help identify and facilitate the screening and interview process for Director nominees. The Corporate Governance and Nominating Committee

## Table of Contents

maintains, with the approval of the Board, formal criteria for selecting Director nominees. The criteria used for selecting Director nominees are included as Appendix B. In addition to these minimum requirements, the Corporate Governance and Nominating Committee will also evaluate whether the candidates' skills and experience are complementary to the existing Board members' skills and experience as well as the Board's need for operational, management, financial, international, technological or other expertise.

The search firm identifies and assists in screening the candidates, performs reference checks, prepares a biography for each candidate for the Corporate Governance and Nominating Committee to review and assists in setting up interviews. The Corporate Governance and Nominating Committee members interview candidates that meet the criteria and select those that it will recommend to the Board for nomination. The Board considers the nominees and selects those who best suit the needs of the Board for nomination or election to the Board.

The Corporate Governance and Nominating Committee will consider qualified candidates for Director nominees suggested by our shareholders. Shareholders can suggest qualified candidates for Director nominees by writing to the Corporate Governance and Nominating Committee, c/o the Corporate Secretary at Corn Products International, Inc., 5 Westbrook Corporate Center, Westchester, Illinois 60154. Submissions that are received that meet the criteria described above are forwarded to the search firm for further review and consideration. The Corporate Governance and Nominating Committee intends to evaluate candidates proposed by shareholders in the same manner as other candidates.

Members of the Corporate Governance Committee are W. S. Norman (Chairman), G. E. Greiner, R. M. Gross and B. H. Kastory. This committee held five meetings during 2003.

### *Finance Committee*

The **Finance Committee** is composed of four directors. Pursuant to the provisions of its written charter as adopted by the Board, this committee assists the Board in fulfilling its oversight responsibilities in the specific areas of capital structure, leverage and tax planning; risk management and the preservation of assets, investments, and employee pension plans.

Members of the Finance Committee are B. H. Kastory (Chairman), R. J. Almeida, L. Aranguren and K. L. Hendricks. This committee held five meetings during 2003.

### **Director Compensation and Tenure**

Employee directors do not receive additional compensation for serving as directors. All directors are reimbursed for Board and committee meeting expenses but no meeting attendance fees are paid. The following table displays the individual components of outside director compensation:

Annual Board retainer	\$71,000(1)
Annual Audit Committee and Compensation Committee chairman retainer	\$ 7,000(1)
Annual Corporate Governance & Nominating Committee and Finance Committee chairman retainer	\$ 4,000(1)
Annual stock option grant (number of underlying shares)	2,000(2)

(1) One half of the retainer is paid in cash and the other half is paid in the mandatory form of phantom stock units based upon shares of Company common stock that are deferred until retirement under the Deferred Compensation Plan for Outside Directors. In addition, a director may choose to defer all or part of the cash portion of the retainer in the Company's phantom stock units. The Company's phantom stock units for each outside director as of January 1, 2004, are indicated in the middle column of the Security Ownership Table appearing on page 7.

(2) A grant of 2,000 non-qualified stock options was awarded in May 2003 to each of the outside directors who was not scheduled to retire before the 2004 annual meeting of shareholders. The grants were priced at the fair market value of the Company's common stock on the date of grant and have a ten-year term. They are fully exercisable on May 1, 2004. Effective May 1, 2004, annual grants of stock options will no

longer be provided and will be replaced with annual grants of restricted stock in an amount not to exceed a fair market value of \$19,000, with the stock to remain restricted throughout the director's tenure.

Board policy requires outside directors to retire no later than the annual meeting following their 70th birthday (age 72 in the case of outside Directors who have been previously identified by the Board of Directors as the founding Directors). Employee directors, including the CEO, are required to retire from the Board upon retirement as an employee, unless the Board determines otherwise in unusual circumstances.

The Peer Group Index was initially compiled by the Company from companies included in Standard & Poor's former Small Cap Basic Materials Index (which was discontinued as of December 31, 2001), but not including the Company, together with publicly-held competitors of the Company that are not included in such classification. The Peer Group Index includes the following 37 companies in four identified sectors which, based on their Standard Industrial Classification (SIC) codes, are similar to the Company:

## Compensation Committee Report

### on Executive Compensation

The following “Compensation Committee Report on Executive Compensation” shall not be deemed filed or incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act or under the Exchange Act, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed filed under such Acts.

The Compensation Committee of the Board of Directors (the “Committee”) is composed entirely of independent directors. The Committee approves compensation policy for the Company and administers the compensation program for the Company’s officers.

The Company utilizes the services of an independent consulting firm to provide information on base salary, annual incentive levels and long-term incentives for a broad group of companies and for a group of companies in related industries adjusted for size for which compensation information is available (the “Survey Group”). Based on this comparative pay data and the compensation-related objectives of the Company, the Committee approves a compensation program that it considers appropriate. A description of this program follows.

#### Compensation Philosophy

The objectives of the Company’s compensation programs, including officers’ compensation, are to:

- Focus, align and motivate management on the objectives of the Company and enhance shareholder value.
- Permit the Company to attract and retain outstanding and talented executives who are focused on the interests of the Company’s shareholders.
- Reinforce pay-for-performance beliefs by aligning the distribution of compensation programs with results. Adjustments to base salary and the award of incentives are provided based on the achievement of tangible measurable results.

The key components of the Company’s compensation program for its officers are base salary, annual incentive compensation, and long-term incentives. The Company’s compensation philosophy is to target base salaries at the 50th percentile of market; total cash (base plus annual bonus) targeted at the 60th percentile; and long-term incentives targeted at the 60th percentile of the Survey Group. The Survey Group consists of 27 companies that most closely represent the size, business and the international profile of the Company. An officer’s salary depends upon level of responsibility, the geographic complexity of the position, individual performance, and time in position. Annual incentives are payable only after the attainment of predetermined performance targets. Base salary and long and short-term incentives for other management personnel are targeted at the 50th percentile of the Survey Group.

#### Annual Incentive Program

The Annual Incentive Program (“AIP”) for the officers and other eligible management level employees provides for awards based on the achievement of performance targets that are established at the beginning of each year. Each participant’s annual incentive is calculated according to the achievement of corporate, business unit and individual performance results. The Committee approved annual incentive payments based on 2003 results for each of the officers and AIP eligible employees in accordance with this program. Total payments for 2003 for each of the named executive officers are indicated in the Bonus column of the Summary Compensation Table on page 13.

#### Long-Term Incentives

The Company’s long-term incentive program for its officers consists of a combination of non-qualified stock options, restricted stock and performance shares and targets the 60th percentile of the Survey Group. Non-qualified stock options, restricted stock and performance share awards are made under the Company’s

## Table of Contents

1998 Stock Incentive Plan. Non-qualified stock options awarded to officers have a ten-year term and vest 50% per year at the end of the first and second years. Restricted stock awards granted to officers vest after five years. The amount of stock awarded to elected officers is established based on competitive practices and for recognition and retention purposes.

Other management personnel who are eligible for long-term incentives are granted non-qualified stock options and/or awarded restricted stock under the Company's 1998 Stock Incentive Plan. The number of options granted or shares of restricted stock awarded are based on an individual's salary, salary grade and performance. These options also have a ten-year term and vest 50% per year at the end of the first and second years while restricted stock awards vest after five years.

During 2003, the Committee awarded a total of 177,700 non-qualified stock options to eleven officers (including the CEO). In addition, 335,200 stock option grants and 9,650 restricted stock awards were made in 2003 to another 123 management level employees and 18,000 stock options were granted to 9 outside directors. The options have an exercise price equal to the fair market value of a share of Company common stock on the grant date.

The total number of non-qualified stock options and restricted shares awarded in 2003 was 540,550 or approximately 9.5% of the shares authorized for distribution under the Company's 1998 Stock Incentive Plan. Option grants for each of the named executive officers are identified in the Option Grants Table on page 14.

The Performance Plan (the "Plan") has been established to provide long-term incentives to the Company's officers as a portion of their long-term compensation. The Plan is designed to provide the opportunity to achieve competitive long-term incentives for the attainment of long-term performance targets.

During 2003, the Committee granted Performance Share Awards under the Company's 1998 Stock Incentive Plan with respect to the three-year period commencing in 2003. Under these awards, 50% of the performance target is the Company's three-year cumulative total shareholder return compared against that of a peer group consisting of 36 companies (the "Performance Plan Peer Group") selected on the basis of their Standard Industrial Classification (SIC) codes. The Performance Plan Peer Group is utilized for comparison because the companies that are part of this group operate in the same or similar types of business as does the Company. The remaining 50% of the performance target under these awards is based on the Company's return on capital at the end of the three-year cycle. Final awards are paid in shares of Company stock unless a participant elects to receive cash. Participants who have not reached designated stock ownership targets can only be paid Company stock.

Under the Performance Share Awards granted in 2003, participants can earn up to 200% of the target performance shares based on the Company's cumulative performance over the entire three-year performance period as measured against total shareholder return and the Company's return on capital achieved. The awarded target performance shares are earned and payable only after the third year in the performance cycle. The contingent target performance shares that were awarded to each of the named executive officers in 2003 are identified in the Long-Term Incentive Plans Table on page 15.

In February 2004, cash payments were made to certain Company officers based on the results for the three years beginning in 2001 attained under the Company's 2001 Performance Plan. The Company performed at the 47th percentile when compared to the performance of the companies that constituted the discontinued S&P Small-Cap Basic Materials Index. The amount of the cash award target that was earned by each of the named executive officers is identified in the Long-Term Incentive Payouts column of the Summary Compensation Table on page 13. After 2001, the Company discontinued cash awards under the Performance Plan in favor of performance share awards under the Company's 1998 Stock Incentive Plan.

### **Executive Stock Ownership Targets**

The Committee has established stock ownership targets for the officers. The ownership targets for the officers are based on multiples of each individual's base salary. For purposes of these targets, "ownership" is defined as Company common stock owned, whether directly or indirectly, restricted stock shares held and the stock equivalents of deferred phantom stock unit accounts referred to in footnote 2 to the Security Ownership

## Table of Contents

Table on page 7. "Ownership" excludes unexercised stock options. Officers are expected to attain their ownership targets within three to five years from the time the established targets became applicable. The ownership target for the Chief Executive Officer is five-times base salary. At the end of 2003, Mr. Scott owned stock equivalent in value to approximately 7.6 times his base salary.

### **Compensation For 2003**

In fulfilling its responsibility to oversee the performance of the Chief Executive Officer and other officers, the Committee meets at the beginning of each year to review the performance of the Company, the officers, officer succession plans and in executive session, the Chief Executive Officer's performance. Specifically regarding the Chief Executive Officer, the evaluation includes a review of his leadership in the development and implementation of strategies; his leadership pertaining to business execution and the achievement of results; his development of management talent; and his ability to maintain an organization that represents the highest ethical standards and corporate governance practices.

Actions concerning executive compensation at the beginning of 2003 were based upon the Company's performance in 2002, the individual's performance and the individual's time in position.

Concerning the Chief Executive Officer's compensation, the Committee considered the Company's financial performance and the leadership he demonstrated during the prior year. The Committee also evaluated the results of the Company as compared to goal.

Based on the results of the factors and criteria stated above, and the Committee's consideration of the Chief Executive Officer's time in position, salary relative to the Company's salary grade midpoint and individual performance, the Committee approved an annualized increase of 8.0% effective February 2003 for Mr. Scott, adjusting his annual salary to \$680,000.

The Committee awarded Mr. Scott 60,000 non-qualified stock options in October 2003. The amount of the grant was established according to market data and the Company's long-term incentive program described above.

In February 2004, the Committee awarded Mr. Scott an annual incentive cash award for 2003 of \$866,000 based on the Company's improved financial results, including exceeding the earnings per share goal, increasing dividends by 20% and significantly improving working capital. Of further consideration was Mr. Scott's leadership regarding the implementation of the Company's strategy. Annual incentive awards paid to the other named executive officers were based on the corporate, business unit and individual performance. These amounts are shown in the Bonus column of the Summary Compensation Table on page 13.

In February 2004, the Committee awarded Mr. Scott \$563,200 which was earned under the 2001 Performance Plan with respect to the three-year period total shareholder return (with shareholder return being compared to the peer group) beginning in 2001 and paid in accordance with the provisions of that Plan.

### **Deductibility Of Executive Compensation**

The Committee intends to comply with the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), with respect to options, annual incentives and long-term incentive plans in order to avoid losing the tax deduction for compensation in excess of \$1,000,000 paid to one or more of the executive officers named on the Summary Compensation Table. The Committee believes that the Company will not lose any tax deductions due to this rule in 2004.

**Equity Compensation Plan Information as of December 31, 2003**

The Company maintains the Corn Products International, Inc. 1998 Stock Incentive Plan, which was approved by the stockholders, the Deferred Compensation Plan for Outside Directors and the Supplemental Executive Retirement Plan, pursuant to each of which the Company may provide certain equity compensation awards and make earned payments to eligible participants.

The purpose of the Deferred Compensation Plan for Outside Directors is to provide at least one half of the director fees compensation that is paid to outside directors of the Company in the mandatory form of deferred phantom stock units based upon shares of Company common stock and to provide the opportunity for the outside directors to defer either 75% or 100% of their annual Board and Committee chairman retainers. Distributions will be made in one lump sum or in as many as ten equal installments beginning no sooner than six months following termination of service on the Board and ending no later than ten years and six months following such termination. Distributions of the deferred fees and all deemed investment earnings thereon may be made in cash or shares of Company common stock, or in any combination thereof in increments of 25%, at the selection of the outside director.

The purpose of the Supplemental Executive Retirement Plan is to permit certain key executives of the Company to defer payment of compensation, including short and long-term incentive payments, until a later year, to provide them with the amount of retirement income not provided for under other Company plans by reason of IRS limits and elective compensation deferrals, and to preserve the opportunity for Company executives to continue to defer compensation that was deferred under plans maintained by the Company's predecessor, CPC International Inc. Participants may enroll and participate in one or more of the Plan accounts based upon their eligibility. Each Plan account consists of applicable deferrals, various applicable credits and deemed investment earnings. One of the deemed investment options is in the form of phantom stock units based upon shares of Company common stock. All directions to invest existing Plan account balances or new deferrals into the phantom stock unit option are irrevocable and distributions from that option will only be made in shares of Company common stock. Distributions will be made based upon written

selections made by the participants, in the form of a single lump sum, annual installments or other available alternatives depending on the respective Plan accounts.

## **Pension Plans**

The Company has a "cash balance" defined benefit pension plan which is a tax-qualified plan within the meaning of Section 401(a) of the Code and which is applicable to its U.S. salaried employees, including the named executive officers other than J. L. Fiamenghi. Accounts of participants in the plan accrue monthly interest credits using a rate equal to a specified amount above the interest rate on short-term Treasury notes. The value of a participant's account at retirement is paid out either as a life or a joint and survivor annuity or in an optional form, such as a lump sum. The Company also has a non-qualified supplemental retirement plan, which provides benefits in addition to those payable under the qualified plan. As of January 1, 2004, the estimated annual combined benefits at age 65 for each of the named executive officers under the qualified and supplemental plans in the U.S. are as follows: S. C. participant's normal retirement date. As of January 1, 2004, estimated annual benefits at age 60 for J. L. Fiamenghi are \$178,000, based upon the then effective foreign currency exchange rate.

### **Deferred Compensation Plans**

The Company's Deferred Compensation Plan for Outside Directors and Deferred Stock Unit Plan allow both the outside directors to defer, in the form of the Company's phantom stock units, all or part of their respective Board retainers. In addition, the Company's Supplemental Executive Retirement Plan allows its participants to defer portions of their annual and long-term incentive compensation in the form of the Company's phantom stock units. The Company's phantom stock units credited to the accounts of the outside directors and named executive officers under these various plans as of January 1, 2004 are indicated in the middle column of the Security Ownership Table appearing on page 7.

### **Special Agreements**

The Company has a severance agreement with each of the named executive officers that may require making certain payments and providing certain benefits if the officer's employment is terminated within two years after a change in control of the Company. The agreements provide for the payment of salary and vacation pay accrued through the termination date plus any applicable bonus prorated for the current year. In addition, the terminated officer would receive a lump sum payment equal to three times his or her applicable salary and annual bonus. The agreements also provide for certain continued insurance and other benefits and allowances and accelerated vesting of the terminated officer's then unvested restricted stock awards and stock option grants. Any resulting excise tax paid by the terminated officer would also be reimbursed by the Company.

### **Certain Relationships and Related Transactions**

In connection with the acquisition by the Company of Compañía Proveedora de Ingredientes, S.A. de C.V. (formerly known as Arancia Corn Products, S.A. de C.V., now a wholly-owned subsidiary of the Company), the Company agreed to nominate a qualified nominee designated by the Aranguren family to the Board. This requirement will continue for as long as the Aranguren family continues to hold at least 1,235,293 shares of the Company's common stock and such Aranguren family holdings represent at least 2.5% of the total outstanding shares of the Company's common stock. Mr. L. Aranguren, has been designated by the Aranguren family as its nominee and he was elected to the Board last year to a term expiring in 2006. As part of the original transaction, the Aranguren family also has the right, through January 2010, to require the Company to repurchase up to 1,913,500 shares of the Company's common stock held by the Aranguren family and related entities.

The Company, primarily through its wholly-owned subsidiary Compañía Proveedora de Ingredientes, continues to engage in numerous transactions at competitive market rates (with the exception noted below), with several companies owned or controlled indirectly by the Aranguren family. The various contractual relationships giving rise to these transactions predate the Company's acquisition of Compañía Proveedora de Ingredientes. These companies are subsidiaries of Arancia Industrial, S.A. de C.V., and Mr. L. Aranguren is the Executive President of Arancia Industrial. During 2003, the Company:

- purchased enzymes amounting to \$900,000 from, and provided steam at cost, amounting to \$426,749, to Enmex, S.A. de C.V.;
- purchased freight and similar services from Transportes Minerva, S.A. de C.V. in the amount of \$7.7 million; and
- leased reception and additional office facilities and purchased other services from Reprocesadora Industrial, S.A. de C.V. and Promociones Inmofisa, S.A. de C.V. in the combined amount of \$300,000.

All of these purchases and contractual relationships are planned to continue in 2004 in approximately the same dollar amounts or, in the case of Promociones Inmofisa, S.A. de C.V., in substantially lower dollar amounts.

Mr. I. Aranguren-Castello served as Chairman of Compañía Proveedora de Ingredientes until his retirement in April 2003. He was not paid a salary, nor did he receive any additional benefits or payments, in connection with such service.
